Love Commands In The New Testament:

Love Commands in the New Testament Pheme Perkins,1982-01-01 **A Theology of the New Testament** George Eldon Ladd,1993-09-02 Ladd's magisterial work on New Testament theology has well served scores of seminary students since 1974. Now this comprehensive standard evangelical text has been carefully revised by Hagner to include an update of Ladd's survey of the history of the field of New Testament theology, an augmented bibliography, and an entirely new subject index. *The Love Command in the New Testament* Victor Paul Furnish,1972 **The New Testament and Bioethics** R. Dennis Macaleer,2014-01-01 Beauchamp and Childress's *Principles of Biomedical Ethics* is a well accepted approach to contemporary bioethics. Those principles are based on what Beauchamp and Childress call the common morality. This book employs New Testament theological themes to enhance the meaning of those principles of bioethics. The primary New Testament text for this study is the twin commands from Jesus to love God and love one's neighbor. The three theological themes developed from this study: the image of God, the covenant, and the pursuit of healing, are deeply embedded in the New Testament and in the ministry of Jesus. Three contemporary bioethics principles are used for this dissertation based on The Belmont Report. They are the principles of respect for persons, justice, and beneficence. In each case, the theological themes are shown to enhance the meaning of these bioethics principles. Each of the three principles, as understood through the three theological themes, is applied to a current bioethics issue to demonstrate the efficacy of this approach. The three current issues addressed are the withdrawal or withholding of life-sustaining treatment, the distribution of health care in the United States, and the use of palliative care. **The New Testament and Ethics** Joel B. Green,2013-12-03 This convenient text utilizes material from the well-received *Dictionary of Scripture and Ethics* to introduce students to the use of the New Testament for moral formation. This handy and affordable book, by book survey of the New Testament, contains key articles written by leading scholars and targeted to the needs of the classroom. It will serve as an excellent supplementary text in New Testament courses. The stellar list of contributors includes Robert Brawley, Bruce Chilton, Charles Cosgrove, David deSilva, Victor Paul Furnish, and Glen Harold Stassen. *The Gospel of Mark* John R. Donahue, Daniel J. Harrington,2005 In *The Gospel of Mark*, Fathers Donahue and Harrington use an approach that can be expressed by two terms currently used in literary criticism: intratextuality and intertextuality. This intratextual and intertextual reading of Mark's Gospel helps us to appreciate the literary character, its setting in life, and its distinctive approaches to the Old Testament, Jesus, and early Christian theology. Intratextuality means we read Mark as Mark and by Mark. Such a reading expresses interest in the final form of the Gospel, not its source or literary history, and in its words and images, literary devices, literary forms, structures, characterization, and plot. Reading Mark by Mark gives particular attention to the distinctive vocabulary and themes that run throughout the Gospel and serve to hold it together as a unified literary production. Intertextuality comprises the relation between texts and a textual tradition, and also referring to contextual materials not usually classified as texts. e.g.

archaeological data Intertextuality is used to note the links of the text of Mark's Gospel to other texts especially the Old Testament and to the life of the Markan community and of the Christian community today Dictionary of Jesus and the Gospels Joel B. Green, Scot McKnight, I. Howard Marshall, 1992-02-18 Edited by Joel B Green Scot McKnight and I Howard Marshall this reference work encompasses everything relating to Jesus and the Gospels **Mapping the New Testament** Serge Ruzer, 2007 This volume consists of eight chapters dealing with a selected topic in New Testament biblical interpretation its inherited elements and its relevance for better understanding of wider Jewish exegetical trends New Testament Ethics Frank J. Matera, 1996-01-01 Neither Jesus nor Paul developed a formal ethical system yet each left a moral legacy that forms the core of New Testament ethics In this book Frank Matera examines the ethic found in the teachings of Jesus and Paul He explores the broad range of moral concerns found in these writings and finds an identifiable unity that underlies the ethical teachings of both **Commentary on the New Testament Use of the Old Testament** G. K. Beale, D. A. Carson, 2007-11-01 Christianity Today 2008 Award of Merit Biblical Studies Readers of the New Testament often encounter quotes or allusions to Old Testament stories and prophecies that are unfamiliar or obscure In order to fully understand the teachings of Jesus and his followers it is important to understand the large body of Scripture that preceded and informed their thinking Leading evangelical scholars G K Beale and D A Carson have brought together a distinguished team to provide readers with a comprehensive commentary on Old Testament quotations allusions and echoes that appear from Matthew through Revelation College and seminary students pastors scholars and interested lay readers will want to add this unique commentary to their reference libraries **1 Peter** Donald Senior, Daniel J. Harrington, 2003 Crisis in the church is not a new phenomenon In fact the church has always been and probably always will be involved in some kind of crisis Even in the apostolic period which is regarded by many as the church's golden age there were serious crises coming both from the outside as in 1 Peter and from the inside as in Jude and 2 Peter The three short New Testament letters treated in 1 Peter Jude and 2 Peter illustrate the problems early Christians faced as well as the rhetorical techniques and theological concepts with which they combated those problems In the first part of this volume Donald Senior views 1 Peter as written from Rome in Peter's name to several churches in northern Asia Minor present day Turkey in the latter part of the first century C E The new Christians addressed in 1 Peter found themselves aliens and exiles in the wider Greco Roman society and suffered a kind of social ostracism But they are given a marvelous theological Vision of who they have become through their baptism and pastoral encouragement to stand firm They are shown how to take a missionary stance toward the outside world by giving the witness of a holy and blameless life to offset the slander and ignorance of the non Christian majority and possibly even to lead them to glorify God on the day of judgment In the second part of this volume Daniel Harrington interprets Jude and 2 Peter as confronting crises in the late first century that were perpetrated by Christian teachers who are described polemically as intruders in Jude and as false teachers in 2 Peter In confronting the crises within their churches the authors

appeal frequently to the Old Testament and to early summaries of Christian faith While Jude uses other Jewish traditions 2 Peter includes most of the text of Jude as well as many distinctively Greek terms and concepts It is clear that for the authors despite their different social settings what was at stake was the struggle for the faith Daniel J Harrington SJ is a professor of New Testament at Weston Jesuit School of Theology in Cambridge Massachusetts and general editor of New Testament Abstracts He is a past president of the Catholic Biblical Association of American and the editor of the Sacra Pagina series He also wrote The Gospel of Matthew in the Sacra Pagina series Donald Senior CP is a professor of New Testament studies and president of Catholic Theological Union in Chicago He was recently appointed by Pope John Paul II to the Pontifical Biblical Commission General editor of The Bible Today he also co edited The Collegeville Pastoral Dictionary of the Bible and the 22 volume international commentary series New Testament Message and he wrote the four volume The Passion series published by The Liturgical Press

Carter,2010-02-03 What is Paul's theology of material possessions and where did it come from Through demonstrating continuity in the broad fiscal thought of Jesus and Paul Carter suggests that Paul owes his financial thought to the great sermon tradition Carter establishes this by assessing Paul's historical environment and extant writings to display the plausibility that Paul knew the dominical tradition Carter goes on to assess the likelihood that Paul knew the pre synoptic sermon tradition because of its ubiquity in early church discipleship The study finishes with the conclusion that Jesus and Paul's financial thought displays remarkable symmetry which cannot be explained merely by a common cultural environment Consequently it is deemed highly likely that Paul depends on the dominical tradition for the contours of his financial thought *Paul's Letter to the Romans* Douglas J.
