Through My Eyes..The Past Comes Calling AJ, 2010-09-30 My name is AJ. I live in Toronto, Canada. On February 18, 1996, Michael J. Hummel drugged me with GHB, kidnapped me, and then Gregg A. Tippet and he raped me and almost killed me. I believed I was not their only victim and I refused to stay silent. After their pictures were exposed in the national media, over 30 women came forth with similar horror stories with them. In effect, my mission became to put them behind bars and stop them from victimizing any more women. During the botched criminal case, I hired two Florida lawyers specifically for a trial with these delinquents. I didn't trust my lawyers, therefore I taped one of them. In effect, I not only learned that they lied to the judges and me, but most critically, I discovered that the lawyers were involved in a conspiracy to set the culprits free from a trial and shift liability to State Farm insurance for 1.5 million dollars. After I paid my attorneys 85,000, they abandoned me and left me standing in the Florida courts alone fighting their 41,000 invoice from State Farm as a result of their coerced, colluded contract. My attorneys simply raped me of my justice. I then filed a Florida Bar complaint, and the packed mentality, legalese, ignored, discarded, and neglected my undisputable smoking gun evidence. My tape, I believe, the public has a right to know the factual raw truth. The lessons are: never give up on yourself and never underestimate the power of your voice.

American Gas Engineering Journal, 1921 **Take a Stand!** Sharon M. Kaye, 2021-09-23 *Take a Stand* grades 9-12 helps teens develop critical thinking skills by examining debates on issues directly relevant to their lives that you won't find in most classroom materials. Each chapter covers an important topic relating to electronics, sex, mental health, and relationships. Presents a question for debate such as: Should kids choose their own religion? and Is it possible to love more than one person? Shows how each issue might arise in an ordinary teen conversation. Presents and explores two or more opposed answers to philosophical debates. Encourages high school students to develop their own positions while learning to appreciate other perspectives. Throughout the book, the chapter contributors all current or recent teens themselves highlight key definitions.

quote compelling sources and diagram the central arguments Each chapter includes discussion questions to guide arguments as well as helpful sidebars and illustrations to increase comprehension Perfect for inspiring classroom discussion of topics that matter to today's teens Grades 9-12
