E. Cummings, 2020-09-22 E E Cummings is one of the significant poets who has enriched American poetry with his innovative contributions His poetry reflects the transition from eroticism to transcendence from the world of knowledge to the realm of wisdom This collection of one hundred selected poems of Cummings spans the entire range of his creations from the early writings to poems created at the peak of his poetic career From being thought provoking and humorous to sensitive and profound portrayals these poems represent his creativity at its best **Opal Sunset: Selected Poems, 1958-2008** Clive James, 2010-03-22 A generous helping of James s very best guaranteed to lift the spirit and raise the eyebrow Billy Collins Opal Sunset marks the exuberant introduction of Clive James s poetry to an American audience Praised after the publication of Cultural Amnesia as one of the finest prose stylists of his generation Clive James is now with the publication of this collection being granted recognition as the poet he has always been For much of his long career it was hard to realize that James s gift for poetry underlay his

achievements in other fields First as a television critic on Fleet Street and later as a television personality in his own right he achieved such fame for writing the way he spoke that his poetry was regarded as an idiosyncratic sideline as if no celebrity could write worthy verse A conundrum presented itself how could a serious poet also be a television star But for James a duty to the discipline of verse was always fundamental and his accumulated poetic output became impossible to ignore As early as the 1970s James's long mock epic Peregrine Prykke's Pilgrimage through the London Literary World received almost unprecedented attention in his adopted England while later his satirical short poem The Book of My Enemy Has Been Remaindered became not only a standard verse quoted at fancy dinner parties but entered the culture as lines to be memorized by unpublished writers everywhere James was suddenly in the odd position of having written famous poems well before he became a famous poet Finally the publication of a volume of his collected verse The Book of My Enemy earned him in 2003 the reputation as a serious poet that he has long deserved Less inhibited by fixed categories a new generation of critics has confirmed what James's public has instinctively known that he brings his poems to life with all the resources to be found in his prose wit imagination social observation and a dazzling play of language In addition his poems have an unmistakably characteristic rhythm that makes it compulsory to read them aloud Switching between strict stanzas and free forms as the occasion suits James brings a compulsively readable coherence to either mode and always over and above the binding force of his metrical assurance there is a lyricism that brings even the plainest statement to extra life and which often enters deeply into realms of human emotion His later poems about the tragedy that struck his mother and father for example show an intensity of regret that mark his maturity as a poet and bring out his unashamed nostalgia for his homeland Australia Opal Sunset is a treasure chamber of epigrammatic jewels to which the reader will return again and again

The New Anthology of American Poetry Steven Gould Axelrod, Camille Roman, Thomas J. Travisano, 2003 The book includes over 600 poems by 65 American poets writing in the period between 1900 and 1950

Love Robert Atwell, 2005 These exquisite anthologies draw together readings from scripture and a wide range of literary sources to offer an attractively varied selection of 100 readings in celebration of a birth of love and friendship of a life that has ended

The Collected Sermons of David Bartlett David L. Bartlett, 2020-01-21 This collection of fifty-two sermons shows beloved New Testament scholar David Bartlett at his best Bartlett who died in 2017 spent his career teaching and mentoring preachers at The University of Chicago Divinity School Yale Divinity School Union Presbyterian Seminary and Columbia Theological Seminary as well as serving as a pastor in American Baptist churches Thus he has generations of friends and former students who knew him for his quick wit passion for justice and deep knowledge of the Bible Those traits show through in these sermons As Nora Tisdale says in the foreword All of the sermons in this volume give witness to David's passion for preaching that is solidly grounded in the biblical text Most of them actually begin as Karl Barth urged preachers to begin with the biblical text If they don't begin there they always get there fairly quickly And David's interpretations of texts often surprise the reader with

their freshness and clarity In addition to individual sermons several multiweek sermon series including a series on Who Is Jesus and Great Words of the Faith are included **I Am** Gary Lane,1976
