Opportunist Chameleon Role model She s all of these things and more Yet who is she really In Madonna An Intimate
Biography author J Randy Taraborrelli s scrupulously researched and completely balanced unauthorized biography of one of
the world s most celebrated entertainers the reader is allowed to draw his or her own conclusions Indeed the portrait
bestselling author Taraborrelli paints here is of a truly complex woman one who is driven and determined to succeed at any
cost yet who displays remarkable vulnerability when it comes to matters of the heart It is significant that Madonna An
Intimate Biography is the first such book written about the star in over a decade because in the past ten years the ever
changing Madonna has gone through her biggest transformation yet from tempestuous sex goddess to happily married
mother Amazingly as she launches her first worldwide tour in eight years she is now at forty something enjoying one of the
most successful periods of her groundbreaking career Whereas other books about Madonna have been based on previously
published material Madonna An Intimate Biography is the result of ten years of exclusive interviews with people who are
speaking publicly about her for the first time including close friends business associates and even family members Since
Taraborrelli interviewed the star herself early in her career he is now able to draw from such firsthand experiences to place
her success story in perspective and provide new stunning insights The true Madonna as presented here is not merely a
sensation seeking tabloid vixen but a flesh and blood woman with human foibles and weaknesses as well as great strengths
and ambitions For the first time the reader learns about the complex nature of her difficult relationship with her father and
how the two finally found one another after years of estrangement how Warren Beatty broke her heart and why the two
never wed how she and John Kennedy Jr became romantically involved his mother s reaction to the prospect of Madonna as a
daughter in law and why it could never have worked out the truth of her relationships with the fathers of her two children
and how as a loving and attentive mother she has evolved into a surprisingly different woman and what the future holds for
her Madonna An Intimate Biography is a truly explosive and definitive account of the life of an entertainer who is
undoubtedly one of the most popular trendsetting figures of our time Full of amazing disclosures about her private life and
public career New York Times bestselling author J Randy Taraborrelli s latest work reveals Madonna in a new and
