Love Responds John H. Miller, 1990 **Moral Issues and Christian Responses** Patricia Beattie Jung, L. Shannon Jung, 2012-09-01 Previously published by Cengage Wadsworth this popular anthology for the study of Christian ethics has been a mainstay of undergraduate courses for nearly thirty years Shannon and Patricia Jung provide an introduction to contemporary moral issues from decidedly yet diverse Christian moral perspectives The anthology intentionally seeks a range of voices to produce a kind of point counterpoint discussion of the ethical issue Among the classic issues considered are sexuality and reproductive rights prejudice biomedical ethics the environment immigration terrorism war and globalization New issues include development ethics personal finance and consumerism workplace ethics health care and citizenship

Christian Morality Geoffrey W. Sutton, Brandon Schmidly, 2016-08-08 Should society care about Christian morality Are Christians out of touch with complex moral decision making *Christian Morality An Interdisciplinary Framework for Thinking about Contemporary Moral Issues* provides readers with a framework for identifying and applying Christian moral principles to divisive issues First readers learn of the theological and philosophical foundations of Christian ethics Two additional chapters explain how personal and social factors influence our capacity to think critically and Christianly about morality Second readers will learn about forming Christian moral judgments by seeing how different thinkers address six contemporary moral issues abortion same sex relationships equal treatment of men and women in the workplace sex education and racial bias in incarceration polices Theology and Literature: Rethinking Reader Responsibility G. Joseph, 2006-05-12 By examining theological and literary narratives through an engagement with well known theorists of reading and religion this collection of essays international in perspective brings together varied refreshing and provocative responses to well established literary and critical theories Catechist's Guide Thomas Zanzig, 2001 The Catechist's Guide is the heart and soul of the Confirmation preparation process Using solid doctrinal content active learning strategies and creative prayer services lesson plans for twenty three sessions include checklists of materials and preparations background for the catechist an outline and reflection questions for each session *Oliver O'Donovan's Moral Theology* Samuel Tranter, 2020-10-01 This book offers the first sustained full length treatment of the wide ranging work of major Anglican theologian Oliver O Donovon Analyzing such key texts as Resurrection and Moral Order The Desire of the Nations and Ethics as Theology Samuel Tranter shows that the relationship between eschatology and ethics is an area of significant tension in O Donovon's evolving vision of moral theology Tranter traces this tension as it relates to O Donovon's writing and contemporary discussion around natural law divine command and human flourishing as well as to particular topics such as poverty marriage and singleness and biotechnology He also connects it with the broader doctrinal features of O Donovon's project such as his accounts of creation sin and redemption and his understanding of the relationships between the cross and the resurrection on one hand and Christology and pneumatology on the other Throughout Tranter indicates the implications

of these themes for our understanding of the Christian life This volume establishes and evaluates O Donovan s influence on contemporary Christian ethicists and political theologians such as Luke Bretherton Gilbert Meilaender Jean Porter and Brent Waters and engages with critical readings of O Donovan such as those by Stanley Hauerwas and Gerald McKenny In conversation with these and other voices from a range of perspectives Tranter shows how O Donovan s proposals may be appropriated and amended as a resource for theology and ethics going forward Dictionary of Scripture and Ethics Joel B. Veritatis Splendor Eating Disorders and Misguided Moralism Megan Heeder Thinking with Kierkegaard Arne Grøn, 2022-12-31 Arne Grøn's reading of Søren Kierkegaard's authorship revolves around existential challenges of human identity. The 35 essays that constitute this book are written over three decades and are characterized by combining careful attention to the augmentative detail of Kierkegaard's text with a constant focus on issues in contemporary philosophy. Contrary to many approaches to Kierkegaard's authorship, Grøn does not read Kierkegaard in opposition to Hegel. The work of the Danish thinker is read as a critical development of Hegelian phenomenology with particular attention to existential aspects of human experience. Anxiety and despair are the primary existential phenomena that Kierkegaard examines throughout his authorship, and Grøn uses these negative phenomena to argue for the basically ethical aim of Kierkegaard's work. In Grøn's reading, Kierkegaard conceives human selfhood not merely as relational but also as a process of becoming the self that one is through the otherness of self-experience that is the body, the world, other people, and God. This book should be of interest to philosophers, theologians, literary studies scholars, and anyone with an interest not only in Kierkegaard but also in human identity.

Moral Discernment in the Christian Life James M. Gustafson, Theodoor Adriaan Boer, Paul E. Capetz, 2007-01-01. James M. Gustafson has been a leading and formative figure in the field of Christian ethics over the past fifty years. His many contributions to theological ethics have helped to define and shape ethical thinking by Christians who reflect on great moral issues. Gustafson's work must be dealt with by all students in this discipline, and his perceptive insights have given clarity and guidance to the process of moral discernment. The essays collected here are ones that have had a significant impact on discussions and debates over recent decades. The *Library of Theological Ethics* series focuses on what it means to think theologically and ethically. It presents a selection of important and otherwise unavailable texts in easily accessible form. Volumes in this series will enable sustained dialogue with predecessors through reflection on classic works in the field.

Through a Just Peace Ethic Eli McCarthy and Leo Lushombo Book Reviews **Homosexuality: How Should Christians Respond?** Richard F. Lovelace, 2002-04-30 In recent times the question of homosexual rights has burst upon the scene becoming a burning emotional controversy Many church leaders have become embroiled in debate and entire denominations are sharply divided over this issue Though the church has traditionally served as a moralistic commentator on the sidelines it now finds itself in the middle of this controversy Should self affirmed sexually active homosexuals be ordained as ministers Should they even be welcomed as fellow believers How should the Bible be interpreted and what is its role in ethical guidance of reason experience and the Holy Spirit Should the church tolerate a diversity of convictions and life styles in its sexual ethic In *Homosexuality How Should Christians Respond* Dr Richard F Lovelace deals with these questions from an evangelical point of view He presents the historic church position from Augustine to Theilicke and surveys and analyzes the literature of recent decades which challenges the historic position Biblical texts that speak specifically on homosexual behavior are studied extensively and brought into sharp focus by corollary Scripture passages This is an intensely practical book sensitively written to help the church reach out to the needs of homosexuals in constructive and compassionate ways
