Project Freeth: Volume 2 J. Francis Quigley, 2022-08-30 Here it is Project Freeth Volume 2 Not only does this book cover the rest of George Freeth's colorful life but it also reveals some hidden treasures from past articles in both Hawaii and California At various points while I was doing research for Volume 2 the word natation came up which George happened to be a leading authority on during his lifetime The dictionary defines this term as the science of human movement in water Finding this term to be relevant at many levels I've deemed the third book in this trilogy to be titled Natation Two maps on the book cover represent the plan map 1 and the fruition map 2 in the golden age of Redondo Beach as a city The first map drawn up by California's first state engineer William H Hall was presented to the Dominguez sisters at the sales meeting between them and the Redondo Beach company headed by Danial Freeman Complete story in Project Freeth Volume 1 It's a mystery when the second map was rendered Even though it's used in the 1913 ad to promote Freeth's swim lessons shown on the cover evidence indicates that the age of this map was already over ten years old by 1913 Wharf 3 is present dating this map after 1903 But the lack of Redondo High School on this map means it was made before 1905 That narrows it down to a workable timeframe The Singer's Musical Theatre Anthology - Volume 2 Richard Walters, 1993-06-01 Vocal Collection 40 songs including This Can't Be Love Bye Bye Baby I Won't Send Roses The Surrey With The Fringe On Top Once In Love With Amy *The Griffith Project, Volume 2* Paolo Cherchi Usai, 2019-07-25 Silent film director D W Griffith is the subject of this study Only a small group of his more than 500 films are subject to analysis The creative output of Griffiths from Professional Jealousy 1907 to The Struggle 1931 is explored *Mack Sennett's Fun Factory* Brent E. Walker, 2010-01-13 This is a comprehensive career study and filmography of Mack Sennett cofounder of Keystone Studios home of the Keystone Kops and other vehicles that showcased his innovative slapstick comedy The filmography covers the more than 1 000 films Sennett produced directed wrote or appeared in between 1908 and 1955 including casts credits synopses production and release dates locations cross references of remade stories and gags footage excerpted in compilations identification of prints existing in archives and other information The book featuring 280 photographs also contains biographies of several hundred performers and technical personnel connected with Sennett **Bowker's Complete Video Directory 1996** R R Bowker Publishing, 1996 **The 100 Greatest Silent Film Comedians** James Roots, 2014-10-23 The silent film era featured some of the most revered names of on screen comic performance from Charlie Chaplin and Buster Keaton to Harold Lloyd Douglas Fairbanks and Laurel Hardy Besides these giants of cinema however there are other silent era performers both leading actors and supporting players who left an enduring legacy of laughter In *The 100 Greatest Silent Film Comedians* James Roots ranks the greatest performers based on a scorecard that measures each comic's humor timelessness originality and teamwork Far more than just a listing this is an idiosyncratic and entertaining review of the men and women who created the golden age of comedy As a critic and deaf viewer Roots brings a

truly unique perspective to the evaluation of these performers and their work He has viewed thousands of silent comedies and offers some assessments that run contrary to the standard list of performers While many obvious names are placed in the top echelon the author also champions performers who have been neglected in part because their work has not been as visible Each entry includes a filmography a scorecard and an evaluation of the artist's overall work an assessment of representative films DVD availability With the increased availability of films on DVD as well as Internet access more and more silent performers are being discovered by film fans Supplemented by an appendix of comedians who missed the cut as well as an annotated bibliography *The 100 Greatest Silent Film Comedians* will be an invaluable resource to anyone wanting to know more about the brilliant entertainers of the silent era **100 Essential Silent Film Comedies** James Roots, 2017-05-11
