For the first time, Madman's debut series is presented in colour for the ultimate surreal superhero reading experience in a deluxe oversized hardcover format. This six volume Madman universe omnibus library edition series collects all of Allred's award-winning Madman universe aka the Madmaniverse stories in selected reading order for the ultimate Madman fan. *Madman Library Edition Volume 3*

Michael Allred, 2022-11-15 The Madman comics universe returns with over 650 pages drawn by legendary comics creator Michael Allred in this true homage to superhero fiction, metaphysical philosophy, 1950s science fiction films, rock and roll pop music and much more. Volume three collects Michael Allred's popular comic series *The Atomics* 1-15 and the cult classic graphic novel *Red Rocket* 7. Both essential Allred commentaries on superhero team antics, music, pop culture and zany sci-fi fun. This six volume Madman universe omnibus library edition series collects all of Allred's award-winning Madman universe aka the Madmaniverse stories in selected reading order for the ultimate Madman fan. **Michael Allred** Christopher Irving, 2015-10-15 Michael Allred b. 1962 stands out for his blend of spiritual and philosophical approaches with an art style reminiscent of 1960s era superhero comics which creates a mixture of both postmodernism and nostalgia. His childhood came during an era where pop art and camp embraced elements of kitsch and pastiche and introduced them into the lexicon of popular culture. Allred's use of both in his work as a cartoonist on his signature comic book *Madman* in the early 1990s offset the veiled autobiography of his own spiritual journey through Mormonism and struggles with existentialism. Thematically, Allred's work deals heavily with the afterlife as his creations struggle with the grander questions: whether his modern Frankenstein hero Madman, cosmic rock n roller *Red Rocket* 7, the undead heroine of *iZombie* co-created with writer Chris Roberson or the cast of superhero team book *The Atomics*. Allred also enjoys a position in the creator-driven generation that informs the current batch of independent cartoonists and has experienced his own brush with a major Hollywood studio's aborted film adaptation of *Madman*. Allred's other brushes with Hollywood include an independent adaptation of his comic book *The G-Men from Hell*, an appearance as himself in Kevin Smith's romantic comedy *Chasing Amy* where he provided illustrations for a fictitious comic book, the television adaptation of *iZombie* and an ongoing relationship with director Robert Rodriguez on a future *Madman* film. *Michael Allred Conversations* features several interviews with the cartoonist from the early days of *Madman*'s success through to his current mainstream work for Marvel Comics. To read them is to not only witness the ever-changing state of the comic book industry but also to document Allred's growth as a creative genius.
