Registers of Historic Preservation **Death Sentences** Garrett Stewart, 1984 This is a book about terminals and boundaries mortality and closure the infinitesimals of style and the finite limits of representational language about least and last things together It is a book to start with about three vast and familiar facts of life and art death content and form Only by their particular triangulation in the genre of prose fiction do they mark out the hypothesis of the present study that death in fiction is the fullest instance of form indexing content is indeed the moment when content comprising the imponderable of negation and vacancy can be found dissolving to pure form Death in narrative yields by yielding to sheer style *Staging the Slums, Slumming the Stage* J. Westgate, 2014-10-15 Drawing on traditional archival research reception theory cultural histories of slumming and recent work in critical theory on literary representations of poverty Westgate argues that the productions of slum plays served as enactments of the emergent definitions of the slum and the corresponding ethical obligations involved therein **The Adventures of Queen Jade** Louis Kwong, 2012-04-01 It is basically a true story about the mutual love between Jade a tortoiseshell cat and the author s family as well as her bitter rivalry with a female tabby cat named Thelma by the author Jade is highly intelligent and knows how to take care of the author s wife who is insulin dependent Jade has frequently helped save her from passing out due to hypoglycaemia Jade behaves exactly like a human being with emotions compassions sentiments feelings love dignity pride affection and even affectation Of course she can be domineering at times but is never oppressive She is friendly not only to human beings but also to many other animals including many tom cats and a few fox cubs She likes Brian a black cat the most but dislikes Brad a piebald cat who follows Jade almost everywhere Unfortunately she has also made enemy with Thelma who often comes into the area to harass and fight with Jade Their confrontation persists for many years until Jade s death in 2008 because of kidney failure **George Eliot and Goethe** Gerlinde Röder-Bolton, 2023-11-27 In the first half of the nineteenth century in England there was a strong interest in German literature and German scholarship George Eliot studied German and German literature from the age of twenty Her first publication in 1846 was a translation of Friedrich Strauss s *Das Leben Jesu* followed in 1854 by the translation of Ludwig Feuerbach s *Das Wesen des Christentums* That same year George Eliot left England with George Henry Lewes on her first visit to Germany During the next three months they visited Frankfurt Weimar and Berlin to collect material for Lewes s biography of Goethe In this study Gerlinde R der Bolton explores the impact of Goethe on George Eliot whose elective affinity with Goethe was both ethical and artistic and analyses George Eliot s responsiveness to Goethe s moral vision and the literary uses she makes of her familiarity with Goethe s work *George Eliot and Goethe An Elective Affinity* concentrates on *The Mill on the Floss* and *Daniel Deronda* showing how the intertextual relationship with *Die Wahlverwandtschaften* holds the key to an understanding of the latter part of *The Mill on the Floss* while the first part of *Faust* and Wilhelm Meisters *Lehrjahre* throw new light on *Daniel Deronda* This study with its close analysis of a range of works by George Eliot and Goethe is essential reading for anyone interested in both or either of these authors or in Anglo German literary relations
