Mad Sucks:

Sometimes Marriage Really Sucks Essay Young, 2012-12-11 This short book is not a self help book It is not a how to book This is just me and my husbands story a story of two unimportant people important only to ourselves and our loved ones and how two ordinary people can still stay together even in a day and age where it is easy to move on and quit the hard work of a relationship This book is also simply what the cover says Its about marriage from a wifes point of view It is purely for the enjoyment of the reader or perhaps for their annoyance My thoughts on marriage or mainly my thoughts on my own marriage are something you as the reader may be able to relate to to laugh at or to just plain say I know me too **Foreverland is Dead** Tony Bertauski, 2014-01-09 Six teenage girls wake with no memories One of them is in a brick mansion her blonde hair as shiny as her shoes The others are in a cabin their names tagged to the inside of their pants Their heads shaved Slashes mark the cabin wall like someone has been counting Hundreds of them There s wilderness all around and one dead adult The girls discover her body rotting somewhere in the trees As the weeks pass they band together to survive the cold wondering where they are and how they got there And why When an old man arrives with a teenage boy the girls learn of a faraway island called Foreverland where dreams come true and anything is possible But Foreverland is dead In order to escape the wilderness they ll have to understand where they are More importantly who they are **INTERVIEW WITH THE AUTHOR HOW IMPORTANT ARE NAMES TO YOU IN THIS BOOK DID YOU CHOOSE THEM BASED ON SOUND OR MEANING** Almost all of my books have names with special meaning some foreshadowing a big twist In *The Annihilation of Foreverland* Reed s name was symbolic of his ability to tolerate suffering bending in the face of gale forces but never breaking **WHERE DOES YOUR TOMORROW SPRING FROM IN OTHER WORDS HOW DID YOU COME UP WITH THE CRAZY WORLD** Sometimes I can t remember how the story started by the time I get to the end *The Annihilation of Foreverland* started with the premise of identity I wanted to write it as a YA book in the science fiction dystopia genre in a way that slowly unfolded as well as questioned who we are and explore our fear of death and what we re willing to do to avoid it Like all of my stories it does have a romantic angle mixed into the action Because it should **GIVE YOUR BOOK THE BECHDEL TEST IT HAS TO HAVE AT LEAST TWO NAMED WOMEN IN IT WHO TALK TO EACH OTHER ABOUT SOMETHING BESIDES A MAN** I failed because there s only one female in *The Annihilation of Foreverland* However the young adult sequel *Foreverland is Dead* passes with flying colors since its mostly female characters that rarely talk about men **WHAT SORT OF BODY COUNT ARE WE TALKING HERE** The bodies die but not necessarily the characters Chew on that a second **DO YOU WANT YOUR TOMORROW TO MAKE IT BIG AS IN JK ROWLINGS BIG WHY OR WHY NOT** Believe it or not no Don t get me wrong I d like to make enough cash to pay off this house and send my kids to college but I ll pass on fame and fortune Anonymity is a blessing **YOU CAST YOUR CHARACTERS FOR A MOVIE WHO MAKES IT** In *The Annihilation of Foreverland* I only casted two characters in my head while I was writing it The Director is Jeff Bridges and Mr Jones is Anthony Hopkins It was like watching a movie as I

wrote HAVE YOU WRITTEN IN ANY OTHER GENRES BESIDES YA DYSTOPIAN WHAT DREW YOU TO YOU THIS GENRE I ve been fascinated by consciousness identity and what this all means since I was young I would read my grandfather s science fiction books with elements of artificial intelligence and alternate realities and wonder what happened when they died I suppose that s why all of my writing deals with the big mysteries of life in one way or another In a way I write for my own exploration in a sort of thought experiment approach pulling apart our identities exploring what makes us who we are If I lost my memories would I still be me If I had my body parts replaced with synthetic replications at what point would I not be me Do I even need a body What am I A few years ago I figured I d write a romance novel Since all of my books have a romantic element I thought it would be fun Halfway through the novel I found myself thinking more and more about the next project a dystopian idea So 40 000 words in I scrapped the romance novel and got back to what I love Science fiction

Mad Sucks Albert B. Feldstein,1978 *Boring Meetings Suck* Jon Petz,2011-04-19 The guide that proves your meetings don t have to suck There s a big dull elephant in the boardroom this meeting Most of the millions of meetings held in the world today are a monumental waste of time and talent Worse still most of the so called solutions and books for boring meetings are twice as boring *Boring Meetings Suck* provides tips and tactics to deliver Get In Get It Done or Get Out style meetings while also tackling what most prefer to avoid that you don t have to BE in charge of a meeting to TAKE charge of a meeting This entertaining and take no prisoners guide is full of easily deployed SRDs Suckification Reduction Devices that will help you make your next meeting both efficient and effective Empowers attendees to politely speak up and get a meeting back on track or graciously get out without being fired Shows how hosts can capitalize on technology learning to crowd source problems and increase participation Defines surefire methods to get meetings to start and end on time and not have the speaker read the slides STOPS over invitation syndrome The author has appeared before many major corporate clients and was named a Top Business Professional Under 40 by American City Business Journals Your meetings do not have to bore nor must they suck Instead get the winning techniques in *Boring Meetings Suck* and make your meetings awesome in their engagement and productivity or stop having them *Our Schools Suck* Jeanne Theoharis,Gaston Alonso,Noel S.

Anderson,Celina Su,2009-05-01 Shares the voices of students speaking out against the failures of urban education *Our schools suck* This is how many young people of color call attention to the kind of public education they are receiving In cities across the nation many students are trapped in under funded mismanaged and unsafe schools Yet a number of scholars and of public figures have shifted attention away from the persistence of school segregation to lambaste the values of young people themselves *Our Schools Suck* forcefully challenges this assertion by giving voice to the compelling stories of African American and Latino students who attend under resourced inner city schools where guidance counselors and AP classes are limited and security guards and metal detectors are plentiful and grow disheartened by a public conversation that continually casts them as the problem with urban schools By showing that young people are deeply committed to education but often

critical of the kind of education they are receiving this book highlights the dishonesty of public claims that they do not value education Ultimately these powerful student voices remind us of the ways we have shirked our public responsibility to create excellent schools True school reform requires no less than a new civil rights movement where adults join with young people to ensure an equal education for each and every student **Mad Sucks** Grand Central Publishing,MAD

she marries a man who doesn't want children she hopes she can be happy without any But a voice in her head keeps returning to the question What if mothering can be a radical act too When her marriage veers off course she goes searching through the twists and turns of her DNA to decide once and for all whether she should become a mother By the time Ruthie finally determines that she desperately wants a child she learns that motherhood won't happen the way she thought it would Now she must enter the hall of mirrors where biology genetics and philosophy collide as she wonders what it means to both create and nurture a life What does inheritance really entail What does it mean to be a good mother When it comes down to it how important is nature versus nurture And where are the models for what a good life can look like for women both with and without children Synthesizing reportage and memoir The Mother Code unravels how we've come to understand the institution of motherhood What emerges is a groundbreaking new vision for what it means to parent a mother code that goes beyond our bloodlines and genetics and instead urges us to embrace inheritance as the legacy we want to leave behind for those we love

You Can't Get Inside My Head It's Already Overcrowded John Dervishian, 2010-06 From the author of Purification Cleansing of a contaminated soul comes a second collection of words that resemble poetry You can't get inside my head it's already overcrowded is hopeful to appeal to those who have not had interest in this genre before as well as those who are interested This book contains words that spill over onto paper that eventually fill the voids of the soul and mind The writings in this book once again express topics of love and death but also expand out to other subject matters There is no doubt that one will find a combination of humor and strong emotion within This is a simple read with deep honesty Suzy Geers writer for Pulse Magazine Worcester's Entertainment Mag stated the following of Purification Poetry For me it's a touchy art form Some goes right over my head and that's fine I get that I am certainly no expert on the subject but Shel Silverstein rocks right and some I truly enjoy and even manage to absorb Enter Worcester's resident modern poet John Dervishian A thirty something you can figure out his age by Googling John graduated Cambridge Rindge and Latin School with none other than Matt Damon with a penchant for penning some poignant and very relatable verses Mark Lynch of WICN Worcester Radio Personality stated Poet John D was one of the very few poets I didn't want to kill in 10 minutes after talking to them He was one of the most clear-headed grounded artists I have talked to in a while and the classic helluva nice guy I am obviously meeting the wrong poets He's a good poet too He's one of those artists you have to root for to get some recognition

Work Nights Erica Peplin, 2025-06-17 A young queer woman finds herself in a love triangle with an unobtainable intern and a quick tempered musician in this charming debut that combines Big Swiss with The Devil Wears Prada Jane Grabowski hauls herself to her nine to five office job at New York City's most acclaimed newspaper to sit in stale air under severe fluorescent lights and mask her rage by sending emails with too many exclamation points Luckily Jane has a reason to keep coming into the office Madeline the distractingly beautiful intern Madeline has never dated a woman and is uncomfortable with labels but with carefully timed lunch breaks and painstakingly crafted texts Jane works her way into her

life Meanwhile Jane's free spirited artist roommate tries to keep her from falling for a straight girl by dragging Jane to gay bars and queer Shabbat dinners where she meets the decidedly uncool and morally righteous musician Addy Caught between Addy's readiness to commit and Madeline's alluring unpredictability Jane is pulled down a slippery path of lies and deceit leading to a plane ticket that threatens to take everything down in one fell swoop The Book of Maps Ernest

Thompson, 2022-10-25 In the summer of 2002 Brendan Tibbet a filmmaker whose luck has run low takes his ten year old son Brenlyn on a raucous road trip across America Following a 1930s travel guide Brendan purchased at a yard sale the two week trek from LA to New Hampshire covers 16 states hitting the iconic stops along the way Yosemite the Great Salt Lake Yellowstone and Mt Rushmore and the Rock and Roll Hall of Fame replete with wild exploits both hilarious and perilous but it is the interior journey that is enlightening deeply poignant and life changing Brendan assures the boy that each state will be an adventure and on the second day proves it seeing the kid washed away in fast moving rapids then foolishly putting them both in danger by refusing to back down to the massive black bear invading their campsite That's Brendan impetuous and foolhardy inciting trouble wherever he goes a man with demons and bubbling angst But neither of those missteps or the many and scarier ones to follow can begin to compare to the threatening storm cloud hanging over the expedition the father's struggle to find the perfect worst time to reveal to his son the news that will break his heart and affect everything to follow Ernest Thompson's debut novel is a skillful magical piece of 20th century fin de siècle writing depicting a United States that even in the aftermath of 9/11 seems almost innocent contrasted to the horrors and divisions racism and rage challenging us now The Book of Maps with its powerful father son relationship and one man's relentless albeit unintentional quest to evolve into the better angel we all aspire to be will capture the imagination of readers and leave them wanting to relive this mad irresistibly moving ridiculously funny reflective and inspiring cross country odyssey again and again How Not to Suck W.
