Kenneth Burke's Weed Garden Kyle Jensen, 2022-06-29 Since its publication in 1950 Kenneth Burke's *A Rhetoric of Motives* has been one of the most influential texts of theory and criticism Critics have discovered in its pages concepts that reveal new dimensions of human motivation And yet despite its obvious genius critics have interpreted *A Rhetoric of Motives* as a collection of provocations rather than a systematic treatment of rhetoric In this book Kyle Jensen argues that the coherence in Burke's thought has yet to be fully appreciated Drawing on unpublished drafts and voluminous correspondence he reconstructs Burke's drafting and revision process for *A Rhetoric of Motives* as well as its recently discovered second volume *The War of Words* Jensen's extensive archival analysis reveals that Burke relied on the concept of myth to draw together the loose ends in his argument For Burke all general theories of rhetoric are formed and structured using mythic images and terms By exploring what Burke added and omitted and by putting his writing process into the context of daily life after the Second World War including Burke's attempts to clear the weeds from his Andover farm Jensen sheds new light on the key problems that Burke encountered and the methods he used to overcome them Kenneth Burke's *Weed Garden* is essential for those who study Burke and the tradition of modern rhetoric that he helped found

Kenneth Burke + The Posthuman Chris Mays, Nathaniel A. Rivers, Kellie Sharp-Hoskins, 2017-10-15 While rhetoric as a discipline is firmly planted in humanism and anthropology posthumanism seeks to leave the human behind This highly original examination of Kenneth Burke's thought grapples with these ostensibly contradictory concepts as opportunities for invention revision and importantly transdisciplinary knowledge making Rather than simply mapping posthumanist rhetorics onto Burke's scholarship Kenneth

Burke The Posthuman focuses on the multiplicity of ideas found both in his work and in the idea of posthumanism Taking varied approaches organized within a framework of boundaries and futures the contributors show that studying the humanist theories of Burke in this way creates a satisfyingly chaotic web of interconnections The essays look at how Burke s writing on the human mind and technology from his earliest works to his very latest revisions interrelates with current concepts such as new materiality and coevolution Throughout the contributors pay close attention to the fluidity concerns and contradictions inherent in language symbolism and subjectivity A unique illuminating exploration of the contested relationship between bodies and language this inherently transdisciplinary book will propel important future inquiry by scholars of rhetoric Burke and posthumanism In addition to the editors the contributors are Casey Boyle Kristie Fleckenstein Nathan Gale Julie Jung Steven B Katz Steven LeMieux Jodie Nicotra Jeff Pruchnic Timothy Richardson Thomas Rickert and Robert Wess

Textual Warfare and the Making of Methodism Brett C. McInelly,2014-05-15 Textual Warfare and the Making of Methodism argues that the eighteenth century Methodist revival participated in and was produced by a rich textual culture that includes both pro and anti Methodist texts and that Methodism be understood and approached as a rhetorical problem as a point of contestation and debate resolved through discourse Methodist belief and practice attracted its share of negative press and Methodists eagerly and publically responded to their critics and the controversy generated by the revival ensured that Methodism would be conditioned by textual and rhetorical processes whether in published polemic and apologia or in private diaries and letters as Methodists navigated the complexities of their spiritual lives and anti Methodist efforts to undermine their faith While it may seem obvious to conclude that a controversial movement would be shaped by controversy Textual Warfare examines the specific ways Methodist belief practice and self understanding were filtered through the anti Methodist critique the particular historic and cultural conditions that informed this process and the overwhelming extent to which Methodism in the eighteenth century was mediated by texts and rhetorical exchange The proliferation of print media and the relative freedom of the press in the eighteenth century the extent to which society generally and Methodism specifically promoted literacy and a cultural sensibility predisposed to open debate on matters of public interest ensured the development of a public sphere in which individuals came together to deliberate in conversation and in print on a range of issues relevant to the larger community It was within this sphere that Methodist religiosity including the intensely private nature of spiritual conversion became matters of civic concern on an unprecedented scale and that Methodism ultimately took its form

Persuasions of God Paul Lynch, 2024-02-20 The nations of the global north find themselves in a post secular or post Christian period one in which the practice expression and effects of religion are undergoing massive shifts In Persuasions of God Paul Lynch pursues a project of theorhetoric a radical new approach to speaking about the divine Searching for new religious forms amid the lingering influence of Christianity Lynch turns to Ren Girard the most important twentieth century thinker on the sacred and its expression within the Christian tradition Lynch repurposes Girard's mimetic theory to invent a post Christian way of speaking to for and especially about God Girard theorized the sacred as the nexus of violence order and sacralization that lies at the heart of religion What Lynch advocates in our current moment of religious kairos is a paradoxically meek rhetoric that conscientiously refuses rivalry actively exploits tradition through complicit invention and boldly seeks a holiness free of exclusionary violence The project of theorhetoric is to reinvent God through the reimagined themes of meekness sacrifice atonement and holiness From these Persuasions of God offers religion
