New Story New God:

Your Life is God's Story Tim Dilena, 2024-05-07 Biblical stories and powerful testimonies that encourage faith in God's plan for your life In *Your Life is God's Story* pastor and teacher Tim Dilena guides readers through the faith building journeys of eleven Bible characters whose ordinary and painful experiences led to unforeseen results Alongside the Bible stories are powerful testimonies from Tim and people in his life *Your Life is God's Story* gives readers a new set of lenses to view experiences and events in life with hope The hope is seeing how God gets ordinary people to their intended destinies Readers will gain a renewed passion for persevering through life's challenges to trust God's process Together they illustrate how God has a perfect plan for everyone *Your Life is God's Story* includes Stories from 11 biblical people whose destinies were unclear throughout most of their lives Experiences of ordinary believers who have trusted the process living through big trouble and getting to the other side to give praise to God Questions for further reflection and study at the end of every chapter **A Redemptive Theology of Art** David A. Covington, 2018-05-01 *A Redemptive Theology of Art* develops a biblical systematic and practical theology of aesthetics It begins with the roots and ontology of aesthetics vs art and the architecture and narrative of affection and passion their woes and their glory Those who would search the Bible find little support for art as commonly conceived in the West The language of aesthetics applied to the maker's intentions the qualities of the work and the responses of the audience better addresses the questions of beauty and better suits the discussion of human actions beliefs and culture than the language of art does The Bible yields more consistent and helpful answers to questions about the broader category of aesthetics than it does to questions about art leading in turn to better questions and a more practical and theological appreciation of human affections beauty and delight and the many paths by which people including Christians pursue them Using the categories and definitions from Scripture Covington gives hope and help not only for those who labor in the arts but for everyone who cares about the passions that motivate us We were made for God's delight and though sin and bondage plague our passions God can shape our feelings desires affections and aversions Feelings are neither objective nor subjective they are redeemable Borrowing key ideas from other Christian writers on the arts or aesthetics Covington explores the connection between orthodox Protestant theology and a responsible respectful treatment of arts artists and all aesthetic fields of human work and speech **God's EPIC Adventure** Winn Griffin, 2007-10 Griffin uses Bishop Tom Wright's five act play model as a way of presenting Scripture as a full length story in order to assist the reader in a better reading experience of the text Christian **Old Stories, New Insights** Julie Warren Hawkins, 2011-07 With an in depth look at the lives of 13 women of the Bible this devotional takes you step by step on a journey of healing self discovery and affirmation through 90 daily readings Although separated by centuries each woman's experience contains deeply embedded timeless truths applicable to us and our experiences today In their stilled yet still living voices we hear them testify that God was to them personal and loving concerned and involved as well as intimate and powerful They challenge us

to walk back along their paths of old and to search for hidden marks that point out where we can pause to gather strength dig for encouragement pick up insight collect understanding and harvest hope I accepted their challenge and can now testify that all they say is true Judith Warren Hawkins founder of Gaza Road Ministries has served as a county court judge since 1996 in Tallahassee Leon County Florida Gaza Road Ministries is her calling modeled after Philip's encounter with the Ethiopian eunuch in Acts 8 Judge Hawkins is a gifted teacher of Bible truths making plain the word of God so that none need err in the way of understanding and wisdom She is a frequent speaker and presenter and has participated in numerous international mission programs Judge Hawkins is married the mother of one adult son and grandmother of two young girls <http://www.gazaroadministries.com>

First and Second Chronicles Andrew E. Hill, 2003 The Chronicles are more than a history of ancient Israel under the ascent and rule of the Davidic dynasty They are a story whose grand theme is hope Great battles are fought heroes and tyrants vie for power Israel splits into rival kingdoms and the soul of God's holy nation oscillates between faithlessness and revival Yet above this tossing sea of human events God's covenant promises reign untroubled and supreme First and Second Chronicles are a narrative steeped in the best and worst of the human heart but they are also a revelation of Yahweh at work forwarding his purposes in the midst of fallible people God has a plan to which he is committed Today as then God redirects our vision from our circumstances in this turbulent world to the surety of his kingdom and to himself as our source of confidence and peace Exploring the links between the Bible and our own times Andrew E Hill shares perspectives on 1 and 2 Chronicles that reveal ageless truths for our twenty-first century lives Most Bible commentaries take us on a one-way trip from our world to the world of the Bible But they leave us there assuming that we can somehow make the return journey on our own They focus on the original meaning of the passage but don't discuss its contemporary application The information

they offer is valuable but the job is only half done The NIV Application Commentary Series helps bring both halves of the interpretive task together This unique award winning series shows readers how to bring an ancient message into our postmodern context It explains not only what the Bible meant but also how it speaks powerfully today The O.E. Library Critic ,1913 **From Memory to Imagination** C. Randall Bradley,2012-09-21 The relatively recent worship wars over

styles of worship traditional contemporary or blended have calmed down and many churches have now reached decisions about which worship style defines them At a more fundamental level however change has yet to begin In From Memory to Imagination Randall Bradley argues that fallout from the worship wars needs to be cleaned up and that fundamental cultural changes namely the effects of postmodernism call for new approaches to worship Outlining imaginative ways for the church to move forward this book is a must read for church leaders and anyone interested in worship music **The Story of Myth**

Sarah Iles Johnston,2018-12-03 Greek myths have long been admired as beautiful thrilling stories but dismissed as serious objects of belief For centuries scholars have held that Greek epics tragedies and the other compelling works handed down to us obscure the real myths that supposedly inspired them Instead of joining in this pursuit of hidden meanings Sarah Iles Johnston argues that the very nature of myths as stories as gripping tales starring vivid characters enabled them to do their most important work to create and sustain belief in the gods and heroes who formed the basis of Greek religion By drawing on work in narratology sociology and folklore studies and by comparing Greek myths not only to the myths of other cultures but also to fairy tales ghost stories fantasy works modern novels and television series The Story of Myth reveals the subtle yet powerful ways in which these ancient Greek tales forged enduring bonds between their characters and their audiences created coherent story worlds and made it possible to believe in extraordinary gods Johnston captures what makes Greek myths distinctively Greek but simultaneously brings these myths into a broader conversation about how the stories told by all cultures affect our shared view of the cosmos and the creatures who inhabit it **The People's New Testament**

Commentary M. Eugene Boring,Fred B. Craddock,2010-01-25 M Eugene Boring and Fred B Craddock present this new one volume commentary on the New Testament Writing from the fundamental conviction that the New Testament is the people s book Boring and Craddock examine the theological themes and messages of Scripture that speak to the life of discipleship Their work clarifies matters of history culture geography literature and translation enabling people to listen more carefully to the text This unique commentary is the perfect resource for clergy and church school teachers who seek a reference tool midway between a study Bible and a multivolume commentary on the Bible *Art of Vampirella* Davide Barzi,2017-01-11

wanting more God's story is like this a captivating epic that stretches from the beginning of time across our lives and into the future calling us to find ourselves in it We can help students to be captured by this amazing story rather than seeing the Bible as confusing boring or irrelevant After ten years in youth ministry Michael Novelli felt like he had tried everything to help his students connect with the Bible Then a missionary introduced him to a unique ancient way to engage people with the Bible through story Michael learned the art of Storying a sequential telling of Bible stories followed by a time of creative retelling and in depth dialogue God used this process to completely transform his youth group as they found themselves experiencing God in a whole new way Take a journey into the amazing process of Storying and discover how it can change your life and ministry This new approach to learning builds a lasting theological foundation while challenging students to discover their unique identity and calling in God's story Shaped by the Story helps you understand why Storying connects with students today and provides all you need to introduce Storying to your group including sample narratives and an interactive training DVD

God's Autopsy and the Living Truth of Soul Hal Childs, 2022-08-22 The Grand Narrative of Christianity that the Bible created is dead and the Bible is silent Does the Bible have anything relevant to say to our modern circumstances We ask where did God come from What happened to God God's Autopsy reinterprets soul and God as historical psychological phenomena related to the cultural structure of consciousness the invisible shared context of thought which has changed dramatically over the past three millennia This book offers a new way to understand the trajectory of Western civilization by making the implicit foundation of Western consciousness soul visible and conscious Our modern Western consciousness is radically different from that of antiquity when the Bible emerged Jung's psychological philosophical insight that whenever we speak about the psyche it is the psyche speaking about itself leads to the realization that today consciousness has come home to itself Beginning with preliterate polytheism the emergence of the transcendent god Yahweh and Christ which led directly to the Enlightenment objective soul continues to unfold itself How did late modernity become a topsy turvy quantum virtual digital impersonal and abstract world that appears to be running away from us The answer is unexpectedly and shockingly in the Bible itself

Jahosky,2020-09-15 Although many people today reject Christianity for intellectual reasons greater numbers of people are rejecting Christianity because it does not engage their imagination Christians must not only demonstrate that the Christian worldview is true but that it is also good beautiful and relevant The Good News of the Return of the King The Gospel in Middle earth is a book that endeavors to show the truth goodness and beauty of Jesus Christ the gospel and the biblical metanarrative by engaging the imagination through J R R Tolkien s The Lord of the Rings as well as The Hobbit and The Silmarillion In this book I propose that J R R Tolkien s The Lord of the Rings is a story about what Jesus parables are about the good news about the return of the king As a work of imaginative fiction similar to Jesus parables The Lord of the Rings can bypass both intellectual and imaginative objections to the gospel and pull back the veil of familiarity that obscures the gospel for many
