Love In Two Languages:

Love in Two Languages Abdelkebir Khatibi,1990 Told as a love story between a French woman and a North African Arab man this novel explores the complex issues surrounding the colonialist relationship between cultures Annotation copyrighted by Book News Inc Portland OR

Unselfing Michaela Hulstyn,2022-08-31 Altered states of consciousness including experiences of deprivation pain hallucination fear desire alienation and spiritual transcendence can transform the ordinary experience of selfhood Unselfing explores the nature of disruptive self experiences and the different shapes they have taken in literary writing The book focuses on the tension between rival conceptions of unselfing as either a form of productive self transcendence or a form of alienating self loss Michaela Hulstyn explores the shapes and meanings of unselfing through the framework of the global French literary world encompassing texts by modernist figures in France and Belgium alongside writers from Algeria Rwanda and Morocco Together these diverse texts prompt a re evaluation of the consequences of the loss or the transcendence of the self Through a series of close readings Hulstyn offers a new account of the ethical questions raised by altered states and shows how philosophies of empathy can be tested against and often challenged by literary works Drawing on cognitive science and phenomenology Unselfing provides a new methodology for approaching texts that give shape to the fringes of conscious experience

LANGUAGE OF LOVE Gusti Astika, 2025-10-27 Language of Love Bridging Cultures One Heart at a Time tells a heartwarming cross cultural romance between Rini a spirited Indonesian student and Kenji a kind hearted Japanese exchange student who meet by accident on a bustling university campus in Jogjakarta What begins with a comical coffee mix up soon blossoms into a friendship filled with laughter misunderstanding and discovery As Rini and Kenji navigate their linguistic and cultural differences they create a unique bond that grows through shared humor and patience

From misheard invitations come and land instead of gamelan to culinary adventures with nasi goreng and onigiri their story unfolds with delightful chaos and tenderness English lessons become moments of connection and even their mistakes like an apology letter where apologize turns into apple juice bring them closer Through music dance and food the couple learn that love often speaks louder than words Kenji s fascination with Javanese traditions and Rini s openness to Japanese culture show how curiosity can bridge worlds Their growing affection culminates in heartfelt moments a love haiku a shy proposal in broken English and a shared dream of a future that unites their two cultures When distance separates them daily messages and letters sustain their bond turning language learning into love letters of perseverance Kenji s bridge metaphor captures their journey two hearts meeting halfway across cultures and miles Their eventual reunion symbolized by a handmade batik scarf rekindles their dream of building a life together The story concludes with a joyful celebration of unity a bilingual wedding that blends Javanese and Japanese traditions filled with laughter family warmth and heartfelt vows in three languages As they begin a new chapter traveling the world together Rini and Kenji reflect on how their love born from miscommunications and courage became a living proof that the truest language of love needs no translation

The Paradox of Love Pascal Bruckner, 2012-02-13 A provocative reflection on the dilemmas of modern love The sexual revolution is justly celebrated for the freedoms it brought birth control the decriminalization of abortion the liberalization of divorce greater equality between the sexes women s massive entry into the workforce and more tolerance of homosexuality But as Pascal Bruckner one of France s leading writers argues in this lively and provocative reflection on the contradictions of modern love our new freedoms have also brought new burdens and rules without however wiping out the old rules emotions desires and arrangements the couple marriage jealousy the demand for fidelity the war between constancy and inconstancy It is no wonder that love sex and relationships today are so confusing so difficult and so paradoxical Drawing on history politics psychology literature pop culture and current events this book a best seller in France exposes and dissects these paradoxes With his customary brilliance and wit Bruckner traces the roots of sexual liberation back to the Enlightenment in order to explain love s supreme paradox epitomized by the 1960s oxymoron of free love the tension between freedom which separates and love which attaches Ashamed that our sex lives fail to live up to such liberated ideals we have traded neuroses of repression for neuroses of inadequacy and we overcompensate Our parents lied about their morality Bruckner writes but we lie about our immorality Mixing irony and optimism Bruckner argues that when it comes to love we should side neither with the revolutionaries nor the reactionaries Rather taking love and ourselves as we are we should realize that love makes no progress and that its messiness surprises and paradoxes are not merely the sources of its pain but also of its pleasure and glory
