**Volume 3** Fanny Burney, 2018-07-07 The Diary and Letters of Madame D Arblay Volume 3 by Fanny Burney THE FRENCH POLITICAL EMIGRANTS MISS BURNEY MARRIES M D ARBLAY The following section must be pronounced from the historical point of view one of the most valuable in the Diary It gives us authentic glimpses of some of the actors in that great Revolution the Death Birth of a new order which was getting itself transacted with such terrible accompaniments across the channel The refugees with whom Fanny grew acquainted and who formed the little colony at juniper Hall near Dorking were not the men of the first emigration princes and nobles who fled their country like cowards as soon as they found themselves in danger and reentered it like traitors in the van of a foreign invasion Not such were the inmates of Juniper Hall These were constitutional monarchists men who had taken part with the people in the early stage of the Revolution who had been

instrumental in making the Constitution and who had sought safety in flight only when the Constitution was crushed and the monarchy abolished by the triumph of the extreme party To the grands seigneurs of the first emigration these constitutional royalists were scarcely less detestable than the jacobins themselves We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience DIARY & LETTERS OF MADAME DARBY Fanny 1752-1840 Burney, Charlotte Barrett, Austin 1840-1921 Dobson, 2016-08-25 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant
