Love Looks Beyond Death:

Looking Beyond Joseph O. Barrett, 1872 **Sex As Symbol** Ph. D. Alvin Kuhn, 2005-12-01 There is a fell quality to the mating urge that gives it the force of a natural and unimpeachable authority which appears for a time to sweep away every obstacle and override the obstructing power of every consideration whether of advantage or injury It carries a virtual cosmic sanction with it from Love and Hate How does gender and the sex drive manifest itself across human cultures How is the dual nature of humanity male and female spiritual and physical animal and divine expressed in the tangible world Alvin Boyd Kuhn a prominent proponent of the early 20th century doctrine of theosophy which sought to find the universal truths that underlie all human religions here explores the hidden connections across cultures that unify rites and customs found around the globe circumcision the secondary status of women myths about communion with deities and more In fluid prose that approaches a stream of consciousness reverie this treatise seeks to uncover a fundamental basis for human ideas about sex gender and love American philosopher and scholar of comparative religion ALVIN BOYD KUHN 1880 1963 is also the author of Theosophy 1930 and The Lost Light 1940 **Sabina Spielrein:** Coline Covington, Barbara Wharton, 2015-05-08 Sabina Spielrein is perhaps best known for her love affair with her doctor Carl Gustav Jung Their intense therapeutic relationship led to a mutual fascination that lasted for Spielrein for the rest of her life It is debatable whether Spielrein and Jung's relationship was consummated but it did give birth to some of the most important ideas within psychoanalysis and analytical psychology today the most notable being that of the death instinct But what happened to Spielrein and why have her story and work remained in the dark for so many years This second edition of Sabina Spielrein Forgotten Pioneer of Psychoanalysis complements the first edition by retaining many of the most important documents about her life and work Included in this edition are Jung's hospital records of his treatment of Spielrein Jung's letters to Spielrein following her discharge in 1905 extracts from her personal diary and her ground breaking paper on the development of language The origin of the child's words Papa and Mama New material includes Spielrein's famous paper Destruction as a cause of coming into being in which she formulates her theory of the death drive a paper describing her place and contribution within Freud's Vienna Circle commentaries on the mutual erotic transference between Spielrein and Jung and a theoretical discussion of her seminal ideas on aggression This new edition compiles the essential writings of Spielrein along with commentaries by prominent psychoanalytic and Jungian scholars It is the definitive source book on Spielrein for clinicians scholars and historians of psychoanalysis Coline Covington Ph D is a training analyst of the Society of Analytical Psychology and the British Psychotherapy Foundation She is former editor of the Journal of Analytical Psychology and former chair of the British Psychoanalytic Council She is in private practice in London **To Me With Love: Looking Beyond the Pain of the Past to Find Self-Acceptance** Tambre Ross, 2020-02-21 Sometimes the strongest souls come from the toughest adversities After facing years of verbal and physical abuse and repression at the hands of those whom she loved the most Tambre Ross had

nowhere else to turn except to her angels After breaking free from the toxic bonds of abuse Tambre was finally able to fully immerse herself in the love of the angels around her When her guardian angel gave her a foreboding warning about pain to come she had no choice but to hone her gift trust in God and learn to find her purpose in the journey so she could perhaps once again be hopeful for tomorrow

Love Beyond Death Rudolph Binion,1993-02 Identifies a trend in 19th century art and literature that reconciled love and death demonstrates how it constituted a break from ideas in the premodern era and surveys some of its modern manifestations Annotation copyright by Book News Inc Portland OR

Love Works Ned Wisniewski,2025-05-20 Is it God's will that the world be destroyed That is no longer a believable idea This book starts from the assumption that God has nothing to do with the destruction of the world To account for these facts rather we must look at the deep darkness depicted in the Bible that threatens to return the world to a formless void With that assumption this book proposes a biblical theology that shows how faith and hope can align with our scientific and ethical understandings and how such a thoughtful faith will be active in love So understood the love of God looks less like the love a parent has for a child than the challenging risky love a leader has for disciples whose word to them is follow me In this way we see that love works love is active and love succeeds in defeating the corruption and violence that threaten to destroy our world That's the gospel truth

Religion, Belief and Unbelief Antoon Vergote,2024-03-11 This book focuses attention on the central elements of human religious existence Vergote's primary aim and viewpoint are clear to examine empirically and to interpret dynamically the psychological factors at work in the field of religion Vergote consistently adheres to the position that psychology is neither philosophy nor theology and that its task is not to explain religion In this work he situates religion

as a cultural fact and studies how persons orient themselves to it positively and or negatively Rather than emphasise and juxtapose belief and unbelief as alternative positions he sees them as threads of experiences interwoven throughout the human existence of persons and institutions In this context he studies motivations and their ambivalences religious experiences and their ambiguities conflicts between religious belief and unbelief and the various expressions and practices of religion
