Prichard, 2022-09-16 *A Modern Mercenary* presents a compelling tapestry of tales that traverse the tumultuous landscape of early 20th century adventures and exploits This collection brilliantly weaves together narratives that explore themes of bravery moral complexity and the intricate dance of loyalty and betrayal in times of conflict The anthology showcases a diverse range of literary styles from vivid storytelling that paints the chaos of battlefields to introspective prose examining the inner conflicts faced by soldiers Standout narratives within the collection capture the reader's imagination through their vivid descriptions and deep philosophical inquiries into the nature of mercenary life and warfare The Prichards Hesketh Vernon Hesketh and K Prichard bring forth their literary expertise and broad understanding of the zeitgeist surrounding wartime mercenaries Their collaboration as editors enriches the anthology by drawing from diverse cultural and historical settings casting light on the often overlooked narratives of mercenaries The collection reflects a convergence of post Victorian and Edwardian literary movements where traditional adventure tales meld with emerging modernist themes offering readers a multifaceted exploration of complex characters shaped by their turbulent environments For readers seeking an immersive journey into the nuanced world of mercenary adventures *A Modern Mercenary* is a must read This anthology serves as an invaluable resource for those interested in the era's historical backdrop and literature's exploration of moral ambiguities in war With its rich tapestry of perspectives and narratives the collection invites readers into a dialogue on timeless themes providing a unique educational experience and an unparalleled window into human resilience and complexity during troubled times *The Guermantes Way* Marcel Proust, 2018-01-01 An authoritative new edition of the third volume in Marcel Proust's epic masterwork *In Search of Lost Time* Marcel Proust's monumental seven part novel *In Search of Lost Time* is considered by many to be the greatest novel of the twentieth century This edition of volume three *The Guermantes Way* is edited and annotated by noted Proust scholar William C Carter who endeavors to bring the classic C K Scott Moncrieff translation closer to the spirit and style of the author's original text Continuing the story begun in *Swann's Way* and continued in *In the Shadow of Young Girls in Flower* *The Guermantes Way* follows Proust's young protagonist as he advances through aristocratic French society in late nineteenth century Paris A departure from the intimacy of the sprawling

novel's previous two installments part three unfolds against a colorful backdrop of Parisian life moving from literary salon to opulent social gathering to provide a biting and satirical commentary on culture human foibles the ways of the world and the irretrievable loss of time

French Women Writers Eva Martin Sartori, Dorothy Wynne Zimmerman, 1994-01-01 Marie de France Mme De S vign and Mme De Lafayette achieved international reputations during periods when women in other European countries were able to write only letters translations religious tracts and miscellaneous fragments There were obstacles but French women writers were more or less sustained and empowered by the French culture Often unconventional in their personal lives and occupied with careers besides writing as educators painters actresses preachers salon hostesses labor organizers these women did not wait for Simone de Beauvoir to tell them to make existential choices and have projects in the world French Women Writers describes the lives and careers of fifty two literary figures from the twelfth century to the late twentieth All the contributors are recognized authorities Some of their subjects like Colette and George Sand are celebrated and others are just now gaining critical notice From Christine de Pizan and Marguerite de Navarre to Rachilde and H l _ne Cixous from Louise Lab e to Marguerite Duras these women speak through the centuries to issues of gender sexuality and language French Women Writers now becomes widely available in this Bison Book edition

Proust's Duchess Caroline Weber, 2019-11-26 PULITZER PRIZE FINALIST A brilliant look at turn of the century Paris through the first in depth study of the three women Proust used to create his supreme fictional character the Duchesse de Guermantes Weber has done a remarkable job of bringing to life a world of culture glamour and privilege The Wall Street Journal Genevi ve Hal vy Bizet Straus Laure de Sade Comtesse de Adh aume de Chevign and lisabeth de Riquet de Caraman Chimay the Comtesse Greffulhe these were the three superstars of fin de si cle Parisian high society who as Caroline Weber says transformed themselves and were transformed by those around them into living legends paragons of elegance nobility and style All well but unhappily married these women sought freedom and fulfillment by reinventing themselves between the 1870s and 1890s as icons At their fabled salons they inspired the creativity of several generations of writers visual artists composers designers and journalists Against a rich historical backdrop Weber takes the reader into these women's daily lives of masked balls hunts dinners court visits nights at the opera or theater But we see as well the loneliness rigid social rules and loveless arranged marriages that constricted these women's lives Proust as a twenty year old law student in 1892 would worship them from afar and later meet them and create his celebrated composite character for The Remembrance of Things Past
