What seems at first a simple matter of putting the facts straight turns into a nightmarish confrontation with a man who will stop at nothing to defend his privileges.      Märkische Forschungen Verein für Geschichte der Mark Brandenburg, 1841

Looking at specific films and scriptwriters they analyze the representation of fascism and anti fascism in the 1940s and 1950s conflicts between the state and film makers in the 1960s and social political criticism of the 1970s and early 1980s. The present study traces his career from his earliest literary publications in the 1960s paying close attention to the impact cultural attitudes in the GDR at that time have subsequently had on the development of his writing. In addition to an examination of his creative work de Bruyn's extensive research into Germany's cultural heritage as exemplified by his acclaimed biography of Jean Paul is also considered revealing the fullness of his contribution as both author and literary historian      **A Guide to Serial Publications Founded Prior to**
