*The Macmillan Book of Earliest Christian Meditations* F. Forrester Church, Terrence J. Mulry, 1989 [Nag Hammadi Bibliography 1970-1994](#) David Scholer, 2020-10-26 This is a sequel to the immensely useful Nag Hammadi Bibliography 1948 1969 which was the first volume to appear in the Nag Hammadi Studies series The volume provides a complete integration of Supplements I XXIV to the Bibliography as published in *Novum Testamentum* 1971 1997 with additions and corrections In total the update contains over 6092 entries Nag Hammadi and Gnostic studies continue to be of critical importance for the study of ancient religions in the Graeco Roman world and for the study of the world of early Christianity and the present bibliography provides an indispensable reference tool for work in these fields **Lifecraft** Forrest Church, 2011-06-01 *The Art of Meaning in the Everyday* A joyous book on the art of finding meaning in daily life Forrest Church challenges much of the modern search for meaning indeed the entire thrust of modern theology **The Cathedral of the World** Forrest Church, 2010-10-12 Described by Cornel West as a towering public intellectual and the leading universalist philosopher of his generation Forrest Church was one of the preeminent liberal theologians of our time His final gift *The Cathedral of the World* draws from the entire span of Church's life's work to leave behind a clear statement of his universalist theology and liberal faith Giving new voice to the power of liberal religion Church invites all seekers to enter the Cathedral of the World home to many windows but only one Light [Being Alive and Having to Die](#) Dan Cryer, 2011-10-25 One of the year's Top Ten Books on Religion and Spirituality Booklist *Being Alive and Having to Die* is the story of the remarkable public and private journey of Reverend Forrest Church the scholar activist and preacher whose death became a way to celebrate life Through his pulpit at the prestigious Unitarian Church of All Souls in New York Reverend Forrest Church became a champion of liberal religion and a leading opponent of the religious right An inspired preacher a thoughtful theologian and an eloquent public intellectual Church built a congregation committed to social service for people in need while writing twenty five books hosting a cable television program and being featured in *People* *Esquire* *New York Magazine* and on numerous national television and radio appearances *Being Alive and Having to Die* works on two levels as an examination of liberal religion during the past 30 years of conservative ascendancy and as a fascinating personal story Church grew up the son of Senator Frank Church of Idaho famous for combating the Vietnam War in the 1960s and the CIA in the 1970s Like many sons of powerful fathers he rebelled and took a different path in life which led him to his own prominence Then in 1991 at the height of his fame he fell in love with a married parishioner and nearly lost his pulpit Eventually he regained his stature overcame a long secret alcoholism wrote his best books and found himself diagnosed with terminal cancer His three year public journey toward death brought into focus the preciousness of life not only for himself but for his ministry Based on extraordinary access to Church and over 200 interviews with family friends and colleagues Dan Cryer bears witness to a full fascinating at times controversial life *Being Alive and Having to Die* is an honest look at an imperfect man and his lasting influence on modern faith *The*

*American Creed* Forrest Church, 2003-12 What makes us all Americans whatever our differences is adherence to a creed a creed based upon cornerstone truths the founders believed self evident From the earliest days the survival of the new republic hinged not merely upon the expression of these grand principles of liberty and equality but upon their spiritual underpinnings Freedom and faith were intertwined America as a foreign observer once put it is a nation with the soul of a church In this stirring and timely book Forrest Church charts the progress of this creed from the America s beginnings to the present day by evoking those whose words whether in declarations songs inaugural addresses speeches or prayers have expressed its letter and captured its spirit What emerges is our shared destiny Martin Luther King Jr s dream that this country might someday rise up and live out the true meaning of its creed echoes Thomas Jefferson s belief that equal and exact justice to all is the creed of our political faith Our connection with the past represents our commitment to the future and vice versa A spiritual and patriotic primer *The American Creed* distills the essence of American history while also matching its sweep Church lets the story of the Declaration of Independence unfold before our eyes giving us both the big picture and the details that place it into brilliant focus Those steeped in our nation s heritage will find fresh insight and renewed purpose Those still discovering its riches could have no finer introduction In its scope and embrace this is a book for us all

**The American Creed** F. Forrester Church, 2002-10-07 In a timely and powerful response to accusations that America is godless Rev Church evokes the faith based foundations of American democracy and the words that have expressed it best

**Love & Death** F. Forrester Church, 2008 On a February day in 2008 Forrest Church sent a letter to the members of his congregation informing them that he had terminal cancer his life would now be measured in months not years In that remarkable letter he wrote In more than one respect I feel very lucky He went on to promise that he would sum up his thoughts on the topics that had been so pervasive in his work love and death in a final book Church has been justly celebrated as a writer of American history but his works of spiritual guidance have been especially valued for their insight and inspiration As a minister Church defined religion as our human response to the dual reality of being alive and having to die The goal of life he tells us is to live in such a way that our lives will prove worth dying for This last book in his impressive oeuvre is imbued with ideas and exemplars for achieving that goal The stories he offers drawn from his own experiences and from the lives of his friends family and parishioners are both engrossing and enlightening Forrest Church s final work may be his most lasting gift to his readers Forrest Church a deeply spiritual but always practical visionary is a minister to us all with this moving and instructive book on the lessons of life and death A lovely important book Tom Brokaw Truly a gift one that will echo in my own preaching and teaching and in my own life as well Like Moses gazing at the Promised Land he would not enter Forrest Church blesses us with his eloquence his faith and mostly his love Rabbi Harold Kushner author of *When Bad Things Happen to Good People* Love but it is also so much more Love Death a meditation on the end of life is really a book about life a book that shows us how to love ourselves and others how to know God how to live I read it with inexpressible

gratitude James Atlas author of *My Life in the Middle Ages* Forrest Church is one of our great prophetic intellectuals and compassionate voices His poignant and wise words on the two ultimate realities of our journey love and death reveal his grand courage and vision Cornel West author of *Race Matters* This beautiful book by a matchless preacher poet and author is Forrest Church in his finest hour Senator George McGovern *Life Lines* Forrest Church, 1997-09-17 In this eloquent personal hopeful book writer and minister Forrest Church explores the lifelines that can sustain us in times of trouble deeper connections to neighbor and stranger a better understanding of human limits and a larger view of our place in the universe

*Bringing God Home* Forrest Church, 2003-06-14 Praise for *Bringing God Home* A profound book As we set out to bring God home we are the ones who return home Archbishop Desmond Tutu Forrest Church is a perfect guide through the oceans of belief Diane Ackerman *Bringing God Home* is a book whose arrival could not have come at a more important moment in human history Faye Wattleton Intensely human and mystically profound A spiritually hungry world will love this book Bishop John Shelby Spong Using his own spiritual quest as a starting point Forrest Church has written a book that will comfort and inspire readers of all backgrounds and creeds Drawing insight and courage from poets philosophers and prophets from across the ages and from ordinary people from across the street he challenges us to set out on the journey of our lives and then guides our steps back home **One Prayer at a Time** F. Forrester Church, Terrence J. Mulry, 1989 Spiritual strength and support are at the core of these prayers inspired by the twelve step program a universal plan employed by people recovering from alcoholism and other dependencies Represents all religions *Religionless Religion* Clyde Edward Brown, 2009-06 In these perilous times when the very survival of the human species is at stake there is a desperate need for wisdom to provide guidance The sacred literature of the world's major religious traditions is a source for such wisdom but it has largely been misinterpreted and misunderstood and thus instead of being a source for wisdom it has been a source for confusion and conflict The ancient scriptures for the most part were written in a language which is quite different from ordinary language It is a mythological language which is symbolic and therefore its meaning is hidden In the Bible for example there are many narratives that appear to be historical but they are history that has been mythologized and therefore their surface meaning is not their real meaning Clyde Edward Brown clearly illustrates that the correct interpretation of the world's religious texts would lead to a different concept of religion Instead of belief in the literal truth of texts that have been misinterpreted the emphasis would be on having those religious values such as social and economic justice which are common to all religions **Earliest Christian Meditations** F. Forrester Church, Terrence J. Mulry, 1989 **Meditation on the Trinity** Anthony J. Kelly, 2024-12-31 One of the areas of sustained interest for Reverend Professor Anthony Kelly CSsR has been the mystery of the Trinity the divine mystery constituted as Father Son and Spirit Indeed his whole life as theologian teacher priest and preacher and even as poet has been spent in the quest firstly to know the mystery in which we live and move and have our being and to penetrate it ever more deeply and secondly to communicate it ever The essays in

this collection demonstrate the wide range of genre in which Kelly writes from the highly academic and scholarly addressing the subtle refinements and sophisticated argumentation of theological scholarship such as the essay on Trinitarian Connections in this collection through more contemplative and meditative reflections to the very practical as in the challenges of preaching on Trinity Sunday As is very evident in these essays Kelly systematically but gently expatiates on the meaning of the mysteries of faith skilfully interweaving references from the biblical witness classic creedal statements of faith doctrinal statements and insights from the tradition including the mystics They show him to be a consummate systematician robustly orthodox but restlessly imaginative ever bent on expressing the mysteries of Christian faith evocatively meaningfully and persuasively In a telling comment Kelly writes If faith is to remain alive to the living God if it is to serve the Word and communicate in the Spirit our language needs to be restlessly imaginative

Asian Traditions of Meditation Halvor Eifring, 2018-01-31 Meditation has flourished in different parts of the world ever since the foundations of the great civilizations were laid It played a vital role in the formation of Asian cultures that trace much of their heritage to ancient India and China This volume brings together for the first time studies of the major traditions of Asian meditation as well as material on scientific approaches to meditation It delves deeply into the individual traditions while viewing each of them from a global perspective examining both historical and generic connections between meditative practices from numerous historical periods and different parts of the Eurasian continent It seeks to identify the cultural and historical peculiarities of Asian schools of meditation while recognizing basic features of meditative practice across cultures thereby taking the first step toward a framework for the comparative study of meditation The book accessibly written by scholars from several fields opens with chapters that discuss the definition and classification of meditation These are followed by contributions on Yoga and Tantra which are often subsumed under the broad label of Hinduism Jainism and Sikhism Indian traditions not usually associated with meditation Buddhist approaches found in Southeast Asia Tibet and China and the indigenous Chinese traditions Daoism and Neo Confucianism The final chapter explores recent scientific interest in meditation which despite its Western orientation remains almost exclusively concerned with practices of Asian origin Until a few years ago a major obstacle to the study of specific meditation practices

within the traditions explored here was a widespread scholarly orientation that prioritized doctrinal issues and sociocultural contexts over actual practice. The contributors seek to counter this bias and supplement concerns over doctrine and context with the historical study of meditative practice. *Asian Traditions of Meditation* will appeal broadly to readers interested in meditation, mindfulness, and spirituality, and those in the emerging field of contemplative education, as well as students and scholars of Asian and religious studies. *Print* Martha T.
