Sixteenth edition, carefully revised by C. Gros, etc** Jean Baptiste PERRIN (Teacher of French in London.), 1818 **Love and Marriage in the Age of Chaucer** H.A. Kelly, 2004-01-30 Spicing erudition with wit Professor Kelly takes a new look at medieval attitudes toward love sexuality and marriage and he corrects a number of long standing misconceptions embodied in the concept of courtly love Through a close examination of canon law the common practice of clandestine marriage writings on mysticism and medieval poetry particularly Gower's *Confessio amantis* and Chaucer's romances and their sources he concludes that medieval lovers favored matrimony and did not consider sexual passion incompatible with virtue His evidence contradicts the theory closely associated with C.S. Lewis that extramarital love was preferred in the Middle Ages and that the sexual pleasures celebrated by poets were necessarily regarded as immoral by society at large By placing religious and cultural conventions in their proper context Professor Kelly shows that the hopes and fears of medieval lovers were much the same as those of lovers of all other ages *A Philosophical and Practical Grammar of the English Language* I.J. to marry him In fact the similarities were so wide that the book demanded to be written as A Love Affair This rewriting of the book made it suitable for all Sales People in addition to the medical representatives hence the title The second reason for calling it A Love Affair is the way that the book is written All the aspects discussed here may be closely related to A Love Affair Similarities occur that make the understanding of the sales process at once easy and interesting
