Love Hate And Fear In Canadas Cold War:

Love, Hate, and Fear in Canada's Cold War Richard Cavell, 2004 A major theme emerging from Love Hate and Fear in Canada's Cold War is that many issues associated with the Cold War in Canada actually preceded World War II and continue to haunt us today

Love, Hate, and Fear in Canada's Cold War Richard Cavell, 2004-06-02 The essays in Love Hate and Fear in Canada's Cold War present a Cold War different in many respects from the familiar one of anti communist hysteria In Canada the Cold War raised issues of national self representation that went beyond international political tensions related to capitalistic versus communistic regimes If the discourse of the Cold War in Canada was anti communist it was also anti American in many ways Drawing on a number of disciplinary approaches and examining what Michel Foucault called the discursive practices of the period the contributors examine how in the Cold War the personal became the political through the state's attempt to regulate sexuality in pulp fiction in film and in public spaces A major theme emerging from Love Hate and Fear in Canada's Cold War is that many issues associated with the Cold War in Canada actually preceded World War II and continue to haunt us today This has become particularly apparent after the terrorist attacks of September 2001 when politicians began employing the rhetoric of the War on Terror and invoking issues of border security immigration and refugee quotas and harmonization of policies

Cold War Comforts Tarah Brookfield, 2012-05-01 Cold War Comforts examines Canadian women's efforts to protect children's health and safety between the dropping of the first atomic bomb in Hiroshima in 1945 and the end of the Vietnam War in 1975 Amid this global insecurity many women participated in civil defence or joined the disarmament movement as means to protect their families from the consequences of nuclear war To help children affected by conflicts in Europe and Asia women also organized foreign relief and international adoptions In Canada women pursued different paths to peace and security From all walks of life and from all parts of the country they dedicated themselves to finding ways to survive the hottest periods of the Cold War What united these women was their shared concern for children's survival amid Cold War fears and dangers Acting on their identities as Canadian citizens and mothers they characterized with their activism the genuine interest many women had in protecting children's health and safety In addition their activities offered them a legitimate space to operate in the traditionally male realms of defence and diplomacy Their efforts had a direct impact on the lives of children in Canada and abroad and influenced changes in Canada's education curriculum immigration laws welfare practices defence policy and international relations Cold War Comforts offers insight into how women employed maternalism nationalism and internationalism in their work and examines shifting constructions of family and gender in Cold War Canada It will appeal to scholars of history child and family studies and social policy

Czech Refugees in Cold War Canada Jan Raska, 2018-08-24 During the Cold War more than 36 000 individuals entering Canada claimed Czechoslovakia as their country of citizenship A defining characteristic of this migration of predominantly political refugees was the prevalence of anti communist and democratic values Diplomats industrialists politicians

professionals workers and students fled to the West in search of freedom security and economic opportunity Jan Raska's *Czech Refugees in Cold War Canada* explores how these newcomers joined or formed ethnocultural organizations to help in their attempts to affect developments in Czechoslovakia and Canadian foreign policy towards their homeland Canadian authorities further legitimized the Czech refugees anti communist agenda and increased their influence in Czechoslovak institutions In turn these organizations supported Canada's Cold War agenda of securing the state from communist infiltration Ultimately an adherence to anti communism the promotion of Canadian citizenship and the cultivation of a Czechoslovak ethnocultural heritage accelerated Czech refugees socioeconomic and political integration in Cold War Canada By analyzing oral histories government files ethnic newspapers and community archival records Raska reveals how Czech refugees secured admission as desirable immigrants and navigated existing social cultural and political norms in Cold War Canada

Perogies and Politics Rhonda L. Hinthner, 2018-02-05 In *Perogies and Politics* Rhonda Hinthner explores the twentieth century history of the Ukrainian left in Canada from the standpoint of the women men and children who formed and fostered it For twentieth century leftist Ukrainians culture and politics were inextricably linked The interaction of Ukrainian socio cultural identity with Marxist Leninism resulted in one of

the most dynamic national working class movements Canada has ever known The Ukrainian left's success lay in its ability to meet the needs of and speak in meaningful respectful and empowering ways to its supporters experiences and interests as individuals and as members of a distinct immigrant working class community This offered to Ukrainians a radical social cultural and political alternative to the fledgling Ukrainian churches and right wing Ukrainian nationalist movements Hinthers colourful and in depth work reveals how left wing Ukrainians were affected by changing social economic and political forces and how they in turn responded to and challenged these forces

The Making of the Middle Class A. An Exceptional Law Dennis G. Molinaro, 2017-01-01 *An Exceptional Law* showcases how the emergency law used to repress labour activism during the First World War became normalized with the creation of Section 98 of the Criminal Code following the Winnipeg General Strike

Beyond Bylines Barbara M. Freeman, 2012-08-01 *Beyond Bylines* Media Workers and Women's Rights in Canada explores the ways in which several of Canada's women journalists broadcasters and other media workers reached well beyond the glory of their personal bylines to advocate for the most controversial women's rights of their eras To do so some of them adopted conventional feminine identities while others refused to conform altogether openly and defiantly challenging the gender expectations of their day The book consists of a series of case studies of the women in question as they grappled with the concerns close to their hearts higher education for

women healthy dress reforms the vote equal opportunities at work abortion lesbianism and Aboriginal women s rights Their media reflected their respective eras intellectual magazines daily and weekly newspapers radio feminist public relations alternative women s periodicals and documentary film made for television Barbara Freeman takes an interdisciplinary approach combining biography history and communication studies to demonstrate how their use of different media both enabled and limited these women in their ability to be daring advocates for gender equality She shows how a number of these women were linked through the generations by their memberships in activist women s organizations Gatekeepers Franca Iacovetta,2006-10-01 An in depth study of European immigrants to Canada during the Cold War Gatekeepers explores the interactions among these immigrants and the gatekeepers mostly middle class individuals and institutions whose definitions of citizenship significantly shaped the immigrant experience Iacovetta s deft discussion examines how dominant bourgeois gender and Cold War ideologies of the day shaped attitudes towards new Canadians She shows how the newcomers themselves were significant actors who influenced Canadian culture and society even as their own behaviour was being modified Generously illustrated Gatekeepers explores a side of Cold War history that has been left largely untapped It offers a long overdue Canadian perspective on one of the defining eras of the last century *Canada's 1960s* Bryan D. Palmer,2009-01-01 Focusing on the major movements and personalities of the time as well as the lasting influence of the period Canada s 1960s examines the legacy of this rebellious decade s impact on contemporary notions of Canadian identity

Awfully Devoted Women Cameron Duder,2011-01-01 The lives of many lesbians prior to 1965 remain cloaked in mystery Historians have turned the spotlight on upper middle class romantic friends and on working class butch and femme women but the lives of the lower middle class majority remain in the shadows Awfully Devoted Women offers a portrait of middle class lesbianism in the decades before the gay rights movement in English Canada This intimate study of the lives of women who were forced to love in secret not only challenges the idea that lesbian relationships in the past were asexual it also reveals the courage it took to explore desire in an era when women were supposed to know little about sexuality

Magazines, Travel, and Middlebrow Culture Faye Hammill,Michelle Smith,2015 A comparative study of Canadian magazines in English and French in the early to mid twentieth century casting light on middlebrow culture **From Left to Right** Brian T. Thorn,2016-07-22 In From Left to Right Brian Thorn explores what motivated Canadian women to become politically engaged in the 1940s and 50s Although women in these decades are often depicted as being trapped in the suburbs caring for children baking pies and leaving politics to men they joined diverse political parties including the Social Credit Party the Co operative Commonwealth Federation and the Communist Party of Canada Thorn argues controversially that while women on the left and right had different goals their activism continued to be informed by maternalism They used their roles as wives and mothers to influence their parties positions on war and unions to break down barriers between the private and public spheres and to push for a new world order Along the way they laid the foundations for the 1960s feminist

movement Creating Postwar Canada Magda Fahrni, Robert Rutherford, 2008-07-01 Creating Postwar Canada showcases new research on this complex period exploring postwar Canada's diverse symbols and battlegrounds. Contributors to the first half of the collection consider evolving definitions of the nation, examining the ways in which Canada was reimagined to include both the Canadian North and landscapes structured by trade and commerce. The essays in the latter half analyze debates on shopping hours, professional striptease, the provider role of fathers, interracial adoption, sexuality on campus, and illegal drug use issues that shaped how the country defined itself in sociocultural and political terms. This collection contributes to the historiography of nationalism, gender, and the family, consumer cultures, and countercultures. **Timing**

Queerly Canadian, Second Edition Scott Rayter, Laine Halpern Zisman, 2022-09-14 In the second edition of this remarkable and comprehensive anthology, many of Canada's leading sexuality studies scholars examine the fundamental role that sexuality has played and continues to play in the building of our nation and in our national narratives, myths, and anxieties about Canadian identity. Thoroughly updated, this new edition features twenty-six new chapters on topics including Indigenous kinship, Blackness, masculinity, disability, queer resistance, and sex education. Covering both historical and contemporary perspectives on nation and community, law and criminal justice, organizing and activism, health and medicine, education, marriage and family, sport and popular culture, and representation, the essays also take a strong intersectional approach, integrating analyses of race, class, and gender. This interdisciplinary collection is essential for the Canadian sexuality studies classroom and for anyone interested in the mythologies and realities of queer life in Canada. **FEATURES** Sixty percent new and expanded content with twenty-six new chapters.
