Lunar Vampire Chronicles: H.S. Darke, 2015-10-09 Bridget Felderman was an investigative journalist investigating the disappearance of a drug addict stripper named Sam in Baltimore who allegedly later re emerged as a vampire from a mysterious group called The Order
Oddly before Bridget could publish her work she approached me H S Darke a colleague of hers and bequeathed to me all of her research and notes and then she apparently died shortly thereafter
Her Death Certificate read Cause of Death Natural Causes As she was no longer with us I published her version under my name in 2013 Years later I was approached by interested parties
some who were rather mysterious fascinating and a few frankly a little intimidating but they insisted I write the true version of events so I agreed I was led to believe that the original published version was a corrupted narrative built around a rather Bridget centric slant
Therefore I was instructed to add as little color as possible to the actual events that took place so that the interested parties legacy in novel form be accurate enough to imbue respect and possibly fear for
