

A dramatic sunset or sunrise over a body of water. The sky is filled with vibrant orange and yellow clouds, with the sun partially visible on the left. In the foreground, a large, dark, rocky island or headland juts out into the water, silhouetted against the bright sky. The water is dark and calm.

For you see, each day I love you
more. Today more than yesterday
and less than tomorrow.

The Pervigilium Veneris William M. Barton,2018-05-03 This study provides a critical edition of the Pervigilium Veneris with a Latin text translation and commentary This late antique poem the Vigil of Venus is of unknown date and authorship It exists in four heavily corrupted manuscripts including the Codex Salmasianus as part of a collection of later Latin poetry compiled around the 6th Century AD Considerable attention has been paid to the piece since its first edition in the 16th century largely on account of its singularity mysterious origins and enigmatic final stanza in which the poet suddenly bursts into the piece lamenting his lost muse Despite this scholarly interest much work remained to be done in order to arrive at a more solid text of the poem and a more complete understanding of its meaning This new edition with detailed commentary notes and a full introduction to the historical and literary contexts of the poem furthers our knowledge by offering new perspectives and analysis incorporating existing scholarship and reviving ideas that had previously been set aside
