Love From Shakespeare To Coward An Enlightening Entertainment:

Love from Shakespeare to Coward Elizabeth Sharland, 1999 Sharland's dramatic anthology provides a fascinating window onto the lives and careers of the cream of the British acting profession. The combination of plays, poems and extracts from the letters and diaries of the stars makes for a uniquely stimulating performance. Sheridan Morley Playbill Forthcoming Books Rose Army, 2002 *Theatre Magazine* W. J. Thorold, Arthur Hornblow, Arthur Hornblow (Jr.), Perriton Maxwell, Stewart Beach, 1916 *Theatre Magazine*, 1916 William Shakespeare: His influence, 1985 Contains sixty original essays by historians, scholars, critics, writers and actors which provide a variety of perspectives on the world work and influence of sixteenth century playwright and poet William Shakespeare *So You Want to Be a Scriptwriter and Make a Million Dollars* Irving Elman, 2000 This book was written to fill a need when I started teaching script writing at Santa Monica College and my students asked me to name a book on the subject I could recommend. After voluminous reading I could find nothing which was completely satisfactory. Most of it seemed to have been written by people who had never written professionally for films and or television and thus had no first hand knowledge of it from personal experience. The books were written from hearsay and observation like trying to learn how to swim by standing at the edge of a pool and watching others do it without ever getting into the water yourself. Or trying to fly by flapping your arms like a bird. It doesn't work. They have no hands on or wings on concept of how commercially produceable scripts are actually put together and then marketed and are of no real practical help to the beginning writer or anyone else who's interested. Only a swimmer or a bird or a writer who has made his living at it really knows how his special trick is done and can pass it on to others. And so here it is. Enjoy while you learn. Because if writing isn't fun it's no way to make a living. Rob banks instead but try not to get caught **The Biography Book**

Daniel S. Burt, 2001-02-28 From Marilyn to Mussolini people captivate people. A.E.'s Biography best selling autobiographies and biographical novels testify to the popularity of the genre. But where does one begin? Collected here are descriptions and evaluations of over 10,000 biographical works including books of fact and fiction, biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians. Each entry includes a brief profile, autobiographical and primary sources and recommended works. Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals.
