discover our way to belong within our particular experience of times and events Instead of an operating manual our families and cultures give us expectations for who we are and what is our place in the world This is the story of my journey into the calling of motherhood that I did not understand and struggled to reject Conscientious wrestling with the experiences of motherhood eventually taught me how entangled love and anger can be and how suffering is inseparable from both Finally a deeper call to love confronted me *Collage in Twenty-First-Century Literature in English* Wojciech Drag,2019-11-12
