Perry,2008-10 Includes forty eight ghost stories mysteries and legends from Henry County and the nearby counties of Brown Delaware Grant Jay Hancock Madison Marion Morgan Shelby Randolph and Wayne **A Tennessee Folklore Sampler** Ted Olson,Anthony P. Cavender,2009 Since 1934 the Tennessee Folklore Society Bulletin has been a respected source on the wonderfully diverse history and traditions of the Volunteer State but

until now that publication's wide ranging articles have been largely restricted to the society's membership. With the appearance of *A Tennessee Folklore Sampler* editors Ted Olson and Anthony P. Cavender provide a broad audience with a rich selection of the work published over the course of this acclaimed journal's seventy five year history. Packed with colorful descriptions and analysis of the state's folkways *A Tennessee Folklore Sampler* covers all three of the grand divisions of Tennessee: East, Middle and West and includes articles by some prominent students of folklore among them Charles Wolfe, Charles Faulkner, Bryan Thomas Burton, Donald Davidson, Herbert Halpert, Mildred Haun, Michael Lofaro, Michael Montgomery and Tom Rankin. Following an introductory section that places the book into historical, cultural and socioeconomic contexts, *A Tennessee Folklore Sampler* is divided into ten parts covering material culture, medicine, beliefs and practices, customs, play and recreation, lore, speech, legends, ballad and song, instrumental traditions and music, collecting and folk communities. Each part begins with an introduction that places the selections in context and concludes with suggestions for further reading. The appendix features an essay that explores the history of the Tennessee Folklore Society and the evolution of folklore studies of the state. The anthology will be a welcome resource for folklorists and scholars in many fields as well as a special treasure for general readers. With more than sixty illustrations complementing the text, *A Tennessee Folklore Sampler* presents a vivid overview of Tennessee folk culture that illuminates the very soul of the state. Ted Olson is the author of *Blue Ridge Folklife* and *Breathing in Darkness: Poems* and the coeditor of *The Bristol Sessions: Writings about the Big Bang of Country Music*. He teaches at East Tennessee State University. Anthony P. Cavender is professor of anthropology in the Department of Sociology and Anthropology at East Tennessee State University. He is the author of *Folk Medicine in Southern Appalachia* and has published articles in *Social Science and Medicine*, *Journal of Folklore Research*, *Journal of Ethnopharmacology*, *Human Organization*, *Appalachian Journal* and *American Speech* among others.

Folklore and Folk Music Archives and Related Collections in the United States and Canada Joseph Charles Hickerson, 1978 *American Legend* Buddy Levy, 2006-12-05 David Crockett was an adventurer, a pioneer and a media savvy national celebrity. In his short but distinguished lifetime this charismatic frontiersman won three terms as a U.S. congressman and a presidential nomination. His 1834 memoir enjoyed frenzied sales and prompted the first ever official book tour for its enormously popular author. Down to earth, heroic and independent to a fault, the real Crockett became lost in his own hype and he's been overshadowed by a larger than life pop culture character in a coonskin cap. Now *American Legend* debunks the tall tales to reveal the fascinating truth of Crockett's hardscrabble childhood, his near death experiences, his unlikely rise to Congress and the controversial last stand at the Alamo that mythologized him beyond recognition. In this beautifully written narrative, Crockett emerges as never before: a rugged individual, a true American original and an enduring symbol of the Western frontier. A great myth busting story that presents Davy Crockett as a man of genius and folly which has the unlikely effect of making him all the more heroic. Martin Dugard, author of *The Last Voyage of Columbus* and *Into Africa: The Epic*
