Olympic Titanic Ocean Liners Of The Past:

Olympic and Titanic, Ocean Liners of the Past Shipbuilder Magazine,1995-01-01 The 'Olympic' Class Ships Mark Chirnside,2011 The first vessel to be built in the Olympic class was Olympic herself in 1909 She was followed by Titanic and finally Britannic Mark Chirnside explores these early ocean liners and their chequered history *Ocean Liners of the Past*,1970 **Inside the Britannic** Simon Mills,2025-03-13 Documenting one of the most comprehensive surveys of a shipwreck ever conducted Simon Mills new book takes you inside the SS Britannic for a unique dive into the past The Olympic Class ships were intended to be the greatest liners to ever sail the oceans but the Britannic sank only four years after her sister ship the Titanic While the wreck of the Titanic is 2 miles below the surface and rapidly deteriorating the Britannic is much more accessible only 400ft down and remains largely intact One of the largest passenger ships ever to have sunk her wreck presents a unique opportunity to explore the interior of the Olympic Class liners and examine areas which on the Titanic simply no longer exist Simon Mills bought the wreck of the Britannic in 1996 and has spent more time exploring it than anyone else Inside the Britannic is the sum of decades of work covering every inch of the shipwreck as he searches for answers to century old questions and discovers new mysteries to solve Simon takes a forensic approach but this book is more than just the autopsy report of a ship it is a fascinating survey supported by stunning never before seen photos from inside the wreck archival blueprints and original technical schematics of specific areas and specially recreated digital images of how the ship would have looked The Britannic may have been lost over a century ago but Simon Mills fascinating new book gives everyone unparalleled access to rediscover her **A History of Ocean Liners in 50 Objects** Mark Berry,2020-12-04 Explore the history of ocean liners through the objects that bring them to life Liners represented the ambitions of their nations in peace and war their design interiors and fittings incorporated the finest contemporary technological and artistic features In peacetime they carried celebrities vacationers and emigrants while in war they carried thousands of troops and then war brides seeking new lives A History of Ocean Liners in 50 Objects takes in evolving technology supreme luxury and fine cuisine as well as hardship and the burning hope for a better life There is peril disaster and death international pride and competition glory and war The objects tell a fascinating story showing how the functional sea voyage has evolved from the late nineteenth and early twentieth century to the huge cruise industry we have today *History Smashers: The Titanic* Kate Messner,2021-04-06 Myths Lies Secrets Uncover the hidden truth behind the sinking of the Titanic with beloved educator author Kate Messner The fun mix of sidebars illustrations photos and graphic panels make this perfect for fans of I Survived and Nathan Hale s Hazardous Tales On April 15 1912 an unsinkable ship called the Titanic unexpectedly hit an iceberg and sank to the bottom of the North Atlantic Right Wrong Nobody was really talking about the Titanic being unsinkable until after it sank The truth is four different ships wired the Titanic to report icebergs and field ice in the area But the Titanic never slowed down In fact when the Californian warned that it was trapped in ice the Titanic s wireless operator

was so busy sending outgoing messages that he replied Shut up No joke Discover the nonfiction series that demolishes everything you thought you knew about history Don t miss History Smashers The Mayflower Women s Right to Vote and Pearl Harbor **Picture History of British Ocean Liners, 1900 to the Present** William H. Miller,2001-01-01 This fascinating text and picture tribute documents both interiors and exteriors of majestic British ships such as the Viceroy of India the Orion Queen Mary Queen Elizabeth Windsor Castle Pacific Princess Royal Princess Crown Princess and Aurora Over 200 rare black and white illustrations provide views of the ships at sea and in port *Titanic, A Search For Answers* Joe C. Combs 2nd,2010-11-21 Are you a history buff intrigued by ill fated historical events like the Titanic Do you love digging into new developments details discoveries and theories about events long buried With the sinking of the Titanic over 100 years ago Joe Combs author and professional mariner shares his perspective along with new never revealed information about controversies surrounding the Titanic *Steamship Travel in the Interwar Years* Lorraine Coons,Alexander Varias,2016-03-15 Lorraine Coons and Alexander Varias explore the world of interwar steamship travel **RMS Olympic** Mark Chirnside,2015-09-07 Launched as the pride of British shipbuilding and the largest vessel in the world Olympic was more than 40 per cent larger than her nearest rivals almost 900ft long and the first ship to exceed 40 000 tons She was built for comfort rather than speed and equipped with an array of facilities including Turkish and electric baths one of the first ships to have them a swimming pool gymnasium squash court la carte restaurant large first class staterooms and plush public rooms Surviving from 1911 until 1935 she was a firm favourite with the travelling public carrying hundreds of thousands of fare paying passengers and retained a style and opulence even into her twilight years During the First World War she carried more troops than any other comparable steamship and was the only passenger liner ever to sink an enemy submarine by ramming it Overshadowed frequently by her sister ships Titanic and Britannic Olympic s history deserves more attention than it has received She was evolutionary in design rather than revolutionary but marked an ambition for the White Star Line to dominate the North Atlantic express route Rivals immediately began trying to match her in size and luxury The optimism that led to her conception was rewarded whereas her doomed sisters never fulfilled their creators dreams This revised and expanded edition of the critically acclaimed RMS Olympic Titanic s Sister uses new images and further original research to tell the story of this remarkable ship 80 years after her career ended **Olympic, Titanic, Britannic** Mark Chirnside,2012 At the beginning of the twentieth century competition between the North Atlantic shipping lines was fierce While Britain responded to the commercial threat posed by the growing German merchant marine there was also rivalry between the great Cunard Line and its chief competitor the White Star Line Against this backdrop Olympic Titanic and Britannic were conceived Designed for passenger comfort they were intended to provide luxurious surroundings and safe reliable service rather than record breaking speed Ironically fate decreed that only Olympic would ever complete a single commercial voyage and she went on to serve for a quarter of a century in peace and war Titanic s name would become

infamous after she sank on her maiden voyage The third sister Britannic saw a brief and commendable career as a hospital ship during the First World War sinking in the Aegean Sea in 1916 **Ships Monthly** ,2005 **Titanic and Her Sisters** Janette McCutcheon,Campbell McCutcheon,2014-04-15 Almost a century since the launch of Titanic the story of the Olympic class ships is told through the medium of original postcards The White Star Triple Screw Atlantic Liners Olympic and Titanic ,1983 **The Unofficial Guide to Cruises** Kay Showker,Bob Sehlinger,2007-08-27 From the publishers of The Unofficial Guide to Walt Disney World A Tourist s Best Friend Chicago Sun Times Indispensable The New York Times Five Great Features and Benefits offered ONLY by The Unofficial Guide More than 100 cruise lines and 500 ships reviewed and ranked for value and quality Complete details on cruise lines ships and itineraries around the world Industry secrets for getting the lowest possible fare plus extras like free vacation days Everything you need to know to make planning your cruise vacation fun and easy Helpful hints for getting the best cabin without breaking your bank account **The National Magazine** ,1911 **Insight Guides Cruising & Cruise Ships 2025: Cruise Guide eBook** Insight Guides,2024-11-01 Insight Guides Cruising Cruise Ships 2025 is written by Douglas Ward the world s foremost authority on cruising and cruise ships Designed for cruise enthusiasts it offers up to date information on 368 cruise ships across 408 pages Packed with expert advice tailored recommendations and ship reviews including scores for ship quality accommodation food service and overall cruise experience this edition provides everything travelers need to make informed decisions about cruising all presented in a user friendly format Previously known as Berlitz Cruising and Cruise Ships this updated edition adopts a more streamlined approach The ship reviews are now more concise offering key details in a nutshell allowing readers to quickly grasp the essentials With larger fonts vibrant photography and a more accessible layout the book has been modernized to better serve today s cruise goers while maintaining the trusted insights that have made it the authoritative guide for decades The book is structured into sections that cater to every aspect of the cruise journey Introduction New to cruising Start with an in depth look at the basics the evolution of cruising and what the future holds for this ever growing industry Choose the Right Cruise Get expert guidance on choosing the perfect cruise and destination This section covers everything from where to cruise selecting the right ship and accommodations to understanding ships as destinations in themselves Types of Cruising Explore various cruising experiences tailored to different traveler types including families solo travelers seniors and more Whether you re interested in themed voyages expedition cruises or coastal cruises this section has it covered The Cruise Experience Discover what life on board is truly like with a roundup of the author s 40 most memorable cruise experiences Dive into details about cuisine entertainment spas wellness facilities and excursions ashore The Cruise Companies Learn about the major cruise lines and smaller niche operators helping you find the right company that aligns with your travel preferences Practical Information Essential tips on cruising safety sustainability and what to do in case of emergencies are provided to ensure a smooth and safe journey Ship Listings with Ratings Dive into essential profiles and Douglas Ward s
