**Dramatic Revisions of Myths, Fairy Tales and Legends** Verna A. Foster, 2012-10-10 These new essays explore the ways in which contemporary dramatists have retold or otherwise made use of myths fairy tales and legends from a variety of cultures including Greek West African North American Japanese and various parts of Europe The dramatists discussed range from well established playwrights such as Tony Kushner Caryl Churchill and Timberlake Wertenbaker to new theatrical stars such as Sarah Ruhl and Tarell Alvin McCraney The book contributes to the current discussion of adaptation theory by examining the different ways and for what purposes plays revise mythic stories and characters The essays contribute to studies of literary uses of myth by focusing on how recent dramatists have used myths fairy tales and legends to address

contemporary concerns especially changing representations of women and the politics of gender relations but also topics such as damage to the environment and political violence

*The Canada Trip* Charles Gordon, 2013-07-30 It started out as a simple idea Charles Gordon and his wife Nancy drive across Canada Starting from Ottawa they drove east through Quebec through New Brunswick P E I Nova Scotia and Newfoundland where they learned about soap for the moose From St John s they headed west on a different route through the Maritimes to Montreal Toronto and Lake of the Woods scene of the famous cottage in At the Cottage Then it was west along what used to be called the CPR route all the way to Vancouver and Victoria Then via Prince Rupert they followed the Yellowhead Trail back through Edmonton and Saskatoon hitting Flin Flon and Northern Ontario on the way home Ranging from moose to chipmunks from a cool jazz festival to even cooler icebergs and from the Prestige Motel to the Chateau Lake Louise this book is a highly personal look at a country well worth visiting witty and affectionate a fact that its own citizens tend to overlook As Charles Gordon the perfect companion puts it in his final paragraph What does Canada need you ask to enter the twenty first century More passing lanes More ferries Reading lamps on both sides of the bed Bridges you can see off More animals beside the road And more Canadians
