ESSAYS IN FEMINIST CRITICISM

Reading Woman Essays In Feminist Criticism Gender Culture Paperback

Richard Bailey

Reading Woman Essays In Feminist Criticism Gender Culture Paperback:

Reading Woman Mary Jacobus, 1986-03-02 Presents essays on women whether as a reader a writer or as read and especially as represented in and by Freudian and Lacanian psychoanalysis **Textual Practice** Terence Hawkes, 2005-08-03 First published in 1992 Routledge is an imprint of Taylor Francis an informa company **Gender and Reading** Elizabeth A. Flynn, Patrocinio P. Schweickart, 1986-02 An unprecedented encounter between feminist criticism reading research and reader response criticism I found Gender and Reading a valuable book to read as a feminist critic Valuable because it asserts our rights as women to read to read as women Valuable because it begins a dialogue among so many varieties of criticism and theory Susan Squier Women s Review of Books *The Scandal of Susan Sontag* Barbara Ching, Jennifer A Wagner-Lawlor, 2009-11-30 Susan Sontag 1933 2004 spoke of the promiscuity of art and literature the willingness of great artists and writers to scandalize their spectators through critical frankness complexity and beauty Sontag s life and thought were no less promiscuous She wrote deeply and engagingly about a range of subjects theater sex politics novels torture and illness and courted celebrity and controversy both publicly and privately Throughout her career she not only earned adulation but also provoked scorn Her living was the embodiment of scandal In this collection Terry Castle Nancy K Miller Wayne Koestenbaum E Ann Kaplan and other leading scholars revisit Sontag s groundbreaking life and work Against Interpretation Notes on Camp Letter from Hanoi On Photography Illness as Metaphor I Etcetera and The Volcano Lover these works form the center of essays no less passionate and imaginative than Sontag herself Debating questions raised by the thinker s own images and identities including her sexuality these works question Sontag s status as a female intellectual and her parallel interest in ambitious and prophetic fictional women her ambivalence toward popular culture and her personal and professional scandals Paired with rare photographs and illustrations this timely anthology expands our understanding of Sontag s images and power *Daughters of Caliban* Consuelo Lopez Springfield, 1997-06-22 Book on Caribbean women and Society **A Concise Companion to Feminist Theory** Mary Eagleton, 2008-04-15 The Concise Companion to Feminist Theory introduces readers to the broad scope of feminist theory over the last 35 years Introduces readers to the broad scope of feminist theory over the past 35 years Guides students along the cutting edge of current feminist theory Suitable for students and scholars of all fields touched by feminist thought Covers an exceptionally broad range of disciplines discourses and feminist positions Organised around concepts rather than schools of feminism

Feminisms Robyn R. Warhol, Diane Price Herndl, 1997 In the landmark 1991 edition of *Feminisms* Robyn Warhol and Diane Price Herndl assembled the most comprehensive collection of American and British feminist literary criticism ever to be published In this revised edition the editors have updated the volume in keeping with the expanded parameters of feminist literary discourse With the inclusion of more than two dozen new essays along with a major reorganization of the sections in which they appear Warhol and Price Herndl have again established the measure for representing the latest developments in

the field of feminist literary theory Believing that the feminist movement can only move forward where difference commands attention not dismissal or negativism they have continued the original collection's mission of providing a multiplicity of perspectives and approaches This anthology contains three new sections Conflict Gaze and Practice and includes more selections by and about women of color and lesbians Aimed at academics and the general public alike this collection is an indispensable guide to the range of practice on campus today in the field of feminist literary criticism **Woman's Body**

and the Social Body in Hosea 1-2 Alice A. Keefe, 2002-02-01 Keefe's analysis dismantles the androcentric and theological assumptions which have determined the dominant reading of Hosea's metaphor of Israel as the adulterous wife of God It shows how the projection of symbolic associations of women with nature sexual temptation and sin have anachronistically determined this metaphor as referring to Israel's apostasy in a lurid fertility cult Against this reading Keefe's study considers Hosea 1-2 in the context of the association of sexual transgression and social violence in biblical literature in this light Hosea's symbol of Israel as an adulterous woman is read as a commentary upon the structural violence in Israelite society which accompanied the eighth century boom in agribusiness and attendant processes of land consolidation **The Intimate**

Critique Diane P. Freedman, Olivia Frey, Frances Murphy Zauhar, 1993 For a long time now readers and scholars have strained against the limits of traditional literary criticism whose precepts above all objectivity seem to have so little to do with the highly personal and deeply felt experience of literature The Intimate Critique marks a movement away from this tradition With their rich spectrum of personal and passionate voices these essays challenge and ultimately breach the boundaries between criticism and narrative experience and expression literature and life Grounded in feminism and connected to the race class and gender paradigms in cultural studies the twenty six contributors to this volume including Jane Tompkins Henry Louis Gates Jr Shirley Nelson Garner and Shirley Geok Lin Lim respond in new refreshing ways to literary subjects ranging from Homer to Freud Middlemarch to The Woman Warrior Shiva Naipaul to Frederick Douglass Revealing the beliefs and formative life experiences that inform their essays these writers characteristically recount the process by which their opinions took shape a process as conducive to self discovery as it is to critical insight The result which has been referred to as personal writing experimental critical writing or intellectual autobiography maps a dramatic change in the direction of literary criticism Contributors Julia Balen Dana Beckelman Ellen Brown Sandra M Brown Rosanne Kanhai Brunton Suzanne Bunkers Peter Carlton Brenda Daly Victoria Ekanger Diane P Freedman Olivia Frey Shirley Nelson Garner Henry Louis Gates Jr Melody Graulich Gail Griffin Dolan Hubbard Kendall Susan Koppelman Shirley Geok Lin Lim Linda Robertson Carol Taylor Jane Tompkins Cheryl Torsney Trace Yamamoto Frances Murphy Zauhar **The Publishers**

Weekly, 1987

Unveiling the Power of Verbal Beauty: An Emotional Sojourn through **Reading Woman Essays In Feminist Criticism Gender Culture Paperback**

In a world inundated with screens and the cacophony of instant transmission, the profound power and emotional resonance of verbal art frequently fade into obscurity, eclipsed by the constant onslaught of sound and distractions. Yet, set within the lyrical pages of **Reading Woman Essays In Feminist Criticism Gender Culture Paperback**, a fascinating work of fictional splendor that impulses with natural thoughts, lies an remarkable journey waiting to be embarked upon. Penned with a virtuoso wordsmith, this exciting opus guides viewers on an emotional odyssey, softly revealing the latent potential and profound impact embedded within the complex internet of language. Within the heart-wrenching expanse of the evocative examination, we will embark upon an introspective exploration of the book is central themes, dissect their interesting writing fashion, and immerse ourselves in the indelible impression it leaves upon the depths of readers souls.
