

Forever Love Poem for HIM

By Maya Anthony

Together we walk, hand in hand,
Through life's shifting sands,
In your eyes, a promised land,
Where true love forever stands.

In every smile, in every tear,
Our love stands time's test,
In every joy, in every fear,
In your heart, I find rest.

Through years, our love has grown,
Strong, steadfast, and pure,
In your arms, I've always known,
Our love will endure.

Love Him Forever:

The Voice of the Seven Thunders George Kevyn Weber, 2014-07-21 There is no time for the people of the world to waste to decide to change their ways and their ways of living The world is in a crisis that it has not been in before Actually the world has been in countless crises in the past before disaster calamity or catastrophe struck the people of the earth We are not talking of crises of natural disasters calamities or catastrophes that have hit the earth we are talking about man made man engineered and man designed disasters calamities and catastrophes that have hit the world from time to time History is full of them and apart from those natural disasters caused by God or the Devil themselves the rest were caused by man themselves Now this revelation is not about the natural but about the spiritual Power mad dictators rulers and potentates the world over are normally the cause of these disasters calamities and catastrophes and nature has little to do with them although they did affect nature in some way or another Small and great Wars were started by whosoever caused them without any due regard of mens lives and the resultant horrors hardships and horrendous pain lived on in the hearts and lives of the people that survived No one can add these things up nor can they count the cost in human suffering misery and pain nor the cost of mens souls lost all for the sake of mans vanity The current synopsis is catchy and intriguing This synopsis is well written and it will entice readers into picking this book up and reading it Cynthia Sherman Writers Literary Publishing Services Critique Division Catalog of Copyright Entries Library of Congress. Staying Alive Jason K. Swedene, 2009-09-09 *Staying Alive* explores the desire to live forever which manifests itself in many forms and forums Many throughout history have measured their self worth by the metric of how they will stay alive one wants fame another needs children One wants to leave behind a personalized legacy another wants to leave behind the world and enjoy the bliss of heaven The author s self expressed aim has been simply to write a readable book that will afford the reader an increased sensitivity to the many ways the desire for immortality has shaped history philosophy art and literature The thought that this analysis of human longing and culture provokes transcends any one way of approaching these disciplines It searches for and connects deeply personal pursuits with greater collective trends
