Political Sociology Douglas Edward Baer, 2002 The papers in this volume provide a wide ranging sample of the issues debated the methodologies used and the analytical orientations adopted by Canadian political sociologists Drawing upon some of the top Canadian political sociologists the book is organized into five parts political beliefs and political culture the state social movements political movements and politics and social class each beginning with an introductory overview of the area by the volume s editor Douglas Baer *Macro-Micro Linkages in Sociology* Joan Huber, 1991-03 In this volume twenty leading sociologists consider the dichotomy between micro and macro level analysis in social research All demonstrate the inescapable connections between the two and attempt to link them together This topic is approached from various theoretical perspectives including the interrelationship of large scale and small scale theories variables and concepts It is studied more specifically in relation to institutions such as education work and family gender and demographic research **Macro-Micro Linkages in Sociology** Joan Huber, 1991 In this volume twenty leading sociologists consider the dichotomy between micro and macro level analysis in social research All demonstrate the inescapable connections between the two and attempt to link them together This topic is approached from various theoretical perspectives including the interrelationship of large scale and small scale theories variables and concepts It is studied more specifically in relation to institutions such as education work and family gender and demographic research **The Micro-macro Link** Jeffrey C. Alexander, 1987-01-01 The work of fifteen nationally and internationally known theorists in sociology this volume demonstrates an exciting new trend in sociological thinking Each essay proposes a link between the two distinguishable traditions of sociological theory the microscopic which stresses the self and the interaction among persons and the macroscopic which concentrates on the institutional cultural and societal levels Each mode of analysis has had its champions and the proponents of each have often taken positions of polemic opposition to one another Macro Lorne Tepperman, Wain, Alan, Kathryn Allen, 1995

Micro-Macro Links and Microfoundations in Sociology Vincent Buskens, Werner Raub, Marcel Van Assen, 2014-07-16 *Micro Macro Links and Microfoundations in Sociology* focuses on two main issues in sociology Firstly how macro conditions can explain macro outcomes mediated by actor behaviour at the micro level micro macro links Secondly how alternative micro models affect macro outcomes microfoundations The contributions reflect key features of micro macro modelling in sociology as well as recent progress in this field The chapters address core features of explanations of social phenomena using micro macro models the problem of cooperation heterogeneity of actors structural balance opinion formation segregation and problems of micro macro models that are based on rational choice assumptions Moreover the contributions show how different research methods can be applied fruitfully such as laboratory experiments equilibrium analysis and agent

based modelling As a result the book can be a guide for graduate students who want to develop their skills in building micro macro models In addition the book provides specialists of the different substantive research areas with up to date new developments in their research area This book was originally published as a special issue of Journal of Mathematical Sociology *Advances in Social Theory and Methodology* Karin Knorr-Cetina, Aaron Victor Cicourel, 2015 Macro to Micro Stuart Shafer, Mark Foster, James Divney, 2002-07-01 Micro-Macro Links and Microfoundations in Sociology RPD Vincent Buskens, Werner Raub, Marcel Van Assen, 2014-09-11 Micro Macro Links and Microfoundations in Sociology highlights recent developments in using micro macro modelling to understand sociological phenomena It includes contributions in substantive areas such as cooperation social networks and social segregation This book was originally published as a special issue of Journal of Mathematical Sociology *Tying Micro and Macro* Miłoj Pawlak, 2018 The study critically discusses the thesis on the sociological vacuum formulated by Stefan Nowak The author presents the sociological vacuum in the context of the debate on micro and macro levels He studies the uses of the sociological vacuum in explaining such phenomena as the Solidarność social movement civil society social capital democracy *Advances in Social Theory and Methodology* Karin Knorr-Cetina, A. V. Cicourel, 2014 After a period in which sociology was torn apart by the polarized claims of micro and macro methodology an increasing number of sociologists are now attempting a fusion of the two approaches In this volume some of the most distinguished sociologists set out possible resolutions of the debate Each of the chapters placed in perspective by the editors prologue approaches the problem from a unique angle Aaron Cicourel argues for a macro basis of social interaction Randall Collins shows how the macro consists of an aggregate of micro episodes Troy Duster presents a methodological model for generating a systematic data base across different contexts of social action through his examination of the procedures governing screening for inherited disorders Rom Harr launches a philosophical attack on what he sees as a spurious bifurcation of micro and macro levels Anthony Giddens explores the problem of unintended consequences and Gilles Fauconnier through a depiction of Jesuitical casuistry shows how vital clues to macro structure can be elicited from the micro phenomenon of language Victor Lidz continues the language theme in his chapter on the implications of advances in linguistic theory for macro systems theory Niklas Luhmann illustrates the micro macro problem by the communication about law in interaction systems The theory of historical materialism is reassessed by Jürgen Habermas Taking the example of Renault and electric vehicles Michel Callon and Bruno Latour investigate how micro actor status is attained and the sociologists involvement in this transformation Finally Pierre Bourdieu writing on men and machines analyses the historical imperatives that create the complex relation between man and his environment
