Mackay, Warren Brookbanks, 2022 The Insanity Defence provides an essential comparative perspective on the theory and practice of the insanity defence in both common law and civil law jurisdictions It is a companion volume to *Fitness to Plead* OUP 2018 by the same editors and is written and edited by a team of leading experts in the field Madness and Society in Eighteenth-Century Scotland R. A. Houston, 2000-02-03 How did people view mental health problems in the eighteenth century and what do the attitudes of ordinary people towards those afflicted tell us about the values of society at that time Professor Houston draws upon a wide range of contemporary sources notably asylum documents and civil and criminal court records to present unique insights into the issues around madness including the written and spoken words of sufferers
