Love Beyond the Grave

Hans Holzer, 2020-05-03 To most people, man is a highly advanced organism whose life depends on the continuing performance of both his body and his mind. To some, they are inseparable: when the body dies, so does the mind. But there are many people who see man as the sum of many equal but independent parts that have an existence quite different from and beyond the physical body. These people accept the existence of the spirit as the eternal factor of human life, believing that this part of man does not die when the body dies but continues its existence beyond death. According to Dr. Hans Holzer, author of *Love Beyond the Grave* and many other books on the spiritual world, we already have a wealth of hard evidence regarding this next state of existence. Strong emotions are considered essential in order to make contact with someone from the spiritual world. We usually equate such emotions with anger or with crimes of passion. Dr. Holzer believes that love is also a strong enough emotion to enable people in the physical world to contact those of the spiritual. And in *Love Beyond the Grave*, he gives many examples of such relationships, including Sally and the Highwayman, The Case of the Spurned Lover, The Strange Case of the Psychic Callgirl, The Ghostly Bedmate, and The Affair. Death Could Not Stop This. This is an extraordinary collection of twenty-one cases of love beyond the grave, all based on sound scholarship and hard facts proving once again that there are more things in heaven and earth than are dreamed of in our philosophy.
