## **Mafia Fix:**

Mafia Fix Warren Murphy, Richard Sapir, 2023-09-01 The Mafia is making a power play on US soil smuggling in four shipping containers full of the finest Turkish heroin right under the Fed's noses. It's a shipment large enough to turn a generation into addicts and elevate the Cosa Nostra to new heights. This is a clear and present danger to the future of the nation; the only course for the President is to pick up a very special phone and to ask CURE to send in The Destroyer. The Destroyer is Remo Williams, an ex-cop who should be dead but instead fights for a top secret government law enforcement organisation. Trained in the esoteric martial art of Sinanju by his aged mentor Chiun, Remo is America's last line of defence. Breathlessly action-packed and boasting a winning combination of thrills, humour and mysticism, the Destroyer is one of the bestselling series of all time. *The Fix* Declan Hill, 2010-04-13 The Fix is the most explosive story of sports corruption in a generation. Intriguing, riveting and compelling, it tells the story of an investigative journalist who sets out to examine the world of match-fixing in professional soccer. From the Introduction: Understand how gambling fixers work to corrupt a soccer game and you will understand how they move into a basketball league, a cricket tournament or a tennis match, all places by the way that criminal fixers have moved into. My views on soccer have changed. I still love the Saturday morning game between amateurs, the camaraderie and the fresh smell of grass. But the professional game leaves me cold. I hope you will understand why after reading the book. I think you may never look at sport in the same way again. The Passion Patrick Keddie, 2018-03-30 In 1981 a young semi-professional footballer known as Imam Beckenbauer for his piety and his dominant style of play has his career cut short after a confrontation with Turkey's military junta. His name was Recep Tayyip Erdogan and three decades later he is Turkey's most powerful ruler. Since Ataturk Turkey is a nation obsessed with football. From the flares which cover the stadium with multi-coloured smoke and often bring play to a halt to the conductors' ultras who lead the walls of sound at matches, Turkish football has always been an awesome spectacle. And yet in this politically fraught country caught between the Middle East and the West, football has also always been so much more. From the fan groups resisting the government in the streets and stands to ambitious politicians embroiling clubs in Machiavellian shenanigans, football in Turkey is a site of power, anger and resistance. Journalist and football obsessive Patrick Keddie takes us on a wild journey through Turkey's role in the world's most popular game. He travels from the streets of Istanbul where fans dodge tear gas and water cannons to the plains of Anatolia where women are fighting for their rights to wear shorts and play sports. He meets a gay referee facing death threats, Syrian footballers trying to piece together their shattered dreams and Kurdish teams struggling to play football amid war. The Passion also tells the story of the biggest match-fixing scandal in European football and sketches its murky connections to the country's leadership. In doing so, he lifts the lid on a rarely glimpsed side of modern Turkey. Funny, touching and beautifully observed, this is the story of Turkey as we have never seen it before. **The Fix Is In** Brian Tuohy, 2010-04-01 Professional sports in America, it's all about fair play and the goal of winning.

championships At least that s the spin But could it be a massive showbiz operation filled with greedy owners crooked referees and coddled players all with the unstated goal of grabbing as much money as possible Author Brian Tuohy provides a full sourced saga of the corruption that has infected the storied histories of the NBA MLB NFL NHL and NASCAR With reality obscured by a complacent and often complicit sports media *The Fix Is In* shines a light on a hidden history of clandestine arrangements between television networks and sports leagues all against a background of drinking drugging and crime Finally here s a book that unflinchingly examines the sordid underbelly of the American sports industry Brian Tuohy maintains the website thefixisin net and is a frequent contributor to the CBS Sports website bleacherreport com where he chronicles sports scandals and conspiracies as the stories break Brian has been interviewed by The New York Times ESPN Fox Sports and The Power Hour radio program
