

A serene sunset over the ocean. The sky is a warm, golden-orange color, transitioning into a darker blue as it meets the horizon. The ocean is a deep blue-grey, with white foam from the waves visible. In the foreground, dark, silhouetted rocks are partially submerged in the water. The overall mood is peaceful and contemplative.

Love is a verb. Love – the feeling – is
the fruit of love the verb or our loving
actions. So love her. Sacrifice. Listen to
her. Empathize. Appreciate. Affirm her.

Love Is A Verb Loving On Purpose:

Love Is a Verb! Patricia Anderson, 2006-01-01 Are you looking for love and don't understand it? Would you like to maximize love's power in a relationship? Maybe you need healing from a past relationship or are uncertain about a current relationship. Do you ever ask, "Do I know what love is?" Am I demonstrating love? This book is helpful for readers in all walks of life and contains more answers than questions. Love is a Verb dispels common misconceptions about love. Explains why it is a mistake to attribute only feelings to love. Observes the world's definition of love and why we operate in conditional, transactional and perception-based love. Takes you past the most significant barrier to love: fear. Teaches you how to love God, yourself and others.

BulletProof Your Marriage Margaret McCracken, 2015-09-10 Is a genuinely happy marriage attainable? Are there any solutions to the issues of separation and divorce? Can we face the pressures which subtly seduce us away from the priority of marriage? Margaret McCracken believes the answer is a resounding yes. With empathy, humour, sensitivity and practical wisdom, Bulletproof Your Marriage gives powerful insights into a marriage that will withstand the test of time. If you desire a home filled with contentment, peace and some much-needed fun, this resource will inspire you to rekindle the wonder and beauty of a loving marriage relationship. Without judgement, Margaret works her way through some of the core issues that too often turn God's intentions for marriage into a battlefield. This book brings strength and hope into marriages, giving failing marriages a fighting chance and offering good marriages the tools to become even greater.

How to Be an Adult in Love David Richo, 2014-01-07 We were made to love and be loved. Loving ourselves and others is in our genetic code. It's nothing other than the purpose of our lives, but knowing that doesn't make it easy to do. We may find it a challenge to love ourselves. We may have a hard time letting love in from others. We're often afraid of getting hurt. It is also sometimes scary for us to share love with those around us, and love that isn't shared leaves us feeling flat and unfulfilled. David Richo provides the tools here for learning how to love in evolved adult ways, beginning with getting past the barriers that keep us from loving ourselves, then showing how we can learn to open to love others. He provides wisdom from Buddhism, psychology and a range of spiritual traditions, along with a wealth of practices both for avoiding the pitfalls that can occur in love relationships and for enhancing the way love shows up in our lives. He then leads us on to love's inevitable outcome: developing a heart that loves universally and indiscriminately. This transcendent and unconditional love isn't just for a heroic few. Dave shows it's everyone's magnificent calling.

since antiquity there has always been the philosophy of love at the core of Western culture It articulates what makes life meaningful and worthwhile and how we can live a good life together through an ethic of love This book fills this significant

gap not only reconnecting the reader with such important wisdom and more crucially also reorienting our socio economic institutions and collective actions towards more loving and caring and more concerned with the qualities of our lived experiences By re dis covering the gifts of love we may challenge the existing systemic dehumanisation and draw from knowledge and understanding already present in our culture This is timely because the global crises we are facing are catastrophic especially when it comes to climate change Therefore we must respond from a place of love rather than fear Whether it is reducing the use of fossil fuels lowering greenhouse emission choosing the right food to eat or advocating for structural transformation our concerted endeavours start with an appropriate appreciation of the nature of our well being which includes the planet s well ness This book highlights a clear pathway forward to ensure collective healing and co flourishing with nature we must practise the art of loving

Matthew and the Margins Warren Carter, 2005-02-15 This detailed commentary presents the gospel of matthew as a counter narrative showing that it is a work of resistance written from and for a minority community of disciples committed to Jesus the agent of God s saving presence It was written and functions to shape the identity and lifestyle of the early community of Jesus followers as an alternative community that can resist the dominant authorities both in Rome and in the synagogue The Gospel anticipates the time when Jesus will return and establish God s reign over all including the powers in Rome
