The Ethical Assassin David Liss, 2007-01-30
Edgar award winning author of the popular historical novels A Conspiracy of Paper and A Spectacle of Corruption David Liss showcases his amazing versatility with this brilliant new tale of contemporary suspense a literary thriller set in Florida where killing is a matter of conscience No one is more surprised than Lem Altick when it turns out he s actually good at peddling encyclopedias door to door He hates the predatory world of sales but he needs the money to pay for college Then things go horribly wrong In a sweltering trailer in rural Florida a couple whom Lem has spent hours pitching is shot dead before his

eyes and the unassuming young man is suddenly pulled into the dark world of conspiracy and murder Not just murder assassination or so claims the killer the mysterious and strangely charismatic Melford Kean who has struck without remorse and with remarkable good cheer But the self styled ethical assassin hadn t planned on a witness and so he makes Lem a deal Stay quiet and there will be no problems Go to the police and take the fall Before Lem can decide he is drawn against his will into the realm of the assassin a post Marxist intellectual with whom he forms an unlikely and perhaps unwise friendship The ethical assassin could be a charming sociopath eco activist or vigilante for social justice To unravel the mystery and save himself Lem must descend deep into a bizarre world he never knew existed where a group of desperate and genuinely deranged schemers have hatched a plan that will very likely keep Lem from leaving town alive David Liss skillfully interweaves a gallery of eccentric characters with a multilayered plot characterized by its unpredictable twists and turns The Ethical Assassin is a brilliant darkly comic novel that will leave readers in suspense until the very last page
