Plato and the Question of Beauty Drew A. Hyland, 2008-05-28 Drew A Hyland one of Continental philosophy's keenest interpreters of Plato takes up the question of beauty in three Platonic dialogues the Hippias Major Symposium and Phaedrus What Plato meant by beauty is not easily characterized and Hyland's close readings show that Plato ultimately gives up on the possibility of a definition Plato's failure however tells us something important about beauty that it cannot be reduced to logos Exploring questions surrounding love memory and ideal form Hyland draws out the connections between beauty the possibility of philosophy and philosophical living This new reading of Plato provides a serious investigation into the meaning of beauty and places it at the very heart of philosophy

Martyrdom, Mysticism and Dissent Asghar Seyed-Gohrab, 2021-08-23 This book is the first extensive research on the role of poetry during the Iranian Revolution 1979 and the Iran Iraq War 1980 1988 How can poetry especially peaceful medieval Sufi poems be applied to exalt violence to present death as martyrdom and to process war traumas Examining poetry by both Islamic revolutionary and established dissident poets it demonstrates how poetry spurs people to action even leading them to sacrifice their lives The book's originality lies in fresh analyses of how themes such as

martyrdom and violence and mystical themes such as love and wine are integrated in a vehemently political context while showing how Shiite ritual such as the pilgrimage to Mecca clash with Saudi Wahhabi appreciations A distinguishing quality of the book is its examination of how martyrdom was instilled in the minds of Iranians through poetry employing Sufi themes motifs and doctrines to justify death Such inculcation proved effective in mobilising people to the front ready to sacrifice their lives As such the book is a must for readers interested in Iranian culture and history in Sufi poetry in martyrdom and war poetry Those involved with Middle Eastern Studies Iranian Studies Literary Studies Political Philosophy and Religious Studies will benefit from this book From his own memories and expert research the author gives us a ravishing account of a poetry stained with blood violence and death His brilliantly layered analysis of modern Persian poetry shows how it integrates political and religious ideology and motivational propaganda with age old mystical themes for the most traumatic of times for Iran Alan Williams Research Professor of Iranian Studies University of Manchester When Asghar Seyed Gohrab a highly prolific academician publishes a new book you can be certain he has paid attention to an exciting and largely unexplored subject Martyrdom Mysticism and Dissent The Poetry of the 1979 Iranian Revolution and the Iran Iraq War 1980 1988 is no exception in the sense that he combines a few different cultural religious mystic and political aspects of Iranian life to present a vivid picture and thorough analysis of the development and effect of what became known as the revolutionary poetry of the late 1970s and early 1980s This time he has even enriched his narrative by inserting his voice into his analysis It is a thoughtful book and a fantastic read Professor Kamran Talattof University of Arizona

Premodern Rulers and Postmodern Viewers Janice North, Karl C. Alvestad, Elena Woodacre, 2018-02-01 Pop culture portrayals of medieval and early modern monarchs are rife with tension between authenticity and modern mores producing anachronisms such as a feminist Queen Isabel in RTVE's Isabel and a lesbian Queen Christina in The Girl King This book examines these anachronisms as a dialogue between premodern and postmodern ideas about gender and sexuality raising questions of intertemporality the interpretation of history and the dangers of presentism Covering a range of famous and lesser known European monarchs on screen from Elizabeth I to Muhammad XII of Granada this book addresses how the lives of powerful women and men have been mythologized in order to appeal to today's audiences The contributors interrogate exactly what is at stake in these portrayals namely our understanding of premodern rulers the gender and sexual ideologies they navigated and those that we navigate today

Heads Or Tails Jochen Hörisch,2000 Examines the role of money in modern German literature Using examples from Goethe Gotthelf Holderlin and others to demonstrate the intersecting worlds of literature and finance the author argues that money like literature has no intrinsic value but is at the same time a necessity

The Flesh of Being David Ross,2008-12-18 The text is a conversation between the author and himself mediated by the text of Friedrich Nietzsche s Thus Spoke Zarathustra The text is a pre text a reading both before and after that frames the art work What is that Let us say in the spirit of inquiry that of knowing thyself What then of this strange hyphenation The present text is a pre text because it is before the Text the text which the author is always writing but which manifests itself in sporadic impulsive bursts in the form of actual works The book is the pre text because it is an excuse a rationale a piece of pretension The book is not about Nietzsche but what it is for someone to read Nietzsche s text a book for everyone and no one How then does one read a book meant for oneself if oneself is everyone and not at all for oneself if oneself is none Or is it that the real task of reading is for

the reader to read what reading is Then again need one distinguish between book and text Perhaps it is impossible to read a book such as Thus Spoke Zarathustra without invoking the text or even sub text that continually slips away If one can read a book one cannot the text for this reason the text is what the reader has to write through the reading This has been my experience with Nietzsche s text an experience I share with my readers The very possibility of reading invokes the need to re write the text Only in the space between reading and writing can the reader re writer hope to stand and understand the discursive grounds Is that the play which this couplet performs There does not the reader enters upon the playground Read then and play The author s thanks go to Mr Andrew Fuyarchuk for the fine editing job that he did His contribution allowed further clarifications of the argument
