Mad Toy:

Mad Toy Roberto Arlt, 2002-07-18 A translation of one of the most important Argentine writers of the first half of this century Robert Arlt who also influenced prominent writers like Borges Cortazar and Piglia This work will be published in English for the first time **Adventures and Enthusiasms** Edward Verrall Lucas, 1920 There are certain qualities that we all claim We are probably wrong of course but we deceive ourselves into believing that short as we may fall in other ways we really can do this or that superlatively well I ll say this for myself we remark with an approving glance in the mirror at any rate I m a good listener or Whatever I may not be I m a good host These are things that may be asserted of oneself by oneself without undue conceit I pride myself on being a wit a man may not say or I am not ashamed of being the handsomest man in London but no one resents the tone of those other arrogations even if their truth is denied It is less common although also unobjectionable to hear people felicitate with themselves Pg 14 on being good guests Indeed I have lately met two or three who quite impenitently asserted the reverse and I believe that I am of their company Trying very hard to be good I can never lose sight of the fact that my host s house is not mine Fixed customs must be surrendered lateness must become punctuality cigarette ends must not burn the mantelpiece one misses one s own China tea The bathroom is too far and other people use it There is no hook for the strop In short to be a really good guest and at ease under alien roofs it is necessary I suspect to have no home ties of one s own certainly to have no very tyrannical habits Cruelty and Utopia Jean-François Lejeune, Centre international pour la ville, l'architecture et le paysage, 2005-02-03 This landmark collection of illustrated essays explores the vastly underappreciated history of America s other cities the great metropolises found south of our borders in Central and South America Buenos Aires So Paulo Mexico City Caracas Havana Santiago Rio Tijuana and Quito are just some of the subjects of this diverse collection How have desires to create modern societies shaped these cities leading to both architectural masterworks by the likes of Luis Barragn Juan O Gorman Lcio Costa Roberto Burle Marx Carlos Ral Villanueva and Lina Bo Bardi and the most shocking favelas How have they grappled with concepts of national identity their colonial history and the continued demands of a globalized economy Lavishly illustrated *Cruelty and Utopia* features the work of such leading scholars as Carlos Fuentes Edward Burian Lauro Cavalcanti Fernando Oayrzn Roberto Segre and Eduardo Subirats along with artwork ranging from colonial paintings to stills from Chantal Akerman s film *From the Other Side* Also included is a revised translation of Spanish King Philip II s influential planning treatise of 1573 the *Laws of the Indies* which did so much to define the form of the Latin American city *The tragedy of Featherstone* Benjamin Leopold Farjeon, 1887

Wonderdog Inman Majors, 2004-11-03 With *Wonderdog* Inman Majors brings us the unlikely Dev Degraw son of the iconoclastic governor of the state and former child actor on the historically bad television drama *Bayou Dog* Dev inhabits Tuscaloosa home of the University of Alabama ferocious wiener dogs butter eating contests jackleg lawyers and one eyed stalkers It s in this funky Southern milieu that Dev moves among the denizens of Tuscaloosa s local watering holes the

political bigwigs of the state capital and the sundry elements of B movie Hollywood As the story unfolds Dev is trying his underachieving best to stay out of his father's heated bid for re-election as well as a co-star's incomprehensible plans to organize a Bayou Dog cast reunion Fortunately for the reader his efforts to remain uninvolved in the political fray and as far away as possible from his TV alter ego are foiled by one comic entanglement after another star-crossed love affairs a halfhearted legal practice and an ex-wife dating a male cheerleader As he tries to rectify past glories with more recent foibles we come to know the Dev who knowingly or unknowingly gets thrust upon a career path that will at last begin to define him The result is a tour de force of American revelry Written with verbal energy lyricism and a knife-sharp eye for comedic detail Wonderdog is a hilarious Dr Frankenstein concoction of Henry the IV Kingsley Amis and John Kennedy Toole But Inman Majors has created a comedy all his own one that springs from a love of human speech and compassion for the minor geniuses in the dusty corners of life Here with Wonderdog Majors sets out to examine the comic vagaries of the human condition What he ends up with is a wholly original work of fiction breathing new life into the Southern comedy along the way

The Witch Thomas Middleton, 2014-06-13 The Witch 1615-16 categorised by its author as a tragicomedy pits the intrigues of a group of Italian aristocrats against the malevolent practices of Hecate and her witches' coven leaving the audience with the impression that human malevolence is by far the fiercer and more effective This edition sets the play into its dramatic and literary contexts ranging from Shakespeare's Macbeth and Middleton's own later tragedies to Reginald Scot's sceptical Discovery of Witchcraft and King James's virulent Daemonologie It also argues that Middleton wrote it as a topical satire to capitalise on the scandal involving Frances Howard who obtained a divorce from the Earl of Essex on the grounds that he had been sexually incapacitated by witchcraft she was also rumoured to have tried to poison him Middleton exposes his noble characters precisely by letting them get away with murder
