Love Beyond Eternity Rick Anthony, In a world where darkness reigns and fear is the norm one woman sets out on a journey to find true love at any cost Elara is a vampire cursed to live forever in a world where she is feared and shunned by all who know of her kind But Elara is not content to live her life alone and she sets out on a quest to find the one thing that has eluded her for centuries true love As she travels through the darkness Elara encounters all manner of obstacles and challenges from treacherous foes to deep seated prejudices But she is undeterred driven by the hope that somewhere out there there is someone who will accept her for who she is and love her unconditionally And so she continues her journey facing both danger and heartache but always holding onto the hope that one day she will find the love that she seeks But as she travels deeper into the shadows Elara discovers that the path to true love is not an easy one For in a world where fear and hatred run rampant the very thing that she seeks is the very thing that is most elusive Will Elara be able to find true love or will she be forever doomed to walk the shadows alone Follow her on her journey and find out in this compelling tale of love loss and redemption where the power of love and unity can overcome even the darkest of evils

The Christmas Cookie Club Ann Pearlman, 2011-10-25 Ann Pearlman's irresistible novel provides the perfect ingredients for a fun and touching read about a group of women who gather each year to share a journey of friendship, hope, heartbreak, and recipes. Every year at Christmastime Marnie and her closest girlfriends mark their calendars for the cookie exchange. Everyone has to bring a batch of homemade cookies and a bottle of wine, but this year it's their stories that are especially important: the passion and hopefulness of new romance, the betrayal and disillusionment some relationships bring, the joys and fears of motherhood, the stress of financial troubles. On this evening, at least the sisterly love they have for one another rises above it all. Celebrating courage and joy in spite of hard times and honoring the importance of women's friendships as well as the embracing bonds of community, Ann Pearlman's delightful novel speaks to us all. *Life-lights of song*, ed. by D. Paradoxes of the Highest Science Eliphas Lévy, 2023-01-31 Many paths lead to the mountain top, and many and diverse are the rifts in the Veil through which glimpses may be obtained of the secret things of the Universe. The Abbé Louis Constant, better known by his nom de plume of LIPHAS L. VI, was doubtless a seer, but though his studies were by no means confined to this, he saw only through the medium of the kabbala, the perfect sense of which is now a day's hidden from all mere kabbalists, and his visions were consequently always imperfect and often much distorted and confused. Moreover, he was for a considerable portion of his career a Roman Catholic priest, and as such had to keep terms to a certain extent with his church, and even later when he was unfrocked he hesitated to shock the prejudices of the public and never succeeded in even wholly freeing himself from the bias of his early clerical training. Consequently he not only erred at times in good faith, not only constantly wrote ambiguously to avoid a direct collision with his ecclesiastical chiefs or current creeds, but he not unfrequently put forward dogmas which, taken in their obvious straightforward meanings, he certainly did not believe, nay, I may say, certainly knew to be false.
