"Mad Dan" Morgan, Bushranger John Anthony King,1976 **Australian Bushrangers 1788-1880** Ian Knight,2019-05-30 The first bushrangers or frontier outlaws were escaped or time expired convicts who took to the wilderness the bush in New South Wales and on the island of Tasmania Initially the only Crown forces available were redcoats from the small scattered garrisons but by 1825 the problem of outlawry led to the formation of the first Mounted Police from these soldiers The gold strikes of the 1860s attracted a new group of men who preferred to get rich by the gun rather than the shovel The roads and later railways that linked the mines with the cities offered many tempting targets and were preyed upon by the bushrangers This 1860s generation boasted many famous outlaws who passed into legend for their boldness The last outbreak came in Victoria in 1880 when the notorious Kelly Gang staged several hold ups and deliberately ambushed the pursuing police Their last stand at Glenrowan has become a legendary episode in Australian history Fully illustrated with some rare period photographs this is the fascinating story of Australia s most infamous outlaws and the men tasked with tracking them down Crime Time Sue Bursztynski,2008-03-01 Crime Time Australians Behaving Badly is a collection of true Australian crime stories ranging from bushrangers such as Ned Kelly and Mad Dan Morgan through to serial killers fraudsters and modern celebrity criminals Crime Time contains details of the crimes biographical details portraits by Louise Prout and interesting trivia in Did You Know boxes Crime Over Time Robyn Lincoln,2010-08-11 Crime Over Time features original contributions from some of Australia s most respected criminologists and historians The book marries these two disciplines to offer a unique examination of crime and deviance over more than 200 years of Anglo Australian history This innovative compilation explores the intriguing ways in which Australian crime has evolved and the pioneering ways criminal justice agencies have dealt with offenders The topics investigated range from colonial bushranging to terrorist attacks along with emerging forms of criminal activity such as cybercrime The book also highlights the social construction of crime by using case studies including the way that homosexual activity was policed in earlier times The collection provides an engaging and thorough examination of the historical factors that have shaped crime and punishment and its contemporary context **A Cultural History of the Bushranger Legend in Theatres and Cinemas, 1828-2017** Andrew James Couzens,2019-01-31 A Cultural History of the Bushranger Legend in Theatres and Cinemas 1828-2017 is a multidisciplinary investigation into the history of cultural representations of the bushranger legend on the stage and screen charting that history from its origins in colonial theatre works performed while bushrangers still roamed Australia s bush to contemporary Australian cinema It considers the influences of industrial political and social disruptions on these representations as well as their contributions to those disruptions The cultural history recounted in this book provides not only an insight into the role of popular narrative representations of bushrangers in the development and reflection of

Australian character but also a detailed case study of the specific mechanisms at work in the symbiosis between a nation's values and its creative production

Once a Jolly Swagman Matthew Richardson, 2006-01-01 Banjo Paterson's *Waltzing Matilda* is the one song that has been bringing people together spontaneously since 1895 and the one song that belongs to all Australians. Generations of experts have argued about the original story that Paterson immortalised about the origins of the tune and about what Paterson meant by his almost parodic over use of Australian colloquialisms. *Once a Jolly Swagman* takes readers off the score sheet into the story of the song and tells of its evolution up until the twenty first century. It tries to answer the riddles within the song and unpick its inherent contradictions where's the heroism in a suicidal thief? What was jolly about the jumbuck? Is *Waltzing Matilda* the key to Australian values? What does it mean that a beloved song about Australia's pioneering past is written by a city lawyer? In this age of economic rationalism and a globalised world how does a voice from the billabong saying 'You'll come a waltzing matilda with me' still matter and what does it tell us about ourselves?

Gangland Crimes That Shocked Australia Ian Ferguson, 2019-05-01

Featuring the latest information about the murder of Des Moran including Judy Moran's involvement these are the gritty stories of Australia's crime world. A hive of secret activity the Australian gangland world is fraught with double crossings, murders, theft, violence and fraud. Living by their own set of rules and regulations which often involve crooked members of government and the police force this is your chance to gain a real insight into how the minds and groups of these gangs really work.

A History of Crime in Australia Nancy Cushing, 2022-12-30 This book provides a lively and accessible account of Australia's most prominent crimes and criminals of the nineteenth and twentieth century and offers an informative background for those seeking to understand crimes committed today. *A History of Crime in Australia* examines the imposition of English law on this ancient continent and how its operation affected both transported offenders from Great Britain and Ireland and the Aboriginal and Torres Strait Islander peoples whose own systems of Law were overlaid. Drawing upon cutting edge research in the field, original work by the author and essays from leading crime history researchers it addresses the question of whether there was an Australian underworld. In doing so it provides background for well known offenders including bushranger Ned Kelly and the razor gangs of the 1920s and for sensational crimes like the Mount Rennie Outrage, the Pyjama Girl Mystery and the Shark Arm Murder and the miscarriage of justice following the disappearance of Azaria Chamberlain at Uluru in 1980. Through these case studies the book draws out points of tension and cohesion within Australian society exposing the enduring anxiety around those who were considered to be outsiders and how the criminal justice system was used to manage these concerns. This book includes a guide to conducting research in the field of Australian crime history and sources for further study. Designed as an introductory text for students this book will be of interest to those studying criminology and crime history and anyone who would like to deepen their understanding of crime's place in Australia's social and cultural history.
