[A Caring Approach in Nursing Administration](#) Jan J. Nyberg, 2011-05-18 Current mainstream books and publicity about management and administration in health care are concerned with the takeover of health care by managed care organizations Many provide lots of quick and externally focused answers Many of them are economically driven to the exclusion of humans values ethics and the human spirit of all those who pass through systems as deliverers and receivers of care On the other hand there is a new generation of works that address new forms of administration and leadership works that inspire and evoke foundational changes in health care and forms of organizational leadership and management This work by Dr Jan Nyberg is guided by a lifelong career of administration and management that is informed by deeper human dimensions of caring and more lasting approaches to change than quick fix economic
