Popular Magic: Cunning-folk in English History Owen Davies, 2007-06-01 Cunning folk were local practitioners of magic providing small scale but valued service to the community They were far more representative of magical practice than the arcane delvings of astrologers and necromancers Mostly unsensational in their approach cunning folk helped people with everyday problems how to find lost objects how to escape from bad luck or a suspected spell and how to attract a lover or keep the love of a husband or wife While cunning folk sometimes fell foul of the authorities both church and state often turned a blind eye to their existence and practices distinguishing what they did from the rare and sensational cases of malvolent witchcraft In a world of uncertainty before insurance and modern science cunning folk played an important role that has previously been ignored
