Madagascar Play Along Sticker:

Madagascar Play-Along Sticker Book, 2005-06 Four New York City zoo animals are going places and you can come too. Simply place the reusable stickers of Alex Marty Melman Gloria and the rest of their zoo friends wherever you want them and watch their world come to life. Based on MADAGASCAR the latest CGI movie from DreamWorks. **Madagascar Play-Along Sticker StoryBook** Scholastic, Inc. Staff, 2005-01-01 Young readers may place the reusable stickers in scenes from the story of four animal friends from a New York zoo a giraffe a hippo a lion and a zebra who are accidentally shipwrecked on Madagascar and must learn to survive in the wild and form a team. *Beyond the Lens of Conservation* Eva Keller, 2015-02-01 The global agenda of Nature conservation has led to the creation of the Masoala National Park in Madagascar and to an exhibit in its support at a Swiss zoo the centerpiece of which is a mini rainforest replica. Does such a cooperation also trigger a connection between ordinary people in these two far flung places? The study investigates how the Malagasy farmers living at the edge of the park perceive the conservation enterprise and what people in Switzerland see when looking towards Madagascar through the lens of the zoo exhibit. It crystallizes that the stories told in either place have almost nothing in common one focuses on power and history the other on morality and progress. Thus instead of building a bridge Nature conservation widens the gap between people in the North and the South. *50 Maps of the World Activity Book* Ben Handicott, Kalya Ryan, 2021-06-22 50 Maps of the World Activity Book is packed with maps wildlife culture history and a huge array of activities from across the globe. **Your Bedroom is a Rainforest!** Hannah Sheldon-Dean, 2021-12-14 Go on a journey through the jungle without ever leaving your bed. With Your Bedroom is a Rainforest kids can transform an ordinary room into a habitat for some of Earth's most amazing creatures with reusable wall safe and BPA free glow in the dark stickers everything from blue morpho butterflies to Bengal tigers to poison dart frogs. What's your favorite animal? The answer to this question much like one's favorite color can say a lot about a kid. Maybe they're into gorillas because they admire their nobility maybe the colors of a toucan capture their imagination maybe they like crocodiles because they take to water. While there are countless possible answers to this question one thing is almost certain they probably aren't going to say squirrel. No the favorite animal of a child tends to be exotic dangerous fast and maybe even endangered. In the past a long and expensive trip to the zoo was required for kids to pay a visit to their beast of choice. Well not anymore. Your Bedroom is a Rainforest brings the incredible ecosystems of Central America northern South America western Africa Southeast Asia and beyond right to the walls of your child's bedroom. Within this keepsake worthy hardcover book you will find more than 60 reusable stickers of jaguars capybara scarlet macaws monkeys forest elephants anacondas and many more adorable and sometimes ferocious animals glow in the dark and bring your environment to life. Along with the stickers kids can look forward to pages packed with illustrations of their favorite animals accompanied by fascinating and often hard to believe facts such as Most pandas spend half the day eating Toxic poison dart frogs have neon colors to warn predators Tiger urine

smells like buttered popcorn Without sloths there would be no avocados Lions may be called the kings of the jungle but they don't live anywhere near them Much of the life in the rainforest is found in the trees Unlike many other cats jaguars do not avoid water in fact they are excellent swimmers The high quality glow in the dark stickers might be what gets kids interested but the amazing facts are sure to be what keeps them around And the best part You're never too old to appreciate amazing jungle animals About the Author Hannah Sheldon Dean is a writer editor and educator specializing in publications for children and young adults She has written several licensed activity books and gift books with Penguin Young Readers and she writes and edits fiction nonfiction and educational materials for a variety of outlets She is currently a writing consultant at the Columbia University School of Social Work and a volunteer mentor with Girls Write Now Hannah received a Master's of Social Work from New York University and a BA in Literary Arts and Education Policy from Brown University and she loves to work on projects that fall at the intersection of those fields She lives in Brooklyn but grew up in Vermont so you might see her wandering the city in search of pine trees mourning doves caterpillars or whatever other bits of nature she can find She also loves singing with Khorikos choir baking bread and dreaming about the animal sanctuary she'll open someday
