Mafia Expansion Zora L. Hauser,2025-03-14 Mafia Expansion The Ndrangheta in Established Democracies offers an overarching account of mafia expansion grounded in a far reaching analysis of one of the most widely spread yet least understood mafias in the world While few mafia organizations exist today they wield significant global influence having extended their reach into territories including the United States Australia and nearly all European countries Scholars have often associated mafia presence with a state s ability and willingness to govern effectively when faced with social disorganization economic recession and chronic distrust Why then have seemingly stable democracies seen mafia expansion into their territories In response to this question Mafia Expansion illuminates how and why mafia organizations have taken root in contexts very different to those in which they originally emerged Drawing on extensive fieldwork and a rich selection of primary sources the book presents an in depth study of the Calabrian Ndrangheta s expansion to Germany It offers a nuanced framework for understanding mafia expansion according to which mafia groups either transplant their core business model attempting to govern in the new territory trade in licit and illicit markets as one criminal actor among many or become inactive and hibernate in a stage from which they may or may not resurface Taken together the book proposes a comprehensive explanation of mafia expansion that goes beyond specific case studies and uncovers relationships between migration trust and enforcement dynamics within the context of organized crime *Crime in America--aspects of Organized Crime, Court Delay, and Juvenile Justice* United States. October in Cascade Springs means tourists are pouring in for the annual Food and Wine Festival and Daisy hopes to draw those crowds to the store. She asks Violet and the local writing group the Red Inkers to give a reading of the works of Edgar Allan Poe in the shop's back garden to entertain the revelers. Everyone eagerly agrees. Yet their enthusiasm is soon extinguished when Violet discovers one of the writers dead during the event. After the shop magically tells Violet she'll need to rely on Poe's works to solve the murder, she enlists the help of her trusty tuxedo cat Emerson and the shop's crow, Faulkner. But they must act fast before someone else's heart beats nevermore. Publisher
