Gonzalez, Michelle Gonzalez Maldonado, 2024 The Oxford Handbook of Caribbean Religions offers a comprehensive overview of Caribbean religions The Caribbean is a microcosm of the world's religions but the small geographic space resulted in the encounter of global religions and indigenous religious practices The racial ethnic and cultural diversity of this region makes brief introductions to Caribbean religions incapable of truly addressing its complex and diverse religious landscape The Handbook also elaborates on the diversity of the religious traditions and the national particularity of the region while also considering multiple geographic settings It mentions how often Caribbean religion is studied through the perspective of a discrete religious tradition or geographic setting *Encounters Across Time* Judith Binney, 2023-09-01 Foreword by Damon Salesa Story telling is an art deep within human nature A timely collection of writings on history from one of Aotearoa New Zealand's most distinguished scholars These essays bring forth important questions for New Zealand history about autonomy restoration and power that continue to reverberate today They also serve as a pathway into the rigorous and imaginative scholarship that characterised Judith Binney's acclaimed historical writing Encyclopedia of Great Popular Song Recordings Steve Sullivan, 2013-10-04 From John Philip Sousa to Green Day from Scott Joplin to Kanye West from Stephen Foster to Coldplay The Encyclopedia of Great Popular Song Recordings Volumes 1 and 2 covers the vast scope of its subject with virtually unprecedented breadth and depth Approximately 1 000 key song recordings from 1889 to the present are explored in full unveiling the stories behind the songs the recordings the performers and the songwriters Beginning the journey in the era of Victorian parlor balladry brass bands and ragtime with the advent of the record industry readers witness the birth of the blues and the dawn of jazz in the 1910s and the emergence of country music on record and the shift from acoustic to electrical recording in the 1920s The odyssey continues through the Swing Era of the 1930s rhythm the rock modern soul the British invasion and the folk rock movement of the 1960s and finally into the modern era through the musical streams of disco punk grunge hip hop and contemporary dance pop Sullivan however also takes critical detours by extending the coverage to genres neglected in pop music histories from ethnic and world music the gospel recording of both black and white artists and lesser known traditional folk tunes that reach back hundreds of years This book is ideal for anyone who truly loves popular music in all of its glorious

Is It Still Good to Ya? Robert Christgau, 2018-10-04 Is It Still Good to Ya sums up the career of longtime Village Voice stalwart Robert Christgau who for half a century has been America's most widely respected rock critic honoring a music he argues is only more enduring because it's sometimes simple or silly While compiling historical overviews going back to Dionysus and the gramophone along with artist analyses that range from Louis Armstrong to M I A this definitive collection also explores pop's African roots response to 9 11 and evolution from the teen music of the 50s to an art form compelled to confront mortality as its heroes pass on A final section combines searching obituaries of David Bowie Prince and Leonard Cohen with awed farewells to Bob Marley and Ornette Coleman

No Regrets (Music Saved My Life) Alec Music, 2025-03-17 This isn't just a story about a hip hop artist's rise from the ashes it's a raw unflinching look into the heart of darkness and the arduous climb back to the light It's a Cape Town story steeped in the vibrant energy of the city but also haunted by the shadows of poverty violence and addiction that cling to its edges It's a story of loss a story of grief a story of betrayal and a story of redemption It's a testament to the destructive power of unchecked pain and the restorative power of music family and unwavering love I have poured my soul onto these pages laying bare the deepest wounds and most painful truths It hasn't been easy reliving these experiences confronting the demons that nearly consumed me But in sharing this story I hope to reach out to those who are struggling reminding them that they are not alone There is hope No Regrets 3 There is healing There is a way out This is more than a memoir it's a lifeline a confession a testament to resilience and a celebration of the life I fought to reclaim The music the pain the love the struggle the triumph this is all woven into the fabric of this narrative presented in a way that is authentic to my experience and true to my voice I hope you feel the rhythm in the words the beat in the pain the melody of hope in the final crescendo Let the music begin My mother's death was a cataclysm It ripped a hole in my world leaving behind a void so profound that I instinctively sought solace in the most destructive ways possible The streets became my refuge or rather my prison Alcohol numbed the pain drugs offered a fleeting escape and crime well it was a twisted form of rebellion a desperate attempt to exert control over a life that felt utterly out of control My father's tireless efforts to save me from myself were met with resistance with anger with a self-destructive defiance born from grief and a profound sense of loss The affair with my brother's wife Hulane was a further act of self-sabotage a cruel twist of the knife in an already bleeding heart This downward spiral continued a relentless descent into darkness a terrifying exploration of the abyss I reached a point where suicide seemed the only option the only release from the crushing weight of my pain and guilt But then something shifted Music the very thing that had always been my refuge once again offered a lifeline The collaboration with Arsenic Beats on No Regrets wasn't just about creating an E P it was about confronting my demons laying bare my struggles and processing my grief through rhythm

and rhyme The songs became a cathartic release a conduit for my pain a powerful expression of my struggle for redemption This memoir delves into the depths of that struggle tracing my journey from the depths of despair to a place of unexpected peace and profound love It is a story of pain and resilience of darkness and light of loss and love ultimately a song of hope in the face of unimaginable adversity My story is not unique It s a reflection of the struggles faced by so many in communities grappling with poverty violence and addiction It is my hope that by sharing my journey others will find strength inspiration and perhaps even a glimmer of hope amidst their own struggles This is my truth my confession and my testament to the enduring power of the human spirit
