Adams,2013-07-09 Fourteen brilliant new reviews from the author of A Love of Reading Passionate thought provoking and witty A Love of Reading the Second Collection contains 14 new reviews of modern classics from a discriminating highly entertaining and prodigiously well read guide In a stimulating selection ranging from Margaret Atwood s Alias Grace to Zadie Smith s White Teeth and from Charles Frazier s Cold Mountain to Sheri Holman s The Dress Lodger popular literary critic Robert Adams skilfully interweaves a nimble and enlightening discussion of plot theme and characterization with fascinating historical biographical and literary context Adams is repeatedly drawn to the spectacle of less than perfect humans making their way in a hostile world and as a result his reviews are a hugely satisfying mix of rich pathos and abundant humour In the words of the Calgary Herald they are a bibliophile s dream **Reading Theories in**

Contemporary Fiction Lisa McNally,2013-04-25 Even after the upheavals wrought by Theory literary criticism has generally ignored the act and experience of reading itself proceeding as though something so fundamental to our experience of texts could be taken for granted Reading Theories in Contemporary Fiction draws on deconstruction and the thought of Jacques Derrida to explore the ways in which contemporary fiction engages with reading its power the elusive nature of its experience and the failures of understanding inherent in it Along the way the book proceeds through close readings of such authors as J M Coetzee David Mitchell Toni Morrison and Philip Roth **Canadian Books in Print. Author and Title**

Index ,1975 **Literacy in America** Lawrence R. Samuel,2024-05-07 Literacy in America A Cultural History of the Past Century is a history of literacy in the United States over the last one hundred years Told chronologically and supported by hundreds of research studies done over the years as reported in scholarly journals the work sheds new light on the important role that literacy and reading in general have played in this country since the 1920s The subject is parsed through the voices of educators intellectuals and journalists who have weighed in on its many different dimensions Literacy is a key site of race gender and class offering insights related to the social and economic inequities that are embedded in our institutions The primary argument of Literacy in America is that literacy as a major part of education has functioned as a means of social control of children with authority figures dictating which reading material is acceptable and which is not Literacy has also operated as a vehicle of citizenship for Americans of all ages and as a symbol of the responsibilities of democracy With its ambitious scope the strives to be a seminal guide to literacy in America and add to our understanding of everyday life in the United States Most interesting perhaps is the twisting unpredictable journey of literacy since the end of World War I when I argue that the subject s modern era began Rather than follow a straight line both the perception and reality of reading

swerved over the years offering a trajectory that makes for a compelling narrative for anyone interested in American cultural and social history Controversy of some kind has often surrounded literacy in the United States this alone making it a fascinating source of interest to explore in detail The Self-Reflexive Art of Don DeLillo Graley Herren,2019-06-27 Don DeLillo has spent his career reflecting upon the creative processes of artists In recent years he has become increasingly drawn to spectators and how they project and indulge their own private obsessions through art The Self Reflexive Art of Don DeLillo is the first book devoted to this dimension of DeLillo s art It is also the first book to identify and analyze a signature DeLillo motif the embedded author In multiple novels short stories and plays DeLillo inserts a character subtly implied as the creator of the very narrative we are reading or watching Spanning his entire career but focusing primarily on his work from Underworld 1997 to Zero K 2016 The Self Reflexive Art of Don DeLillo breaks important new ground in DeLillo studies

Developing a Love of Reading and Books Angela Gill,Megan Stephenson,David Waugh,2021-02-10 nursing children read for pleasure and develop a life long love of reading is a priority for all primary school teachers The National Curriculum focuses heavily on promoting reading for pleasure and engaging pupils using a range of diverse and inclusive texts and materials This text supports trainee teachers working towards primary QTS and Early Career Teachers to understand the importance of supporting children to become readers enjoy reading for pleasure and develop higher level reading skills It includes guidance case studies and theoretical perspectives to show trainee teachers how they can develop children s reading **The Hebrew Bible in Contemporary Fiction and Poetry** Lena-Sofia Tiemeyer,2025-03-31 This book discusses 20th and 21st centuries literary retellings of biblical texts focusing on how fiction and poetry fill the extant narrative gaps present in the often sparse biblical accounts and align the narratives with theological and or cultural expectations of modern interpreting communities The chapters written by an international group of scholars explore biblical retellings in a variety of modern languages ranging from Korean and Chinese to Hebrew and Arabic Most of the contributions deal with retellings of the narrative books Genesis Exodus Judges Ruth 1 2 Samuel Daniel but a few are devoted to prophetic Hosea and poetic Psalms ones Another set of articles looks beyond specific biblical books and instead analyses how the Bible has been retold in different literary genres Children and YA literature sci fi and fantasy Christian Inspiration fiction and in modern political discourse North and South Korea All the chapters further highlight how literary retellings of the Bible form two way movements They reveal the often subversive quality of literary retellings retellings not only emphasise those nuances in the biblical texts that create unease but also problematise their standpoint and question their moral and theological message The Hebrew Bible in Contemporary Fiction and Poetry is suitable for students and scholars of biblical studies working on intertextuality and reception history It is also of interest to those working on comparative literature particularly with regards to the Hebrew Bible in popular culture and literature Literary Depictions of Dangerous Reading Kevin R. West,2019-04-15 Literary Depictions of Dangerous Reading explores how selected American and European literary texts from

the classic to the contemporary represent reading as a dangerous endeavor It investigates how the texts being read or the conditions of reading may produce danger and considers the various qualities of the dangers depicted literal or metaphorical real or imagined minor or mortal Whereas readers can readily imagine being depressed or bored by a book or even perhaps corrupted in some moral fashion readers typically assume that the mere words on a page cannot directly affect their health Nevertheless literature can and does stage readings in which readers suffer actual harm from the magical or supernatural qualities of a given text Such impossibly dangerous reading fascinates the author argues by exaggerating the dangers that may inhabit certain real experiences of reading Postmodern Love in the Contemporary Jewish Imagination Efraim

Sicher,2022-03-17 Offering a radical critique of contemporary Israeli and diaspora fiction by major writers of the generation after Amos Oz and Philip Roth this book asks searching questions about identity formation in Jewish spaces in the twenty first century and posits global transnational identities instead of the bipolar Israel diaspora model The chapters put into conversation major authors such as Jonathan Safran Foer Nicole Krauss Michael Chabon and Nathan Englander with their Israeli counterparts Zeruya Shalev Eshkol Nevo and Etgar Keret and shows that they share common themes and concerns Read through a postmodern lens their preoccupation with failed marriage and failed ideals brings to the fore the crises of home nation historical destiny and collective memory in contemporary secular Jewish culture At times provocative at others iconoclastic this innovative study must be read by anyone concerned with Jewish culture and identity today whether scholars students or the general reader The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license *American Monthly Review of Reviews* Albert Shaw,1929 The Journal of Commonwealth Literature ,2002 Issues for 1965 include section Annual bibliography of Commonwealth literature 1964 Contemporary Fiction and the Ethics of Modern Culture J.

Karnicky,2007-03-05 This book argues for the ethical relevancy of contemporary fiction at the beginning of the twenty first century Through reading novels by such writers as David Foster Wallace Richard Powers and Irvine Welsh this book looks at how these works seek to transform the ways that readers live in the world **Reading, Desire, and the Eucharist in**

Early Modern Religious Poetry Ryan Netzley,2011-01-01 The courtly love tradition had a great influence on the themes of religious poetry just as an absent beloved could be longed for passionately so too could a distant God be the subject of desire But when authors began to perceive God as immanently available did the nature and interpretation of devotional verse change Ryan Netzley argues that early modern religious lyrics presented both desire and reading as free loving activities rather than as endless struggles or dramatic quests *Reading Desire and the Eucharist* analyzes the work of prominent early modern writers including John Milton Richard Crashaw John Donne and George Herbert whose religious poetry presented parallels between sacramental desire and the act of understanding written texts Netzley finds that by directing devotees to crave spiritual rather than worldly goods these poets questioned ideas not only of what people should desire but also how

they should engage in the act of yearning Challenging fundamental assumptions of literary criticism Reading Desire and the Eucharist shows how poetry can encourage love for its own sake rather than in the hopes of salvation *The North American Review* Jared Sparks,James Russell Lowell,Edward Everett,Henry Cabot Lodge,1916 Vols 277 230 no 2 include Stuff and nonsense v 5 6 no 8 Jan 1929 Aug 1930 *Still Reading Romance* Josefine Smith,Kathleen W. Taylor Kollman,2025-04-01 In a world that commodifies feminism is adapting romance novels for small and big screen projects and the Romance Writers Association is evolving to a more inclusive representative group it is imperative for researchers to reevaluate the cultural assumptions and gender norming work happening in the romance genre It is time to question the cultural capital of traditional archetypes explore the experience of romance readers and question how romance and cultural studies researchers create quantitative qualitative and mixed methods research This work centers around a data set collected with a revised version of Janice Radway s Reading the Romance survey that will be shared with all the authors of this anthology By having access to this pool authors will have the opportunity to explore different elements of reader experience and cultural norms in romance fiction and potentially reflect on changes since Janice Radway s seminal work The norms and negotiations readers experience while consuming romance is especially interesting as romancelandia becomes a more mainstream part of popular culture with the popularity of Bridgerton and romance series like Ice Planet Barbarians exploding on BookTok No other book in romance or popular culture studies identifies a data set as the connecting element and to do so creates an exciting opportunity to create a more inclusive study of popular romance offer truly interdisciplinary research on the question of how readers read romance and generate diverse areas of future scholarship This edited volume explores multiple issues in romance fiction based on survey data from real romance readers An updated version of Janice Radway s influential survey looking at romance readers in the early 1980s this time scholars explore romance readers habits and attitudes in the twenty first century Each contributor in this volume uses the same survey data to make unique statements about gender intersectionality popular fiction and popular culture By using a common data set but approaching it from different perspectives this unique volume is able to apply multiple methodologies to the same subject **A History of the Book in America** David Paul Nord,Joan Shelley Rubin,Michael Schudson,2015-12-01 The fifth volume of A History of the Book in America addresses the economic social and cultural shifts affecting print culture from World War II to the present During this period factors such as the expansion of government the growth of higher education the climate of the Cold War globalization and the development of multimedia and digital technologies influenced the patterns of consolidation and diversification established earlier The thirty three contributors to the volume explore the evolution of the publishing industry and the business of bookselling The histories of government publishing law and policy the periodical press literary criticism and reading in settings such as schools libraries book clubs self help programs and collectors societies receive imaginative scrutiny as well The Enduring Book demonstrates that the corporate consolidations of the last half century have left space for
