Nigeria Since 1970 A Political And Economic Outline:

The Political Economy of Federalism in Nigeria Dele Babalola, 2018-12-29 This book uses the political economy approach to examine the relative failure of federalism in Nigeria It shows the nexus between the political and the economic aspects of the country's federalism The central feature of Nigeria's political economy is the relationship between oil resources and the state The author argues that the inability of the federal government to distribute the oil wealth fairly amongst the component units contributes to the dysfunctional character of the federal system This deficiency is rooted in the country's unbalanced political economy which promotes over dependency on oil and consequently an over centralised federal system The book concludes that despite its complexities federalism has become the basis for the country's stability Therefore ethno regional demands for true federalism will continue until the political elite reform the ailing federal system

Nigeria Since Independence J. Hill, 2012-10-10 This book analyses the political and ethnical tensions that characterize Nigeria which derive both from colonial and contemporary conflicts It points out three major factors why Nigeria has not yet collapsed like many other African states ethnic power sharing amongst the political elite the military with its national outlook and oil wealth

A Selected Bibliography--Sub-Saharan Africa, 1991

Nigeria Since 1970 Anthony Hamilton Millard Kirk-Greene, Douglas Rimmer, 1981

Power Relations in Nigeria Ann O'Hear, 1997 This is the first study of slavery and its legacy in the Yoruba and incompletely Islamicised periphery of the Sokoto caliphate and of northern Nigeria It shows the decline of slavery and the emergence of a small scale peasantry at the end of the nineteenth century and takes the story into the late colonial and post independence periods Focusing on Ilorin the city and emirate on the southern fringe of the caliphate now in Nigeria it shows how relations between the city elite and the ex slaves and peasants they controlled have fluctuated during the long process of oppression and reaction ANN O HEAR is Co ordinator of Intercultural Studies at Niagara University New York

The Politics of Post-War Demobilisation and Reintegration in Nigeria Olukunle Ojeleye, 2016-02-24 With an increasing international interest in post civil war demobilisation and reintegration especially in Africa Ojeleye presents a well timed body of knowledge on the Nigerian civil war Moreover this book provides an in depth study of the modalities and processes of the demobilisation and reintegration exercises carried out at the end of the Nigerian civil war and assesses their implications for national politics in the West African nation The author identifies the political socio economic and cultural background to the Nigerian civil war and discusses the central theme of demobilisation disarmament and reintegration DDR in Nigeria against the backdrop of the policy of the country's post war reconstruction reconciliation and rehabilitation exercise the 3Rs Though the central theme is Nigeria it compares the demobilisation and reintegration exercise in Nigeria with other attempts in Sub Sahara Africa by highlighting the important deviations and drawing some conclusions on the Nigerian experience It also touches on issues relating to international involvement and intervention in civil wars and the roles of the African Union the Commonwealth of Nations and the United Nations

Troubled Journey Levi A. Nwachuku, G. N. Uzoigwe, 2004-02-09 *Troubled Journey* Nigeria Since the Civil War probes into Nigeria's unique experience as modern African state. It pulls together a talented group of Nigerian historians writing on Nigeria since Independence Day on October 1, 1960 through the devastating Civil War of 1967-1970 into present day. This book is a major contribution to the on-going debate about how the country can best be politically restructured and socio-economically reformed.

A Culture of Corruption Daniel Jordan Smith, 2010-12-16 E-mails proposing an urgent business relationship help make fraud Nigeria's largest source of foreign revenue after oil. But scams are also a central part of Nigeria's domestic cultural landscape. Corruption is so widespread in Nigeria that its citizens call it simply the Nigerian factor. Willing or unwilling participants in corruption at every turn, Nigerians are deeply ambivalent about it, resigning themselves to it, justifying it, or complaining about it. They are painfully aware of the damage corruption does to their country and see themselves as their own worst enemies, but they have been unable to stop it. *A Culture of Corruption* is a profound and sympathetic attempt to understand the dilemmas average Nigerians face every day as they try to get ahead or just survive in a society riddled with corruption. Drawing on firsthand experience, Daniel Jordan Smith paints a vivid portrait of Nigerian corruption: nationwide fuel shortages in Africa's oil-producing giant; Internet cafés where the young launch their e-mail scams; checkpoints where drivers must bribe police; bogus organizations that siphon development aid; and houses painted with the fraud-preventive words "Not for Sale." This is a country where 419, the number of an antifraud statute, has become an inescapable part of the culture and so universal as a metaphor for deception that even a betrayed lover can say, "He played me 419." It is impossible to comprehend Nigeria today, from vigilantism and resurgent ethnic nationalism to rising Pentecostalism and accusations of witchcraft and cannibalism, without understanding the role played by corruption and popular reactions to it. Third World Cities In Global Perspective David O. Smith, 2019-05-20 In this innovative book, David Smith ultimately links what happens on the ground in the neighbourhoods where people live to the larger political and economic forces at work, putting these connections in a historical framework and using a case study approach. The societies of the world's underdeveloped countries are now undergoing an urban revolution.

Public Policy And Administration In Africa Peter Koehn, 2019-09-16 Originally published in 1990, a look at the vast, historically and socially complex nature of the Nigeria. This book is intended to share what he has learned about public policy and administration in Africa over the past ten years. This book is based upon a decade of research, reflection, and writing. The field research period corresponds with the

Keith Hancock D.A. Low, 2016-06-03 Sir Keith Hancock KBE 1898-1984 was the most distinguished scholar in the humanities and social sciences to have been born and to have worked in Australia. He was a graduate of the University of Melbourne, a Rhodes Scholar, and the first Australian Fellow of All Souls College, Oxford. He successively held History chairs at the universities of Adelaide, Birmingham, Oxford, and London, and at the Australian National University. Aged 32, he published his *Australia* (London, 1930), still the single most

striking commentary on this country many of whose aphorisms have percolated through into numerous other writings Aged 74 he published his last major work *Discovering Monaro A Study of Man's Impact on the Environment* Cambridge 1972 which was arguably the primary fillip to the study of Australian environmental history to this day The main chapters of this book discuss largely in sequence the major books that he wrote the fields with which he dealt and the directions these have taken since he did so They revisit an extraordinary series of creative achievements while providing an introduction to the work of an exceptional Australian scholar The book will be important for anyone interested in the Humanities in Australia and particularly for those concerned with Australian historiography There are indications that imaginative teachers of History Honours students are already going back to Hancock's writing and finding students responding positively to it

Nigeria Toyin Falola, Bukola A. Oyeniyi, 2015-02-24 Written by leading experts in African studies this broad introduction to Nigeria follows the history of the republic from the early period to the present day As Africa's most populated country and major world exporter of oil Nigeria is a nation with considerable international importance a role that is hampered by its economic underdevelopment and political instability This book examines all major aspects of Nigeria's geography politics and culture addressing the area's current attempts at building a strong nation developing a robust economy and stabilizing its domestic affairs Perfect for students of African history geography anthropology and political science this guidebook provides an overview and history of Nigeria from the early period to contemporary times Chapters focus on each region in the country the government economy and culture of Nigeria the challenges and problems Nigerians face since the country's independence and topics affecting everyday life including music food etiquette gender roles and marriage The Changing Geography of Africa and the Middle East Graham Chapman, 2002-03-11 CROSS REF DEV STUDIES Both Africa and the Middle East have sought alternatives to Western models of development The last twenty five years have seen political independence for the states of Africa and increased economic dependence on external aid The Middle East resource rich and water poor continues economically robust but politically unstable In both regions widespread poverty continues as does the involvement of the West Clearly illustrated with basic maps of the countries discussed The Changing Geography of Africa and the Middle East presents a systematic review of twenty five years of development The book will prove an invaluable guide to the physical economic social and political environments of contemporary Africa and the Middle East **The 'Civil Society'**

Problematic Adedayo Oluwakayode Adekun, 2004-03-01 This volume deftly undertakes both a theoretical deconstruction of the concept of civil society and related themes including civility and an empirical analysis of the radicalization process in Southern Nigeria *Government and Politics in Africa* William Tordoff, 2002 The author provides extra coverage of both North and South Africa and of such key issues as debt the AIDS epidemic the position of women and the politics of patronage **BOOK JACKET** *Obasanjo, Nigeria and the World* John Iliffe, 2011 Olusegun Obasanjo has been the most important and controversial figure in Nigeria's first 50 years of independence and the most powerful African of his time John Iliffe examines

Olusegun Obasanjo's complex personality and the extreme controversy he arouses among Nigerians and illustrates the immense demands made on a leader of a state like Nigeria *A Thousand Flowers* Silvia Federici, Constantine George Caffentzis, Ousseina Alidou, 2000 Combining theoretical essays with reports and testimonies this book presents a unique account of the impact of the World Bank's structural adjustment programme on African education Part I contains an in depth analysis and critique of the World Bank's policies on the future of African educational systems while Part II looks at the response of teachers and students to the dismantling of public education and points to the development of a new Pan Africanist movement *Women in Igbo Life and Thought* Joseph Therese Agbasiere, 2015-12-22 A member of the Igbo tribe of Nigeria who became a nun and trained as an anthropologist Joseph Therese Agbasiere had a unique opportunity to transcend some of the preconceptions and subjectivities inevitable when an outsider studies a native society Her richly detailed ethnography examines kinship practices marriage customs and women's responsibilities in the house and the community establishing the tremendous influence that Igbo women wield in public affairs Igbo ideas about the universe the person and spiritual considerations are also discussed and shown to be primarily centred around women This fascinating work is a testament to the combination of personal insight and academic detachment which the author brought to her study of Igbo women before her death in 1998 It will be a valuable resource for students and scholars in anthropology African studies and women's studies **A History of Africa** John Fage, with William Tordoff, 2013-10-23 A History of Africa is a thorough narrative history of the continent from its beginnings to the twenty first century Long established at the forefront of African Studies this book addresses the events of the 1990s and beyond The issues discussed include post apartheid South Africa the prospects for democratization in Africa at the beginning of the new millennium developments in Muslim North Africa including the threat of Islamic fundamentalism economic and social developments including the devastating impact of Third World debt and the provision of debt relief cultural environmental and gender issues in Modern Africa **Africa** Air University (U.S.). Library, 1983
