Mad Mary Lamb Lunacy And Murder In Literary London:

Mad Mary Lamb Susan Tyler Hitchcock, 2005 After killing her mother with a carving knife Mary Lamb spent the rest of her life in and out of madhouses yet the crime and its aftermath opened up a new life Freed to read extensively she discovered her talent for writing and with her brother the essayist Charles Lamb collaborated on the famous Tales from Shakespeare This narrative of a nearly forgotten woman is a tapestry of insights into creativity and madness the changing lives of women and the redemptive power of the written word

A Horror and a Beauty: The World of Peter Ackroyd's London Novels Petr Chalupský, 2016-02-01 Peter Ackroyd is one of the foremost contemporary British London writers He focuses on the capital its history development and identity both in his fiction and non fiction The London of his novels is thus a highly idiosyncratic construct which reflects and derives from its author's ideas about the actual city's nature as well as his concept of the English literary sensibility in general as he outlines them in his lectures and historical and literary studies It is an exceptionally heterogeneous city of enormous diversity and richness of human experience moods and emotion of actions and events and also of the tools through which these are re-presented and reenacted According to Ackroyd this heterogeneity mostly originates outside the sites and domains of the established or mainstream cultural production and social norms and conventions particularly in occult practices subversive acts and the plotting of radical individuals or groups criminal and fraudulent activities of various kinds dubious scientific experiments and the popular dramatic forms of ritual and entertainment whose permanent encounters with and contesting of the officially approved and prescribed forms instigate the city's vitalising energy for dynamic change and spiritual renewal This book presents the world of Ackroyd's London novels as a distinct chronotope determined by specific spatial and temporal properties and their mutual interconnectedness Although such a concept of urban space in its essence defies categorisation the book is thematically organised around six defining aspects of the city as Ackroyd identifies them the relationship between its past and present its uncanny manifestations its felonious tendencies its inhabitants psychogeographic and antiquarian strategies its theatricality and its inherently literary character

Private Madhouses in England, 1640-1815 Leonard Smith, 2020-06-18 This book examines the origins and early development of private mental health care in England showing that the current spectacle of commercially based participation in key elements of service provision is no new phenomenon In 1815 about seventy per cent of people institutionalised because of insanity were being kept in private madhouses The opening four chapters detail the emergence of these madhouses and demonstrate their increasing presence in London and across the country during the long eighteenth century Subsequent chapters deal with specific aspects in greater depth the insane patients themselves their characteristics and the circumstances surrounding admissions the madhouse proprietors their business activities personal attributes and professional qualifications or lack of them changing treatment practices and the principles that informed them Finally the book explores conditions within the madhouses which ranged from the relatively enlightened to the seriously defective and

reveals the experiences concerns and protests of their many critics

Charles Lamb, Coleridge and Wordsworth Felicity James, 2008-09-02 This book makes the case for a replacing of Lamb as reader writer and friend in the midst of the lively political and literary scene of the 1790s Reading his little known early works alongside others by the likes of Coleridge and Wordsworth it allows a revealing insight into the creative dynamics of early Romanticism

The New Science and Women's Literary Discourse J. Hayden, 2011-03-29 Looking at literary discourse including poetry fiction and non fiction diaries and drama this collection offers remarkable and fascinating examples of women writers who integrated scientific material in their literary narratives

Marlowe and Shakespeare Robert Sawyer, 2017-08-22 Instead of asserting any alleged rivalry between Marlowe and Shakespeare Sawyer examines the literary reception of the two when the writers are placed in tandem during critical discourse or artistic production Focusing on specific examples from the last 400 years the study begins with Robert Greene's comments in 1592 and ends with the post 9 11 and 7 7 era The study not only looks at literary critics and their assessments but also at playwrights such as Aphra Behn novelists such as Anthony Burgess and late twentieth century movie and theatre directors The work concludes by showing how the most recent outbreak of Marlowe as Shakespeare's ghostwriter accelerates due to a

climate of conspiracy including belief echoes which presently permeate our cultural and critical discourse Romanticism and the Letter Madeleine Callaghan, Anthony Howe, 2020-01-29 Romanticism and the Letter is a collection of essays that explore various aspects of letter writing in the Romantic period of British Literature Although the correspondence of the Romantics constitutes a major literary achievement in its own right it has received relatively little critical attention Essays focus on the letters of major poets including Wordsworth Byron Shelley and Keats novelists and prose writers including Jane Austen Leigh Hunt and Charles Lamb and lesser known writers such as Melesina Trench and Mary Leadbeater Moving from theories of letter writing through the period s diverse epistolary culture to essays on individual writers the collection opens new perspectives for students and scholars of the Romantic period Shakespeare in Children's Literature Erica Hateley, 2009-01-13 Shakespeare in Children s Literature looks at the genre of Shakespeare for children considering both adaptations of his plays and children s novels in which he appears as a character Drawing on feminist theory and sociology Hateley demonstrates how Shakespeare for children utilizes the ongoing cultural capital of Shakespeare and the pedagogical aspects of children s literature to perpetuate anachronistic forms of identity and authority *Historical Dictionary of Romanticism in Literature* Paul Varner, 2014-11-18 The Historical Dictionary of Romanticism in Literature provides a large overview of the Romantic Movement that seemed at the time to have swept across Europe from Russia to Germany and France to Britain and across the Atlantic to the United States The Romantics saw themselves as inaugurating a new era They frequently referred to themselves or their contemporaries as Romantics and their art as Romantic From the early stirrings in Germany to the last decade of the eighteenth century in England with the political radicals and the Lake Poets to the Transcendental Club in Massachusetts the leaders of the age acknowledged their new Romantic attitudes This volume takes a close and comprehensive look at romanticism in literature through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 800 cross referenced entries on the writers and the poems novels short stories and essays plays and other works they produced the leading trends techniques journals and literary circles and the spirit of the times are also covered This book is an excellent access point for students researchers and anyone wanting to know more romanticism in literature Voices in the History of Madness Robert Ellis, Sarah Kendal, Steven J. Taylor, 2021-05-12 This book presents new perspectives on the multiplicity of voices in the histories of mental ill health In the thirty years since Roy Porter called on historians to lower their gaze so that they might better understand patient doctor roles in the past historians have sought to place the voices of previously silent marginalised and disenfranchised individuals at the heart of their analyses Today the development of service user groups and patient consultations have become an important feature of the debates and planning related to current approaches to prevention care and treatment This edited collection of interdisciplinary chapters offers new and innovative perspectives on mental health and illness in the past and covers a breadth of opinions views and interpretations from patients practitioners policy makers family members and wider

communities Its chronology runs from the early modern period to the twenty first century and includes international and transnational analyses from Europe North America Asia and Africa drawing on a range of sources and methodologies including oral histories material culture and the built environment Chapter 4 is available open access under a Creative Commons Attribution 4.0 International License via link [springer.com](https://www.springer.com)

Trix Barbara Fisher, 2024-09-04 This volume represents the first biography of Alice MacDonald Kipling Fleming 1868-1948 known as Trix Rarely portrayed with sympathy or accuracy in biographies of her famous brother Rudyard Trix was a talented writer and a memorable character in her own right whose fascinating life was unknown until now In

telling Trix's story Barbara Fisher rescues her from the misrepresentations trivializations and outright neglect of Rudyard's many biographers This book provides the first account of Trix's life beginning with the horrible childhood she shared with Rudyard as a Raj orphan in England The biography follows adolescent Trix as she returned to India where her brother encouraged her to write poems and stories which were regularly mistaken for his Her marriage to a stiff Scottish officer is chronicled from its hopeful beginnings through its childless cheerless middle to its calm and compromised end Trix's bouts of mental illness are described in sympathetic detail Turning her attention to Trix's oeuvre Barbara Fisher locates and attributes all of her short fiction poetry and journalism giving special attention to Trix's two ambitious but flawed novels She also puts into historical context Trix's long and productive participation as a medium for the Society for Psychical Research Most importantly Trix The Other Kipling gives a voice a mind and a heart to a misunderstood misrepresented but indomitable woman an accomplishment which will be of great interest to readers interested in Victorian women authors in the cultural interchanges between England and colonial India in serious psychical research in the early treatment of mental illness and more generally in the everyday life and struggles of intellectual women of the 19th and early 20th century *Lexical Issues in L2 Writing* Katalin Doró, Päivi Pietilä, Renata Pípalová, 2015-09-04 Research into lexical issues has been one of the most rapidly growing areas of second language acquisition studies in recent years and understandably so the importance of vocabulary can hardly be denied Words are the key to every instance of communication both spoken and written This volume concentrates on vocabulary in written language mostly in academic settings The writers of the chapters come from different countries and universities and naturally represent their own academic backgrounds though they all share a common interest in investigating the characteristics of L2 lexis as it manifests itself in the written production of students at various stages of their language learning careers The target language L2 in the studies reported in the volume is English except in one study on the lexical competence of multilingual learners of French The subjects' native languages include Czech Danish Finnish Hungarian and Swedish thus representing several different language families Each chapter constitutes an independent unit but together the studies reported in them give the reader a varied and extensive picture of lexical issues in L2 writing The authors approach their topics from different perspectives and use diverse research methods adding to the multifaceted nature of the volume The book will be of interest to researchers educators and students of second language acquisition and applied linguistics *The Charles Lamb Bulletin*, 2007 **Dream-Child** Eric G. Wilson, 2022-01-04 An in depth look into the life of Romantic essayist Charles Lamb and the legacy of his work A pioneer of urban Romanticism essayist Charles Lamb 1775-1834 found inspiration in London's markets theaters prostitutes and bookshops He prized the city's literary scene too where he was a star wit He counted among his admirers Mary Shelley William Wordsworth and Samuel Taylor Coleridge His friends valued in his conversation what distinguished his writing style a highly original blend of irony whimsy and melancholy Eric G Wilson captures Lamb's strange charm in this meticulously researched and engagingly written biography He

demonstrates how Lamb's humor helped him cope with a life-defining tragedy in a fit of madness his sister Mary murdered their mother. Arranging to care for her himself, Lamb saved her from the gallows. Delightful when sane, Mary became Charles's muse and she collaborated with him on children's books. In exploring Mary's presence in Charles's darkly comical essays, Wilson also shows how Lamb reverberates in today's experimental literature. **Джейн Остен и ее современницы** Коути Екатерина Константиновна, Елена Прокофьева, 2015 XVIII-XIX **Psychology** Daniel L. Schacter, Daniel T. Gilbert, Daniel M. Wegner, 2009. An introduction to psychology doesn't have to be science-challenged to be student-friendly. After all, what more powerful tool is there for captivating students than the real science behind what we know? This skillful presentation centers on a smart selection of pioneering and cutting-edge experiments and examples; it effectively conveys the remarkable achievements of psychology with the right amount of critical judgment to introduce the field's fundamental ideas to students from publisher.
