Edgar Cayce and a Course in Miracles Judith Sherbenou, 2006 *Clinical Studies in Transpersonal Psychotherapy* Seymour Boorstein, 1997-04-25 In this book Seymour Boorstein builds upon his classical training as a psychiatrist to show the dramatic results of blending the traditional with the transpersonal approach to psychotherapy By providing case studies from his own practice that cover the spectrum of traditional psychological categories he demonstrates the vast possibilities and some of the pitfalls inherent in joining psychotherapy and spirituality and also gives the reader a glimpse into the psychiatrist's mental processes as he considers patients' dilemmas and seeks to help them find solutions The specific techniques Boorstein describes serve as guideposts for other psychotherapists and clinicians for laypeople interested in psychological healing and for spiritual leaders and seekers Boorstein's message to mental health practitioners is clear Transpersonal therapists should make use of the valuable traditional techniques that have proved useful and traditional therapists should explore the enormous impact spiritual issues have on our lives

Libby Maxey, 2005-01-01 a personal journey of enormous merit one of the world's great mystics blended with sound intelligence and clear self discovery Excellent balance between inner and outer experiences grounding the reader in the mundane as well as the spiritual heights I almost never offer superlatives my standards are too high This work is real and REALLY good Louise Mallory Elliott PhD former clinical psychologist now Melchizedek minister and teacher of spiritual consciousness I Am Liberty is a story of one woman's quest to be in the world but not of it With a Mighty Assistant and a storehouse of revelatory glimpses of True Reality Libby begins to imagine how her life would be lived as an ascended being When the imagining starts to become her daily reality the true work of Spirit begins and she is inexorably drawn into the evolution of mind promised by God Often breathtaking frequently profound I Am Liberty is a courageous and captivating story of realizing and returning to God

Soul of Light

Joma Sipe,2012-11-06 The visionary art of Portuguese artist Joma Sipe is all about light not the ordinary light of day but the light of spiritual illumination which brilliantly radiates from the over one hundred full color images in this stunning book Sipe thinks of his work as sacred geometry that unites this temporal world with higher planes Each painting thrills with the dispersion and concentration of light that seems to emanate from every line Sipe regards it as springing from the heart of the universal Energy that shines forth in everything that exists According to Sipe his paintings come completely from inner inspiration As if by their own volition the thin silver or gold ink pen he holds will begin to move until the canvas is filled Sipe then energizes certain points in the drawing with crystals a process that infuses the work with spiritual intensity Finally he adds light and soft color computer effects to achieve an ethereal quality Many works in this volume are also accompanied by his mystical poetry Since childhood Sipe has been influenced by painters of the late nineteenth century Symbolist Movement He feels profoundly connected with early Theosophist H P Blavatsky and believes his works not only provide an image of the nucleus of the universal brotherhood of humanity they also mirror the laws of nature and the powers latent in humankind Sipe has also studied Rudolf Steiner Eliphas Levy G I Gurdieff the contemporary Gnostics and the spirituality of Hindu teacher Paramahansa Yogananda and Eckart Tolle who in turn led him to A Course in Miracles His knowledge of occult anatomy and the chakras meditation alchemy and the Kabbalah contributes to the wealth of esoteric wisdom he brings to bear in his art All helps him reflect on canvas his powerful sense of the sacred that seems to illuminate the very being of the viewer as well as of the artist and his visionary world The Power of Humility Charles Whitfield,Barbara Harris

Whitfield,Russell Park,2010-01-01 Throughout our life at each moment from each conflict that arises throughout every day we are given the power to choose We all face challenges in our relationships and Dr Whitfield gives us the secret to meeting each challenge and how to make the best choice when faced with hard decisions and irrational emotions Using the same questions he has asked his patients Dr Whitfield asks readers Do you choose to protect your point of view your position and your ego s limited perceptions Or do you choose humility open mindedness curiosity and tolerance Do you choose to play the victim to persecute or to rescue Or do you choose humility to motivate nurture and empower Do you choose separation or through humility inclusion These are the lessons taught in The Power of Humility Simple easy to understand yet life changing Dr Whitfield teaches us that by accepting our humility we invite peace love joy and gratitude into our life and our relationships Key Features Patient stories provide the reader with specific examples on the power of humility Takes readers through the separate steps in identifying humility throughout their lives Tie in to reissue of Dr Whitfield s million copy classic Healing the Child Within *Reading Mark's Gospel as a Text from Collective Memory* Sandra Huebenthal,2020-05-28 How did the Gospel of Mark come to exist And how was the memory of Jesus shaped by the experiences of the earliest Christians For centuries biblical scholars examined texts as history literature theology or even as story Curiously absent however has been attention to processes of collective memory in the creation of biblical texts Drawing on modern explorations of social

memory Sandra Huebenthal presents a model for reading biblical texts as collective memories She demonstrates that the Gospel of Mark is a text evolving from collective narrative memory based on recollections of Jesus s life and teachings Huebenthal investigates the principles and structures of how groups remember and how their memory is structured and presented In the case of Mark s Gospel this includes examining which image of Jesus as well as which authorial self image this text as memory constructs Reading Mark s Gospel as a Text from Collective Memory serves less as a key to unlock questions about the historical Jesus and more as an examination of memory about him within a particular community providing a new and important framework for interpreting the earliest canonical gospel in context **Family**
