Madly In Love:

Legacy Robert Maxxim, 2014-06-24 A novel 30 years in the making Legacy is a story set in the future of mankind's previous sojourns through this and countless other worlds as experienced by the author. It describes one man's incredible journey through several lifetimes as far back as a million years, his blunders and triumphs and the many worlds and places where these experiences took place. The book also highlights advanced scientific and spiritual concepts written in lyrical romantic prose. But most of all, it is a powerful love story deeply rooted in his unquenchable desperate search through the vastness of space and time for his one, his soul mate. In Episode I, the main character, a geologist on Mars, stumbles upon benign underground Martian civilizations and establishes a close relationship with a Martian woman who unbeknownst to him is his long lost one. Theirs is love at first sight yet kept secret from each other. Martians and envoys from other worlds offer to teach Earth the true science of life, but wicked parties hastily draw plans to deceive and exploit aliens. He holds true to his alien friends and his one, in spite of endless guile. Lifestyles change, weapons vanish, and love fosters on Earth under alien guidance. But his heart must also change by facing horrible deeds he committed in past lives he now ignores. Of these, none compare in iniquity to his role as The Destroyer, a cosmic oppressor that terrorized the galaxy in the name of an evil space Alliance based in Orion.

The Poetical and Prose Writings of John Lofland, M.D., the Milford Bard John Lofland, 1846 Rich Family's Hot Little Wife Mu WanXi, 2020-10-14

When they met for the first time she was almost eaten dry by him. However, by some strange accident she ended up living with him under the same roof. She became his personal maid and was constantly harassed by him every night. This big-tailed wolf pretended to be her good brother in front of her and was showing love to his girlfriend. However, he used all sorts of moves to deal with her and didn't allow her to interact with other men. How could he hide from such a bad man? When she finally returned, the one standing next to her was his little uncle. Stupid girl, did you get tired of living by fooling around with me? He grabbed her chin and said, "You should call me aunt, you bastard." But she smiled, "Okay, why don't I go and talk to my uncle to let him know how special your taste is?" No matter how far she ran and how long she dodged, she could not escape the palm of his hand.
