Madagascar, Mauritius and the Other East-African Islands Conrad Keller, 1901 **Madagascar, Mauritius and the Other East-African Islands** Conrad Keller, 1901 **Madagascar, Mauritius and the Other East-African Islands** C. Keller, 2015-06-26 Excerpt from Madagascar Mauritius and the Other East African Islands The task of describing the East African Island World must be regarded as a grateful one in itself for everything unites in lending an exalted charm to the subject In these islands Tropical Nature displays her magic in all its fulness and their history is replete with remarkable incidents If I were master of the power of expression of a Bernardin de St Pierre whose descriptions of the scenes of nature are unsurpassed I would make the attempt to give an adequate picture of the mighty Tropical Nature but I feel that I must confine myself to a pale and realistic sketch of that lovely island world and I thus stand in need of indulgence It is now twelve years since I visited the Seychelles the Mascarencs and Mauritius regions which had been till then but little visited Events have since that time brought the East African Archipelago especially Madagascar into the foreground of European interest As during my journey I had devoted myself almost exclusively to working out special questions of Natural Science I have been under the necessity of discussing matters foreign to my pursuits Fortunately earlier workers in the same field are not wanting The Mascarencs for example have been described again and again Alfred Grandidier of Paris has devoted his whole life to the exploration of this colossal island of Madagascar and his magnificent work forms a rich mine of information I am personally greatly indebted to this eminent French geographer for having furnished me with effective recommendations to the French authorities in Madagascar and thus eminently facilitating my studies About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Madagascar, Mauritius and the Other East-African Islands (Classic Reprint) Conrad Keller, 2017-11-24 Excerpt from Madagascar Mauritius and the Other East African Islands It has been considered desirable that the islands lying in the west of the Indian Ocean towards Australia should also be incorporated in this work I have not visited these islands But we possess sufficient information about them from recent German French And English expeditions And of this I have made use About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the

Enjoying the Track of Phrase: An Emotional Symphony within **Madagascar Mauritius And The Other East African Islands**

In a global taken by screens and the ceaseless chatter of fast conversation, the melodic elegance and mental symphony produced by the written term frequently diminish in to the background, eclipsed by the persistent noise and distractions that permeate our lives. But, nestled within the pages of **Madagascar Mauritius And The Other East African Islands** a stunning fictional value brimming with raw thoughts, lies an immersive symphony waiting to be embraced. Constructed by a wonderful composer of language, that fascinating masterpiece conducts visitors on a psychological trip, skillfully unraveling the hidden tunes and profound impact resonating within each carefully constructed phrase. Within the depths of the touching examination, we shall explore the book is central harmonies, analyze its enthralling writing model, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
