The Modern Library Collection of Greek and Roman Philosophy 3-Book Bundle Marcus Aurelius, Plato, Aristotle, 2012-08-06 In the long history of philosophy and literature few have been so widely read and admired as the great thinkers of Greece and Rome For modern audiences this eBook bundle which collects the Modern

Library editions of three classics Marcus Aurelius Meditations Selected Dialogues of Plato and The Basic Works of Aristotle is the perfect introduction to the foundation of modern knowledge Accompanied by insightful accessible commentary from some of today s top scholars including Gregory Hays Hayden Pelliccia and C D C Reeve this is a collection of ideas that changed the world and have truly stood the test of time MEDITATIONS Marcus Aurelius succeeded his adoptive father as emperor of Rome in A D 161 and Meditations remains one of the greatest works of spiritual and ethical reflection ever written The Meditations have become required reading for statesmen and philosophers alike while generations of readers have responded to the straightforward intimacy of the leader s style In Gregory Hays s seminal translation Marcus s thoughts speak with a new immediacy Never before have they been so directly and powerfully presented SELECTED DIALOGUES OF PLATO In this volume Hayden Pelliccia has revised five of Benjamin Jowett s translations of Plato classics in their own right to produce a fresh modern take that Library Journal calls a needed and welcome addition to the translations of the Dialogues Here are Ion Protagoras Phaedrus and the famous Symposium which discuss poetry the Socratic method rhetoric psychology and love Most dramatically Apology puts Socrates art of persuasion to the ultimate test defending his own life THE BASIC WORKS OF ARISTOTLE Preserved by Arabic mathematicians and canonized by Christian scholars Aristotle s works have shaped Western thought science and religion for nearly two thousand years and Richard McKeon s edition has long been considered the best available one volume Aristotle Here are selections from the Organon On the Heavens The Short Physical Treatises Rhetoric among others and On the Soul On Generation and Corruption Physics Metaphysics Nicomachean Ethics Politics and Poetics in their entirety Love and Lust Theodor Reik, 2017-07-05 These selections from Theodor Reik s work concern the love life and sexual activity of men and women Reik establishes the theme of this work in the following way The sex urge hunts for lustful pleasure love is in search of joy and happiness Over a third of this volume had never been published in book form before it originally appeared half a century ago Its appearance in paperback for the first time is a welcome addition to current debates liberated from ideological and political constraints The first part of the book is so far ahead of its time that it is still current It reveals Reik s departure from Freud s theories and from those of most of his contemporaries in psychology and psychoanalysis Part Two is a greatly abbreviated version of Masochism in Modern Man retaining those parts with a direct bearing on the subject of this volume Part Three offers two essays on why people remain single In the author s usual direct style they deal with the marriage shyness of the male and the psychological fears and resistance of both men and women to acceptance of the marriage bond Part Four is Reik at his wisest The first lady whom I asked to read the manuscript said smilingly Many of your impressions about us women are correct No man should read the book A few seconds later she said Or rather every man should read the book As Paul Roazen noted in contrast to some of Freud s other followers Reik was prescient early on in distinguishing self love from narcissism Reik believed that genuine self regard was the ultimate basis for developing the capacity to love At times Reik seems to defend women at times to critique them Yet he writes with sympathy

and understanding He challenges other authorities who have written on the subject but he also agrees with many of them Love and Lust is civilized writing at its most provocative Reik is authoritative and his book reflects the glow of a rich personal life

Marion, Love, and Nihilism Matthew C. Kruger, 2024-11-19 The foundation of this book is the work of Jean Luc Marion who writes at length about the problems of vanity and nihilism and offers an answer in love specifically Christian love A complication that arises however is that Marion argues that love is absent in the respective responses to nihilism of Friedrich Nietzsche and Martin Heidegger two figures who play a key role in the development of his thought and who also have their own notions of love In Marion Love and Nihilism Matthew C Kruger explores this series of questions by providing first an overview of the responses to nihilism found in these figures then a close reading of Marion's thoughts on the matter before moving to accounts of the concept of love in Nietzsche and Heidegger The book then finishes with a further critique of Marion's work relying on the thought of Nishitani Keiji Kruger argues that while Marion correctly identifies an answer in love as did Heidegger Nietzsche and Nishitani in their own ways Marion's thought ends in world denial and thus fails find a complete answer to nihilism

The Metaphysics of Love Frederick D. Wilhelmsen, 1962 *Kierkegaard and the Problem of Self-Love* John Lippitt, 2013-04-25 The problem of whether we should love ourselves and if so how has particular resonance within Christian thought and is an important yet underinvestigated theme in the writings of Søren Kierkegaard In Works of Love Kierkegaard argues that the friendships and romantic relationships which we typically treasure most are often merely disguised forms of selfish self love Yet in this nuanced and subtle account John Lippitt shows that Kierkegaard also provides valuable resources for responding to the challenge of how we can love ourselves as well as others Lippitt relates what it means to love oneself properly to such topics as love of God and neighbour friendship romantic love self denial and self sacrifice trust hope and forgiveness The book engages in detail with Works of Love related Kierkegaard texts and important recent studies and also addresses a wealth of wider literature in ethics moral psychology and philosophy of religion
